Kafatos, 1991-10-01 Most books on science and mysticism attempt to link modern physics to philosophic views of consciousness This book explores the two as parallel processes one outer one inner Our outward search is for objective reality out there in the world But what we experience as outer is linked to what we can know in ourselves subjectively The inward search is for that level of consciousness that underlies all subjective experience spoken of by the mystics Like other recent others Drs Kafatos and Karatou find parallels between Eastern thought and recent scientific developments in quantum theory and cosmology But they go farther and hold that the realms of consciousness and the objective world are complementary aspect of the same reality Their approach is fresh and unique and shows how we are involved in the cosmic process *Looking in the Mirror Out* Nora Nita Bates, 2012-03-26 Of course angels are real Maverick giggled to Nora over twenty years ago She played with the baby danced with Kat and was very patient with Rant as she he cursed in a fury within Noras psyche Twenty years ago

these parts presences were known but didnt reveal themselves to the outer world of psychiatry or fully to Nora because they were misinterpreted as symptoms of schizo affective disorder depression bipolar disorder delusions hallucinations and psychosis So they went back in Noras mind and waited patiently to be heard Patience ended in 2010 when Rant exploded and took hold of the steering wheel literally Looking in the Mirror Out is Noras experience as her parts reveal themselves uncensored raw and exhaustedly as she and they get to know each other and work together in Noras inner and outer worlds Their experiences are unique yet encompass surprisingly common themes with anyone living in todays world Looking Out, Looking In Ronald B.
