Out Of Africa Isak Dinesen, 2014-06-03 In *Out of Africa* author Isak Dinesen takes a wistful and nostalgic look back on her years living in Africa on a Kenyan coffee plantation. Recalling the lives of friends and neighbours both African and European, Dinesen provides a first hand perspective of colonial Africa. Through her obvious love of both the landscape and her time in Africa, Dinesen's meditative writing style deeply reflects the themes of loss as her plantation fails and she returns to Europe. HarperTorch brings great works of non fiction and the dramatic arts to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms. Out of Africa Isak Dinesen, 1972 In this book the author of *Seven Gothic Tales* gives a true account of her life on her plantation in Kenya. She tells with classic simplicity of the ways of the country and the natives of the beauty of the Ngong Hills and coffee trees in blossom of her guests from the Prince of Wales to Knudsen the old charcoal burner who visited her of primitive festivals of big game that were her near neighbors lions rhinos elephants zebras buffaloes and of Lulu the little gazelle who came to live with her unbelievably ladylike and beautiful. The Random House colophon made its debut in February 1927 on the cover of a little pamphlet called *Announcement Number One*. Bennett Cerf and Donald Klopfer the company's founders had acquired the Modern Library from publishers Boni and Liveright two years earlier. One day their friend the illustrator Rockwell Kent stopped by their office. Cerf later recalled Rockwell was sitting at my desk facing Donald and we were talking about doing a few books on the side when suddenly I got an inspiration and said I've got the name for our publishing house. We just said we were going to publish a few books on the side at random. Let's call it Random House. Donald liked the idea and Rockwell Kent said That's a great name I'll draw your trademark. So sitting at my desk he took a piece of paper and in five minutes drew Random House which has been our colophon ever since. Throughout the years the mission of Random House has remained consistent to publish books of the highest quality at random. We are proud to continue this tradition today. This edition is set from the first American edition of 1937 and commemorates the seventy fifth anniversary of Random House.
