

A shoot will come out of the stock of Jesse,
and a branch out of his roots will bear fruit.
The LORD's Spirit will rest on him: the spirit of
wisdom and understanding, the spirit of
counsel and might, the spirit of knowledge
and of the fear of the LORD.

Out Of His Roots:

The Book of the Prophet Isaiah, Chapters I-XXXIX, 1896 The Englishman's Hebrew and Chaldee Concordance of the Old Testament George V. Wigram, 1866 *The Messiah's Inventions* Gordon Ziegler, 2013-11-27 Noah's ark was an invention of God elohym the plural three form of one God God the Father God the Son and God the Holy Spirit God the Son later became the incarnate Jesus of Nazareth the Messiah the Anointed One the very Christ The original Son of God was undoubtedly the divine agent that communed with Noah inspiring him with the great invention of God to preserve life through the perils of a world wide Deluge Noah was the master builder and preacher of righteousness God could have translated the people and animals to heaven or some other world before that horrific water holocaust of the entire earth and relocated them back to earth when the Flood was over But God chose not to do this God chose a cooperative effort of God and man at great cost to preserve life on earth during that fearful water holocaust But the ark as well designed and built as it was was in itself not sufficient to preserve life It required the mighty power of God and the heavenly angels to guide and preserve the ark and its inhabitants during that fearful ordeal For this they last day scoffers evolutionists willingly are ignorant of that by the word of God the heavens were of old and the earth standing out of the water and in the water Whereby the world that then was being overflowed with water perished But the heavens and the earth which are now by the same word are kept in store reserved unto fire against the day of judgment and perdition of ungodly men 2 Peter 3 5 7 and context KJV In the imminent future we face the fearful peril of one third of the population of the earth being incinerated in a nuclear holocaust Revelation 9 14 21 also the peril of the corona of the sun going out in darkness like what happened briefly July 19 23 2013 Google dark sun and the earth's population freezing to death or the sun continuing its nova sequence scorching the earth with great heat and then going out in darkness What we desperately need now are new inventions of God the cooperation of God men and angels to preserve life in fire make the sun unnecessary flood the entire earth with light and clean energy Revelation 21 23 God has already inspired one man said of Lucifer himself to be the Everlasting Father incarnate the Messiah the Anointed One the very Christ with designs of God of inventions to preserve and restore earth to Edenic condition in this doom of fire The inventions are already roughly designed and the master builder found and educated All that is needed now are believing people donating money for these costly heavenly inventions God will not do this all by Himself He will work with us as we give our all be it little or much This book will tell all about the inventions of God for now to preserve life through fire and to make the sun unnecessary What is most needed now is belief in God's Messiahs So in this book there will not only be science and technology but theology history and prophetic evidences in favor of Messiah A and Messiah B Jesus of Nazareth and Gordon L Ziegler of Lacey Washington U S A Any and all may now make tax deductible donations to Benevolent Enterprises to actualize the divine inventions to preserve life from a holocaust of fire restore the earth and its people and make the sun unnecessary with heavenly light and heat **The Christian miscellany, and family**
