Malaya's Secret Police 1945-60 Leon Comber,2008 The Malayan Emergency lasted from 1948 to 1960 During these tumultuous years following so soon after the Japanese surrender at the end of the Second World War the whole country was once more turned upside down and the lives of the people changed The war against the Communist Party of Malaya s determined efforts to overthrow the Malayan government involved the whole population in one form or another Dr Comber analyses the pivotal role of the Malayan Police s Special Branch the government s supreme intelligence agency in defeating the communist uprising and safeguarding the security of the country He shows for the first time how the Special Branch was organised and how it worked in providing the security forces with political and operational intelligence His book represents a major contribution to our understanding of the Emergency and will be of great interest to all students of Malay si a s recent history as well as counter guerrilla operations It can profitably be mined too to see what lessons can be learned for counterinsurgency operations in other parts of the world **Malaya House** Eric Mawson,2007-06 Three distinct and very different ethnic groups Malays Chinese and Indians combined to form the populous of Malaysia The nation evolved from a feudal colonial society into a singular modern day peaceful country Malaysia s contributions to world affairs are significant but as a country it s often overlooked as a player on the world stage During the past one hundred twenty years Malaysia has made huge strides into the twenty first century The country s global evolvement from a shambled and discombobulated piecemeal feudal system into a modern unified powerhouse is a remarkable feat Incredibly despite undue external political pressures from the West and religious pressures from the Middle East Malaysia has somehow mastered the technique of blending the best of the East and the West to form its own singular independent identity The characters in the short stories of Malaya House reflect the temperament and social commentary of the times as well as the gradual evolvement and eventual maturity of a developing nation They also illustrate how the citizens of Malaysia have decided that they can get along put past hatred and racism aside and show the world that people from all persuasions can live in relative peace and tolerance with Islam as their central core **The Wizard's Estate Let the Games Begin** F.D. Stewart,2021-03-25 A group of college friends will soon discover that getting everything they ve ever wanted means losing everything they ve ever loved Join them as they battle in a war for their identities where they soon discover it s not a game it s their life Big Girl: A Novel Mecca Jamilah Sullivan,2022-07-12 Shortlisted for the Center for Fiction First Novel Prize Shortlisted for the VCU Cabell First Novelist Award A Phenomenal Book Club Pick TIME Best Books of the Month New York Times Editors Choice Named one of the Most Anticipated Books of the Year by Vulture Goodreads Essence Ms Magazine and SheReads com An extraordinary debut novel shot through with remarkable nuance and tenderness Big Girl traces the intergenerational hungers of the profoundly lovable Malaya Clondon Alive with delicious prose and the cacophony of 90s Harlem Big Girl gifts us a heroine

carrying the weight of worn out ideas who dares to defy the compulsion to shrink and in turn teaches us to pursue our fullest most desirous selves without shame Janet Mock Malaya Clondon hates when her mother drags her to Weight Watchers meetings in the church s stuffy basement community center A quietly inquisitive eight year old struggling to suppress her insatiable longing she would much rather paint alone in her bedroom or sneak out with her father for a sampling of Harlem s forbidden street foods For Malaya the pressures of going to a predominantly white Upper East Side prep school are compounded by the high expectations passed down over generations from her sharp tongued grandmother and her mother Nyela a painfully proper professor struggling to earn tenure at a prestigious university But their relentless prescriptions fad diets of cottage cheese and sugar free Jell O high cardio African dance classes endless doctors appointments don t work on Malaya As Malaya comes of age in a rapidly gentrifying 1990s Harlem she strains to understand ladyfiness and fit neatly within the suffocating confines of a so called femininity that holds no room for her body She finds solace in the lyrical riffs of Biggie Smalls and Aaliyah and in the support of her sensitive father Percy still tensions at home mount as rapidly as Malaya s weight Nothing seems to help until a family tragedy forces her to finally face the source of her hunger on her own terms Exquisitely compassionate and clever Big Girl is filled with everyday people who in Mecca Jamilah Sullivan s gifted hands show us the love and struggle of what it means to be inside bodies that don t always fit with the outside world Jacqueline Woodson In tracing the perils and pleasures of the inheritance that comes with being born Sullivan pushes boundaries and creates an unforgettable portrait of Black womanhood in America

Out in the Midday Sun Margaret Shennan,2015-11-01 The story of British Malaya and Singapore from the days of Victorian pioneers to the denouement of independence is a momentous episode in Britain s colonial past Through memoirs letters and interviews Margaret Shennan chronicles its halcyon years the two World Wars economic depression and diaspora revealing the attitudes of the diverse quixotic characters of this now quite vanished world The British came as fortune seekers to exploit Asian trade shipped through Penang and Singapore They found a mature Asian culture in a land of palm fringed shores and primeval jungle Like modern Romans they built townships defences communications and hill stations they spurred a rivalry between the fledgling commercial centres of Singapore Penang and Kuala Lumpur and they superimposed their law and established an idiosyncratic political system They also developed the tin and rubber of the Malay States encouraging Chinese and Indian immigrants by their open door policy The outcome was a vibrant multi racial society the most cosmopolitan in the East Nanyang Wang Gungwu,2018-05-03 This volume is a book of reflections and encounters about the region that the Chinese knew as Nanyang The essays in it look back at the years of uncertainty after the end of World War II and explore the period largely through images of mixed heritages in Malaysia and Singapore They also look at

the trends towards social and political divisiveness following the years of decolonization in Southeast Asia Never far in the background is the struggle to build new nations during four decades of an ideological Cold War and the Chinese determination to move from near collapse in the 1940s and out of the traumatic changes of the Maoist revolution to become the powerhouse that it now is **War and Memory in Malaysia and Singapore** Patricia Pui Huen Lim, Diana Wong, 2000 This volume consists of selected papers presented at a workshop on War and Memory in Malaysia and Singapore to commemorate the 50th anniversary of World War II plus two additional papers The papers reveal the importance of oral history where documentary records are lacking **The Crown Colonist** ,1931 Pride of Eden Taylor Brown, 2025-08-22 The enthralling new novel from the acclaimed author of *Fallen Land* The River of Kings and Gods of Howl Mountain Retired racehorse jockey and Vietnam veteran Anse Caulfield rescues exotic big cats elephants and other creatures for Little Eden a wildlife sanctuary near the abandoned ruins of a failed development on the Georgia coast But when Anse's prized lion escapes he becomes obsessed with replacing her even if the means of rescue aren't exactly legal Anse is joined by Malaya a former soldier who hunted rhino and elephant poachers in Africa Lope whose training in falconry taught him to pilot surveillance drones and Tyler a veterinarian who has found a place in Anse's obsessive world From the rhino wars of Africa to the battle for the Baghdad Zoo from the edges of the Okefenokee Swamp to a remote private island off the Georgia coast Anse and his team battle an underworld of smugglers gamblers breeders trophy hunters and others who exploit exotic game *Pride of Eden* is Taylor Brown's brilliant fever dream of a novel set on the eroding edge of civilization rooted in dramatic events linked not only with each character's past but to the prehistory of America where great creatures roamed the continent and continue to inhabit our collective imagination **India Rubber World and Electrical Trades Review** ,1928

Area Handbook for Malaysia and Singapore American University (Washington, D.C.). Foreign Areas Studies Division, 1965 **Executive Measures, Terrorism and National Security** Professor David Bonner, 2013-01-28 David Bonner presents an historical and contemporary legal analysis of UK governmental use of executive measures rather than criminal process to deal with national security threats The work examines measures of internment deportation and restriction on movement deployed in the UK and along with the imposition of collective punishment also in three emergencies forming part of its withdrawal from colonial empire Cyprus Kenya and Malaya These situations along with that of Northern Ireland are used to probe the strengths and weaknesses of ECHR supervision It is argued that a new human rights era ushered in by a more confident Court of Human Rights and a more confident national judiciary armed with the HRA 1998 has moved us towards greater judicial scrutiny of the application of these measures a move away from unfettered and unreviewable executive discretion
