edition of this title **How to Get Published** Stewart Ferris, 2004-06-06 Everyone has a book in them they say Having gone through the process of extracting a masterpiece from your head what happens next In most cases the book will end up in a desk drawer as a pile of papers or inside a computer But that s not what you want is it You wrote it to get published You want to see your name in print to go into bookshops and see your book on the shelves You want to feel that moment of pride when you see someone on the bus reading your book The concept that a good book will always find a publisher is outdated and over simplistic The truth is that most writers remain unpublished because they pay attention only to the quality of their writing Publishers are business people Their job is to make money from selling books They know that high quality writing alone isn t always enough to make a profitable book so when choosing which manuscripts to sign up for publication they think about many more elements than just the words on the page After 15 years in the book industry Stewart Ferris has identified all of the crucial factors that publishers consider besides good writing How to Get Published reveals for the first time these inside secrets and provides tactics that any writer can use to create the perfect conditions for their own lucky break to happen Why books get accepted How publishing works How to find a publisher What to put in a submission How to write a sizzling synopsis 10 ways to leapfrog other submissions Sending multiple submissions Easily avoidable reasons why books get rejected 16 crucial factors that publishers consider when deciding what to publish And much more Stewart Ferris has published 500 books rejected 10 000 submissions and is the author of more than 20 books Social Smarts Strategies That Earn Free Book Publicity Anne Hart, 2006-03-27 Empathy and social smarts help you earn free book publicity by connecting you with key people media schools and the publications of nonprofit agencies As a writer you can promote your own book and earn free book publicity by connecting key people media and nonprofits newsletters with schools Social intelligence used in book promotion is like a three ring circus. Use empathy that is people smarts as a catalyst to bring together schools nonprofit agencies and authors Observe simplify and offer commitment as charisma Query editors of nonprofit publications These nonprofit agencies often publish high circulation newsletters and sometimes also publish sizable glossy magazines Some produce videos or documentaries To connect with the nonprofit agencies editors use your social intelligence skills to make connections in the nonprofit agencies public relations and communications departments Join public relations societies national associations and help out the nonprofit agencies or organizations of your choice focusing on what gets published in their magazines or newsletters If you want to earn free publicity for your book supply these editors with facts findings and trends Bring the nonprofits in contact with schools When you talk to school assemblies or classrooms relate your book topic to any specific work or project done by a nonprofit association for whom you could write an article for that association s newsletter or glossy magazine Use social intelligence to connect to people What you need to earn free publicity is self awareness and an understanding of how the main topic of your book influences your own behavior and how others perceive your behavior Heart.
