The Ibis ,1910 On Leopard Rock Wilbur Smith, 2018-05-01 The first ever memoir from the Number One global bestselling adventure author Wilbur Smith has lived an incredible life of adventure and now he shares the extraordinary true stories that have inspired his fiction I've been writing novels for over fifty years I was lucky enough to miss the big wars and not get shot but lucky enough to grow up among the heroes who had served in them and learn from their example I have lucked into things continuously I have done things which have seemed appalling at the time disastrous even but out of them have come another story or a deeper knowledge of human character and the ability to express myself better on paper write books which people enjoy reading Along the way I have lived a life that I could never have imagined I have been privileged to meet people from all corners of the globe I have been wherever my heart has desired and in the process my books have taken readers to many many places I always say I've started wars I've burned down cities and I've killed hundreds of thousands of people but only in my imagination From being attacked by lions to close encounters with deadly reef sharks from getting lost in the African bush without water to crawling the precarious tunnels of gold mines from marlin fishing with Lee Marvin to near death from crash landing a Cessna airplane from brutal schooldays to redemption through writing and falling in love Wilbur Smith tells us the intimate stories of his life that have been the raw material for his fiction Always candid sometimes hilarious and never less than thrillingly entertaining On Leopard Rock is testament to a writer whose life is as rich and eventful as his novels are compellingly unputdownable

Cheke, Clive F. Mann, 2025-06-12

This is a gorgeous book about some of the world's most gorgeous birds JARED DIAMOND Sunbirds are among the most striking of all bird groups their dazzling iridescent plumage and long curved bills are conspicuous when the birds visit garden flowers on sunny days to feed on nectar Some species especially the females are duller in appearance and harder to spot feeding mostly on insects high up in forest canopies Spiderhunters as their name suggests feed extensively on spiders while sunbirds other close relatives the flowerpeckers are especially partial to mistletoe berries This book is the last word on sunbird identification ecology and behaviour Now in its second edition it has been fully revised and updated to reflect the many developments that have occurred in sunbird taxonomy as well as the new research that has been published on their biology It covers all 218 currently recognised species providing details of key identification features voice habitat distribution conservation status movements food and behaviour New colour art by award winning artist Richard Allen has been added and hundreds of high quality colour photographs beautifully capture every species Maps accurately depict geographical distributions of each taxon to subspecies level This beautiful book is the definitive reference to the sunbirds flowerpeckers

spiderhunters and sugarbirds of the world and is essential reading for researchers birders and conservationists alike

Lockestep Jack Barnao, 2014-04-01 A former British SAS agent turned Toronto bodyguard is hired by the Mounties to accompany a drug dealer to Mexico in this hard boiled crime thriller Professional bodyguard John Locke is in no mood to babysit Greg Amadeo a drug dealer turncoat who wants to visit his wife in Mexico collect some cash and settle debts before testifying in the States but how can Locke pass up the warm climate lovely ladies and a quick buck Amadeo has a trick up his sleeve that may cause Locke to come back in a body bag if he does not use all the skills he learned in the British army s SAS elite corps With an appreciation for the more civilized aspects of life Locke finds the fishing village Zihuatanejo right up his alley with two of his favorite things fine women and tasty food but there are just too many bullets flying around for Locke s peace of mind Praise for Lockestep Locke is a hero midway between Bond and Spenser large hearted and educated sensitive and physically very fit The Mexican background is pleasingly vivid and Barnao delivers a thriller Publishers Weekly *The Birds of Singapore Island* Sir John A. S. Bucknill, Frederick Nutter Chasen, 1927 *The Ice Lion* Kathleen O'Neal Gear, 2022-04-12 Teen members of a group of archaic humans Lynx and Quiller flee the increasing coldness and monstrous predators for a new land where they meet a strange old man who tells them how to save the world [Greenie'S Path](#) Greenie, 2011-10-26 Greenies Path The Search for Christopher Hiltaychuk presents a unique look at an adopted child's life told from the child's perspective It is also a testament to the people who chose to take the challenge of raising another's child as their own and loving that child as much as any birth parent could if not more Author Greenie is grateful for the loving care that his adoptive parents gave him but he is also naturally very curious about the people who gave him up for adoption Greenie is intrigued by the knowledge that there are people in this world with the same genetic history as his people with whom he shares an unspoken bond He describes his life thoughts and feelings for his birth parents the people who felt their own world and circumstances were not ideal for raising a child at that time He considers whether they ever wondered what happened to one of their own one of their brothers uncles or grandchildren Greenies Path is the true story of the path his life has taken the man he has become No matter what paths lay ahead Greenies Path captures that need for a sense of belonging to a family is such an integral foundation to their success in the world *The Living Deserts of Southern Africa* Barry Lovegrove, 2021-09-01 For generations the deserts of southern Africa have intrigued scientists and travellers alike Seemingly barren wastes they in fact teem with life from ants to elephants stone plants to the curious welwitschia dainty dik diks to towering gemsbok and cart wheeling spiders to fog basking beetles How do they cope with scarce resources unpredictable rainfall and extreme temperatures How do they protect themselves against predators And what is the impact of climate change on these life forms and their habitats Drawing on an earlier edition published in 1993 biologist Barry Lovegrove answers these questions and unravels many of the mysteries associated with life in the desert He describes the four arid biomes of South Africa Namibia and Botswana Desert Arid Savanna Succulent Karoo and Nama Karoo and explains how and

why such a great diversity of plants insects mammals reptiles and birds successfully exist in these regions The text is supported by the most recent research spectacular photographs and explanatory diagrams and maps The Living Deserts of Southern Africa is a compelling in depth read that is accessible to both the serious student and academic as well as the interested nature lover Sales points A fully revised and updated edition of a classic text 1993 on southern Africa s desert zones highly readable entertaining and informative that draws on the latest scientific research covers the desert regions of South Africa Namibia and Botswana stunning full colour photographs support the text **Sunbirds** Clive F. Mann, Robert A. Cheke, 2010-07-30 Sunbirds is the first book since the 19th Century to cover in detail all the world s sunbirds and spiderhunters the Nectarinidae It also includes the allied families of flowerpeckers and sugarbirds a total of 176 species is described and illustrated The book has been designed to help readers identify all of these species and also their various subspecies the most distinctive of which are illustrated as well as described Each species account provides a distribution map a summary of identification criteria and a description of how the species differs from similar ones The calls and songs habitat geographical distribution status movements food including a list of known food plants habits and breeding biology are also described Finally a full description of the species and salient features of each subspecies is given together with measurements and references Sunbirds not only aids identification it provides a wealth of information on the ecology and behaviour of these birds The authors have carried out extensive fieldwork in Asia and Africa They have also studied skins nests and eggs held by museums analysed tape recordings and critically reviewed the vast amount of material contained in books and scientific journals The superb plates would not have been possible without the exhaustive study of specimens which together with the use of photographs of living birds has resulted in the artist Richard Allen capturing the essence of the birds their jizz and accurately portraying the beautiful bright often iridescent plumages of these spectacular families
