MEDITATIONS ON  
GAY MEN'S SPIRITUALITY

DONALD L. BOISVERT

# Out On Holy Ground Meditations On Gay Mens Spirituality

**Bernard Schlager, David Kundtz**

## **Out On Holy Ground Meditations On Gay Mens Spirituality:**

Out on Holy Ground Donald L. Boisvert, 2000 Is gay spirituality a genuine type of religious expression or is it simply another example of identity politics Since the onset of the AIDS epidemic that has disproportionately struck their community gay men have published a wide range of materials from autobiographies to theologies that ask What is gay spirituality as a religious expression in North America The first book to weave together these various strands into an organized response Out On Holy Ground culls information from diverse sources both within and outside religious institutions Gay scholar Donald Boisvert presents his findings topically as theology myths and symbols rituals and spiritual culture to paint a compelling portrait of gay spirituality as a serious cultural expression Out On Holy Ground takes the conversation about gay spirituality to the next level so we can understand spirituality as a pivotal factor in the development of gay identity **Men, Homosexuality, and the Gods** Ronald Long, 2013-02-01 Compare worldwide religious regulations involving gay sex and masculinity Men Homosexuality and the Gods An Exploration into the Religious Significance of Male Homosexuality in World Perspective is an eye opening look at the traditions of particular religions and their edicts concerning gay sex This book examines the origins of holy directives involving homosexuality whether forbidden tolerated or mandatory and establishes a link between theology sex roles and the sensitive issue of masculinity This text draws a parallel between homosexuality and the idea of religion suggesting that gay rights can be understood as a freedom of religion issue While most readers are familiar with the traditional Islamic Christian and Hebrew prohibitions against sex between two males this book also reveals other historic religions from around the world that neither opposed nor looked down on homosexuality Men Homosexuality and the Gods argues that masculinity is the universal theme that formed historical interpretation warriors and men of high status could not be sexually receptive or feminine and still be called men This intriguing text shows how the modern homophile movements are in effect redefining masculinity to obliterate the stigma of being a sexually receptive man Men Homosexuality and the Gods examines the significance of homosexuality in such religions as the Sambians of New Guinea the Taoists of Ancient China Plato and the later Stoics Islamic Sufism Native American culture Hebrew Scriptures early Christianity Buddhism Men Homosexuality and the Gods is an enlightening book that honors homosexual claims to moral integrity and appreciates religion and religious figures without rancor Easy to read and free of technical language this volume is for anyone who has an academic professional or personal interest in theology and homosexuality The author is available for speaking engagements and can be contacted at Ronldlong aol com *Homosexuality and Religion* Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes

and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality Gay Catholic Priests and Clerical Sexual Misconduct Donald Boisvert, Robert Goss, 2021-03-04 Why did it take 30 years for American bishops to listen to the victims of Catholic clerical abuse Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence is a compelling indictment of Roman Catholic teachings on homosexuality and sexuality Inspired by The Silence of Sodom Homosexuality in Modern Catholicism Mark Jordan s controversial examination of homoeroticism in American Catholic culture this groundbreaking book examines how the current crisis of clerical abuse affects and stigmatizes gay priests living in a climate of hysteria and condemnation The book s contributors an eclectic mix of scholars and clerics question whether the church can survive centuries of secrets and scandals In the wake of very real concerns about a possible inquisition launched by the Catholic Church against its gay members Gay Catholic Priests and Clerical Sexual Misconduct continues the efforts of the Gay Men s Issues in Religion Group of the American Academy of Religion to honor the work of Mark Jordan who contributes his thoughts on the issues raised by the book A panel of former Jesuits a former seminarian with the Congregation of the Blessed Sacrament a Dominican a Franciscan and several feminist authors present different perspectives on gay priests clerical ecclesial misogyny games of power and abuse and religious scapegoating writing with eloquence and pain a great deal of pride and a touch of justifiable divine righteousness Gay Catholic Priests and Clerical Sexual Misconduct includes Celibate Men Ambivalent Saints and Games of Desire A Call to Liberation of Gay Catholic Clergy Speaking Loud or Shutting Up The Homosexual type Problem Those Troubling Gay Priests Catholicism and a Crisis of Intimate Relations and much more Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence is an invaluable resource for academics members of the clergy seminarians chaplains and counselors and anyone interested in homosexuality and religion **More than a Monologue: Sexual Diversity and the Catholic Church** J. Patrick Hornbeck II, Michael A. Norko, 2014-03-03 This volume like its companion Voices of Our Times collects essays drawn from a series of public conferences held in autumn 2011 entitled More than a Monologue The series was the fruit of collaboration among four institutions of higher learning two Catholic universities and two nondenominational divinity schools The conferences aimed to raise awareness of and advance informed compassionate and dialogical conversation about issues of sexual diversity within the Catholic community as well as in the broader civic worlds that the Catholic Church and Catholic people inhabit They generated fresh rich sets of scholarly and reflective contributions that promise to take forward the delicate work of theological ethical and ecclesial development Along with Voices of Our Times this volume captures insights from the conferences and aims to foster what the Jesuit Superior General Fr Adolfo Nicolas has called the depth of thought and imagination needed to engage effectively with complex realities especially in areas marked by brokenness pain and the need for healing The volumes will serve as vital resources for understanding and addressing better the too often fraught relations

between LGBTQ lesbian gay bisexual transgender and queer persons their loved ones and allies and the Catholic community Inquiry Thought and Expression explores dimensions of ministry ethics theology and law related to a range of LGBTQ concerns including Catholic teaching its reception among the faithful and the Roman Catholic Church's significant role in world societies Within the volume a series of essays on ministry explores various perspectives not frequently heard within the church Marriage equality and the treatment of LGBTQ individuals by and within the Roman Catholic Church are considered from the vantage points of law ethics and theology Themes of language and discourse are explored in analyses of the place of sexual diversity in church history thought and authority The two volumes of More than a Monologue like the conferences from which they developed actively move beyond the monologic voice of the institutional church on the subject of LGBTQ issues inviting and promoting open conversations about sexual diversity and the church Those who read Inquiry Thought and Expression will encounter not just an excellent resource for research and teaching in the area of moral theology but also an opportunity to actively listen to and engage in groundbreaking discussions about faith and sexuality within and outside the Catholic Church

*Men and Masculinities in Christianity and Judaism* Bjorn Krondorfer, 2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men's privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study

*Queer Religiosities* Melissa M. Wilcox, 2020-02-17 *Queer Religiosities* is the first comprehensive comparative and globally focused introduction to queer and transgender studies in religion Addressing sophisticated topics in clear and accessible language award winning teacher and scholar Melissa M Wilcox brings her engaging lecture style into conversation with the work of scholars around the globe to welcome students into these rapidly growing fields Following an introduction to key concepts in religious studies queer studies and transgender studies and an overview of the history of transgender and queer studies in religion thematic chapters address the topics of stories conversations practices identities communities and politics and power This inherently comparative organization helps readers to understand the details and complexities of religions genders and sexualities as they are lived out around the world Additional resources include study questions discussion questions suggestions for further reading a glossary an annotated filmography and a selected bibliography to encourage further study

*Gays and Grays* Donal Godfrey, 2008-04-01 This book tells the story of a unique Catholic Parish Most Holy Redeemer Parish in San Francisco The story tells how the original parishioners the gray accepted the new gay community especially in response to the AIDS epidemic

*Gay Religion* Scott Thumma, Edward R. Gray, 2004-12-10 Conflicts over homosexuality and gay rights threaten to break apart denominations if not North American society These heated theological and political

debates have as well obscured the fact that many gays and lesbians are religiously active individuals Gay Religion is the first book to give a straightforward presentation of the spiritual lives practices and expressions of gays lesbians bisexuals and transgender Drawing from a wide range of religious traditions new and established scholars explore the range of gay religious expression in denominations sects and even outside recognized religious institutions The essays ask what these religious innovations mean to the continually evolving religious environment of North America With its helpful section introductions and an appendix providing profiles of organizations involved Gay Religion is a unique and compelling resource for anyone interested in homosexuality and American religion **Living Out Sexuality and Faith** Joseph N.

Goh,2017-12-15 Sexuality religion and faith often have complex and conflicting interactions on both personal and societal levels Numerous studies have been conducted on queer subjects but they have predominantly focused on Western expressions of faith and queer identities This book contributes to the wider scholarship on queer subjects by drawing on actual lived experiences of self identifying gay and bisexual men in Malaysia It discusses what we can learn from the realities of their lives that intersect with their religious spiritual theological or humanistic values in an Asian context Analysed within the critical frameworks of queer theory and queer sexual theology this study divulges the meanings ascribed to sexual identities and practices as well as conceptualisations of masculinity sexual desire love and intimate physical connections It also lays bare the complex negotiations between gender desire and spirit and how they can affect one another Tying fascinating case studies and underexplored Asian theologies with wider conversations around sexuality and faith this book will be of significant interest to scholars working in religious studies theology queer studies sexuality studies and Asian studies **Contemporary Christianity and LGBT Sexualities** Stephen Hunt,2016-05-13 The subject of gay and lesbian

sexuality is perhaps the most vexed issue in the contemporary Christian Church Many churches have been forced to confront the matter both theologically and pastorally and in consequence controversies have proved divisive within the Church most notably between conservative and liberal orientated denominations as well as evangelical churches This book explores these themes from a sociological perspective addressing not only gay and lesbian sexualities but also bi and transgendered sexualities With rich empirical material being presented by a team of experts this book constitutes the first comprehensive sociological study of non hetero sexualities in relation to contemporary Christianity As such it will appeal to sociologists scholars of religion and theology as well as readers across a range of social sciences **Ministry Among God's Queer**

**Folk, Second Edition** Bernard Schlager,David Kundtz,2019-01-21 This practical pastoral care handbook written by two self described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient

education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care

**The Therapist's Notebook for Integrating Spirituality in Counseling II** Karen B. Helmeke, Catherine Ford Sori, 2014-05-12 More activities to tap into the strength of your clients spiritual beliefs to achieve therapeutic goals The Therapist's Notebook for Integrating Spirituality in Counseling II is the second volume of a comprehensive two volume resource that provides practical interventions from respected experts from a wide range of backgrounds and theoretical perspectives This volume includes several practical strategies and techniques to easily incorporate spirituality into psychotherapy You'll find in session activities homework assignments and client and therapist handouts that utilize a variety of therapeutic models and techniques and address a broad range of topics and problems The chapters of The Therapist's Notebook for Integrating Spirituality in Counseling II are grouped into four sections Models of Therapy Used in Integrating Spirituality Integrating Spirituality with Age Specific Populations Children Adolescents and the Elderly Integrating Spirituality with Specific Multicultural Populations and Involving Spirituality when Dealing with Illness Loss and Trauma As in Volume One each clinician friendly chapter also includes sections on resources where the counselor can learn more about the topic or technique used in the chapter as well as suggested books articles chapters videos and Web sites to recommend to clients Every chapter follows the same easy to follow format objectives rationale for use instructions brief vignette suggestions for follow up contraindications references professional readings and resources and bibliotherapy sources for the client The Therapist's Notebook for Integrating Spirituality in Counseling II adds more useful activities and homework counselors can use in their practice such as using religion or spirituality in solution oriented brief therapy Cast of Character counseling using early memories to explore adolescent and adult spirituality cognitive behavioral treatment of obsessive compulsive disorder age specific clients such as children or the elderly multicultural populations and spirituality dealing with illness loss and trauma recovering from fetal loss creative art techniques with caregivers in group counseling and much more The Therapist's Notebook for Integrating Spirituality in Counseling II provides even more creative and helpful homework and activities that are perfect for pastoral counselors clergy social workers marriage and family therapists counselors psychologists Christian counselors educators who teach professional issues ethics counseling and multicultural issues and students

New Approaches in History and Theology to Same-Sex Love and Desire Mark D. Chapman, Dominic Janes, 2018-02-15 This book offers a range of interdisciplinary evaluations of the history of same sex relationships in the Church as they have been understood in different periods and contexts The relationships between diverse forms of religious and sexual identities have been widely contested in the media since the rise of the lesbian and gay liberation movement in the 1970s One of the key images that often appears in public

debate is that of lesbians and gays in the Church as a significant problem Research over the past forty years or so into queer theology and the history of same sex desire has shown that such issues have played an important role in the story of Christianity over many centuries The contributors to this volume have all been inspired by the challenges of such revisionist study to explore religion and same sex desire as a field of opportunity for investigation and debate They uncover some of the hidden histories of the Church and its theologies they tell sometimes unexpected stories many of which invite serious further study It is quite clear through history that some in the churches have been at the vanguard of legislative and social change Similarly some churches have offered safe queer spaces Overall these essays offer new interpretations and original research into the history of sexuality that helps inform the contemporary debate in the churches as well as in the academy

Soulfully Gay Joe Perez, 2007-05-08 *Soulfully Gay* is a personal memoir of an intellectually rigorous gay man wrestling with fundamental issues of meaning and self acceptance Joe Perez finds himself on a quest to understand what it means to be gay at the intersection of conflicts between homosexuality and Christianity faith and skepticism mysticism and madness His journey unfolds amid challenges to his health as a recovering addict a survivor of a psychotic episode and a man living with AIDS Joe is able to integrate seemingly contradictory elements his Roman Catholic upbringing versus his openly gay lifestyle his authentic mystical experiences versus the delusions for which he was hospitalized With a solid understanding of theology and an ability to see through the veils of political correctness Joe brings a new level of intellect and understanding to the challenges of being a gay man      *New SCM Dictionary of Christian Spirituality* Philip Sheldrake, 2013-05-20 This dictionary attempts to give direct access to the development of Christian Spirituality It is a series of pieces written by experts to provide instant accurate and thought provoking information of high scholarship      *Male Homosexualities and World Religions* P. Hurteau, 2013-11-07 The interest of this book lies at the very center of a recent deployment of homosexual liberation on a larger scale The reader will be able to understand how each of the traditions studied articulates its own regulatory mechanisms of male sexuality in general and homosexuality      *God vs. Gay?* Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages *EDGE* The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold

dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one      **Singing Out** Heather MacLachlan,2020-12-01 Can you change the world through song This appealing idea has long been the professed aim of singers who are part of choruses affiliated with the Gay and Lesbian Association of Choruses GALA Theses choruses first emerged in the 1970s and grew out of a very American tradition of often gender segregated choral singing that explicitly presents itself as a community based activity By taking a close look at these choruses and their mission Heather MacLachlan unpacks the fascinating historical and cultural dynamics behind groups that seek to change society for the better by encouraging acceptance of LGBT identified people and promoting diversity more generally She characterizes their mission as integrationist rather than liberationist and zeroes in on the inherent tension between GALA s progressive social goals and the fact that the music most often performed by GALA groups is deeply rooted in a fairly narrowly conceived tradition of art music that identifies as white Euro centric and middle class and that much of the membership identifies as white and middle class as well Pundits often wax eloquent about the power of music asserting that it can in some positive way change the world Such statements often rest on an unexamined claim that music can and does foster social justice Singing Out GALA Choruses and Social Change tackles the premise underlying such claims analyzing groups of amateur singers who are explicitly committed to an agenda of social justice

The Advocate ,2001-06-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

## The Enigmatic Realm of **Out On Holy Ground Meditations On Gay Mens Spirituality**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
