Martin, 2012-03 Designing and Managing Programs An Effectiveness Based Approach Fourth Edition is an updated version of THE classic book on program planning design and implementation This new edition is written in a deliberate manner designed to help students logically follow the program planning process Students will learn to track one phase to the next resulting in a solid understanding of the issues of internal consistency and planning integrity The book s format guides students from problem analysis through evaluation enabling them to apply these concepts to their own program plans

Outcomes Measurement in the Human Services Edward J. Mullen, 1997 Measuring the results of interventions is an essential component of practice today This book explains why measuring outcomes is crucial to the development of social work as a discipline and a knowledge base

Diversity Issues in the Diagnosis, Treatment, and Research of Mood Disorders Sana Loue, Martha Sajatovic, 2007-11-26 Mood disorders like depression bipolar disorder and dysthymia are common psychological illnesses that occur worldwide and across the life span There is a growing consensus among mental health clinicians and researchers that culture and cultural context are often key determinants in mood disorder prevention and outcome It have become increasingly apparent that an appropriate understanding of culture is essential for treatments to be effective and for optimal outcomes to be obtained by individuals suffering from these conditions This text focuses on cross cultural issues arising in the context of diagnosis treatment and research of mood disorders within diverse populations of the United States With specific case examples to supplement the topics reviewed in each chapter this important volume will be of great interest to all clinicians and researchers working in the area of mood disorders

Designing and Managing Programs Peter M. Kettner, Robert M. Moroney, Lawrence L. Martin, 2022-09-30 This classic text for social work and human services helps readers grasp the meaning and significance of measuring performance and evaluating outcomes Hands on and practical Designing and Managing Programs incorporates the principles of effectiveness based planning as it addresses the steps of designing implementing and evaluating a human services program at the local agency level Written by leaders in the field it guides students through the process from beginning to end Meaningful examples from problem analysis and needs assessment to evaluating effectiveness and calculating costs enhance reader understanding of how concepts are implemented in the real world The Sixth Edition contains new examples and references and updates based on changes to federal regulations An instructor website includes essay questions PowerPoint slides and suggested assignments designed by the authors

Human Services Management David M. Austin, 2002 This book assists participants in human service organizations in understanding the dynamics that are

shaping such organizations Austin's comprehensive analysis of human services management examines the historical development and program structures of such organizations their stakeholders including users personnel funders and policy boards and the organizational processes of accountability and dealing with change *Family Health* John T. Pardeck, Francis K. O. Yuen, 1999-05-30 The profession of social work has since its inception stressed the importance of the family system in practice and policy development Even though the family has always been central to effective social work practice the framing of the family system from a holistic health perspective is new to the field This collection develops a family health perspective that will facilitate effective social work practice and policy development Family health is an emerging practice orientation within the field of social work A family health orientation practice utilizes a holistic approach that examines family strength and stress inside and outside the family system How families perceive these conditions and their ability to adapt and change will greatly determine how concerns are managed by the family system A critical role of the social work practitioner is to help families deal with these pressures at both the micro and macro levels The family health perspective examined in this collection deals with assessment and intervention through a family health approach research and evaluation on family health family health and cultural diversity family health and social policy and social service delivery through a family health approach **Social Work Practice with Individuals and Families** Michael J. Holosko, Catherine N. Dulmus, Karen M. Sowers, 2012-12-27 A lifespan approach presenting evidence informed interventions for working with individuals and families Social Work Practice with Individuals and Families covers assessment of and intervention with children adolescents adults the elderly and families It offers an array of pedagogical features within each chapter as well as online resources and review questions at the conclusion of each chapter to help guide critical thinking about topics Reflecting the current state of evidence informed social work practice each chapter's contributors emphasize the incorporation of wider forms of systematically collected data such as case studies best or promising practices and consumer focused data Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice Comprehensive and insightful Social Work Practice with Individuals and Families is a student and practitioner friendly text identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges **Boundary Spanning** Toba Schwaber Kerson, 2002 This book includes critical information regarding the systems and organizations in which social workers practice the nature of the relationship between social workers and clients consumers communities planning contracting and strategizing functions intervention techniques using advocacy brief work case management and group work and evaluation **Clinical Data-Mining** Irwin Epstein, 2010 Clinical Data Mining CDM involves the conceptualization extraction analysis and interpretation of available clinical data for practice knowledge building clinical decision making and practitioner reflection Depending upon the type of data mined CDM can be qualitative or quantitative it is generally retrospective but may be

meaningfully combined with original data collection Any research method that relies on the contents of case records or information systems data inevitably has limitations but with proper safeguards these can be minimized Among CDM s strengths however are that it is unobtrusive inexpensive presents little risk to research subjects and is ethically compatible with practitioner value commitments When conducted by practitioners CDM yields conceptual as well as data driven insight into their own practice and program generated questions This pocket guide from a seasoned practice based researcher covers all the basics of conducting practitioner initiated CDM studies or CDM doctoral dissertations drawing extensively on published CDM studies and completed CDM dissertations from multiple social work settings in the United States Australia Israel Hong Kong and the United Kingdom In addition it describes consulting principles for researchers interested in forging collaborative university agency CDM partnerships making it a practical tool for novice practitioner researchers and veteran academic researchers alike As such this book is an exceptional guide both for professionals conducting practice based research as well as for social work faculty seeking an evidence informed approach to practice research integration

A Century of Social Work and Social Welfare at Penn Ram A. Cnaan, Melissa E. Dichter, Jeffrey Draine, 2008-10 The University of Pennsylvania School of Social Policy and Practice is an acknowledged leader in cultivating theoretical and practical social work knowledge Celebrating the School s centennial this volume heralds the progressive thinking of its leaders and students while setting the stage for the next century of work at the frontier of the field Following the School s approach the book upholds the core values of social work a clear understanding and respect for the past analysis of current and professional issues a vision of the future that reflects a commitment to social change and the dissemination of knowledge on local national and global issues The intellectual history of the School s founders faculty and students is reconstructed through an extensive collection of articles on a variety of social work themes that employ both data based research and theoretical analysis The volume contains key contributions from practitioners affiliated with the School from the early pioneers in 1908 to recent alumni and current faculty in 2008 A Century of Social Work and Social Welfare at Penn will be an enduring resource for scholars and historians of social work and social welfare as well as a point of reference and pride for those influenced by the achievements of the School s faculty and students

Fostering Accountability Mark F. Testa, John Poertner, 2010-02-08 Fostering Accountability presents a model of child welfare decision making that holds public officials answerable for the integrity and validity of the actions they take on behalf of the children and families in their care It operationalizes the concept of results oriented accountability which demands that administrators and practitioners show valid evidence of their success in improving child and family outcomes not merely demonstrate mechanical procedural compliance Drawing on the experiences of directors staff and evaluators this timely and practical book describes the emergence of results oriented accountability in child welfare with a special focus on the editors role in establishing a university agency research partnership under a federal consent decree Chapters elaborate on the five successive stages of the results oriented

accountability framework outcomes monitoring data analysis research review evaluation and quality improvement and provide examples of applications of each stage for agency managers By refocusing the emphasis on developing policies based on agency data instead of purely reactive approaches that grasp at solutions and often fall short Fostering Accountability guides administrators in monitoring outcomes using evidence to select interventions to enhance results and applying management strategies to evaluate and improve these efforts The result is a pragmatic implementation guide for administrators seeking to bring safety stability continuity permanence and well being to the lives of abused and neglected children in the United States

Research Skills for Social Work Andrew Whittaker,2012-06-22 Social Work students often find research an intimidating and complex area of study with many struggling to understand the core concepts and their application to practice This book presents these concepts in an accessible and user friendly way Key skills and methods such as literature reviews interviews and questionnaires are explored in detail while the underlying ethical reasons for doing good research underpin the text For this second edition new material on ethnography is added Pragmatic Program Evaluation for Social Work Allen Rubin,2020-07-23 This textbook balances methodological rigor with the practicalities of becoming a successful evaluator in service oriented settings *Social Work Health and Mental Health* Steven P.

Segal,2014-01-02 Rise to today s challenges with these innovative and helpful value based solutions Containing important research based insights into social work practice in these fields Social Work Health and Mental Health Practice Research and Programs provides unique perspectives on shared practice problems from around the world offering new solutions to the dilemmas practitioners face every day such as reduced reliance in inpatient residential service provision increased reliance on economics in the era of managed care the move toward multidisciplinary service provision the growing awareness of diversity of needs and the cultural requirements of providing effective services Social Work Health and Mental Health Practice Research and Programs provides unique international perspectives on real world social work practice issues including ways to use your social work skills to solicit organ tissue donation for transplants how a social work directed community organization affected change in health behaviors in East Harlem New York a look at how to promote psychosocial well being following a diagnosis of cancer a survey of what mental health services Hong Kong elderly feel they need and what they now receive an examination of the role of demographics and social support in clinician and patient related compliance among HIV AIDS patients a discussion of the appropriateness of hospice services for non English speaking patients and much more Health Promotion in Practice Sherri Sheinfeld Gorin,Joan Arnold,2008-03-11 Health Promotion in Practice is a

practice driven text that translates theories of health promotion into a step by step clinical approach for engaging with clients The book covers the theoretical frameworks of health promotion clinical approaches to the eleven healthy behaviors eating well physical activity sexual health oral health smoking cessation substance safety injury prevention violence prevention disaster preparedness organizational wellness and enhancing development as well as critical factors shaping the

present and the future of the field Written by the leading practitioners and researchers in the field of health promotion Health Promotion in Practice is a key text and reference for students faculty researchers and practitioners Finally a signature book in which practitioners of health promotion will find relevant guidance for their work Sherri Sheinfeld Gorin and Joan Arnold have compiled an outstanding cast of savvy experts whose collective effort has resulted in a stunning breadth of coverage Whether you are a practitioner or a student preparing for practice this book will help you to bridge the gap between theory and practice driven empiricism John P Allegrante professor of health education Teachers College and Mailman School of Public Health Columbia University The models of health promotion around which Health Promotion in Practice is built have a sound basis in current understanding of human development the impact of community and social systems and stages of growth development and aging This handbook can provide both experienced health professionals and students beginning to develop practice patterns the content and structure to interactions that are truly promoting of health

Kristine M Gebbie Dr P H R N Columbia University School of Nursing **Urban Problems and Community Development** Ronald F. Ferguson, William T. Dickens, 2011-01-01 In recent years concerned governments businesses and civic groups have launched ambitious programs of community development designed to halt and even reverse decades of urban decline But while massive amounts of effort and money are being dedicated to improving the inner cities two important questions have gone unanswered Can community development actually help solve long standing urban problems And based on social science analyses what kinds of initiatives can make a difference This book surveys what we currently know and what we need to know about community development s past current and potential contributions The authors economists sociologists political scientists and a historian define community development broadly to include all capacity building including social intellectual physical financial and political assets aimed at improving the quality of life in low to moderate income neighborhoods The book addresses the history of urban development strategies the politics of resource allocation business and workforce development housing community development corporations informal social organizations schooling and public security

Contemporary Field Social Work Mark Doel, Steven M Shardlow, Steven Shardlow, Paul G. Johnson, 2010-06-29 This text bridges the gap by offering learning activities that can be worked in both settings The book is divided into four main parts that accounts for the major areas of social work practice Part I covers the foundations of practice including self awareness and knowing and learning about the community within one will practice The second part deals with direct practice and covers individual assessment and group work The third part focuses on agency practice and finally the last part covers special issues for consideration including multicultural practice law informed practice ethics specialist and comparative practice **Social Work in the Health Field** Lois A Cowles, 2012-10-12 This book provides an introduction to social work practice in the field of health care It addresses both physical and mental health examines various settings such as primary care home care hospice and nursing and also provides histories of social work practice in traditional industry segments

The Affordable Care Act and Integrated Behavioural Health Care Ford H. Kuramoto, Francis K.O. Yuen, 2017-10-02

This book provides a scholarly discussion of arguably the most important advance in U S public health services since Medicare 50 years ago how the Federal program known as the Patient Care and Affordable Care Act of 2010 ACA or Obamacare became law It addresses ACA in terms of its impact on improving health and behavioural health services for key diverse populations in America including people with disabilities consumers women racial and ethnic minorities and veterans and their families From the very beginning ACA was controversial and the topic of heated political debate at both state and national levels This book examines more closely how the legislation was developed including the political history of the act the many advocacy efforts at the national level and the community based action strategies at the grassroots level how ACA will affect a broad cross section of America the integration of health and behavioural health services as a key component of ACA the financing of ACA and parity for behavioural health services This book was originally published as a special issue of the Journal of Social Work in Disability Rehabilitation
