The Reader's Eye Ellen J. Esrock, 1994 Drawing on substantive research from various disciplines Ellen Esrock shows that the reader's visual imagery can have unique cognitive and affective consequences that heighten not only the experience of reading but also the scholarly study of literature In exploring the familiar problem of reader response Ellen Esrock shifts the emphasis to visual response asking what it is that readers see in the mind's eye as they read She poses questions in as clear a form as possible surveys the most important answers provided by literary and psychological scholarship and suggests directions for further research and reflection The Reader's Eye is a quite original book W J T Mitchell University of Chicago

Native Southerners Gregory D. Smithers, 2019-03-28 Long before the indigenous people of southeastern North America first encountered Europeans and Africans they established communities with clear social and political hierarchies and rich cultural traditions Award winning historian Gregory D Smithers brings this world to life in Native Southerners a sweeping narrative of American Indian history in the Southeast from the time before European colonialism to the Trail of Tears and beyond In the Native South as in much of North America storytelling is key to an understanding of origins and tradition and the stories of the indigenous people of the Southeast are central to Native Southerners Spanning territory reaching from modern day Louisiana and Arkansas to the Atlantic coast and from present day Tennessee and Kentucky through Florida this book gives voice to the lived history of such well known polities as the Cherokees Creeks Seminoles Chickasaws and Choctaws as well as smaller Native communities like the Nottoway Occaneechi Haliwa Saponi Catawba Biloxi Chitimacha Natchez Caddo and many others From the oral and cultural traditions of these Native peoples as well as the written archives of European colonists and their Native counterparts Smithers constructs a vibrant history of the societies cultures and peoples that made and remade the Native South in the centuries before the American Civil War What emerges is a complex picture of how Native Southerners understood themselves and their world a portrayal linking community and politics warfare and kinship migration adaptation and ecological stewardship and how this worldview shaped and was shaped by their experience both before and after the arrival of Europeans As nuanced in detail as it is sweeping in scope the narrative Smithers constructs is a testament to the storytelling and the living history that have informed the identities of Native Southerners to our day

North Carolina's Outer Banks Karen Bachman, *Do-Good Boy* Jerry Bledsoe, 2017-07-05 In 1960 at age 18 future bestselling author Jerry Bledsoe Bitter Blood The Angel Doll told an Army recruiter that he wanted to be an artist This was his lucky day the recruiter informed him The Army had the best art school in the world But after being sworn in Bledsoe was pulled aside by a major and informed that no Army art school existed He was being assigned instead to Information School Although Bledsoe who had flunked high school English for failure to write book reports and term papers had no idea what this unexpected decision entailed it would set the direction for the rest of his life

Bledsoe limits this warm deeply personal and often humorous memoir to the turbulent 60s which he began as a psychological warfare writer in the early stages of the Vietnam War His Army experiences led him to become a newspaper reporter and columnist thrusting him into the major stories of the decade and leading him to meet and write about hosts of remarkable and engaging people including a relatively unknown musician named Jimi Hendrix who was opening for the Monkees comedy legend Brother Dave Gardner and civil rights leader Ben Elton Cox From moments of true Catch 22 absurdities in the Army to historic events of the civil rights movement Do Good Boy gives its readers an insider s view as a young author discovers his calling
