Outgrowing the Ingrown Church C. John Miller, 1986 This is a book for pacesetters church leaders who desire to help their churches break free of the things that turn them in on themselves It is a masterly mix of biblical principle objective analysis and personal experience *Outgrowing the Ingrown Church* C. John Miller, 1986 *Reframing Spiritual Formation* Edward H. Hammett, 2002 Reframing Spiritual Formation takes seriously the realities of an increasingly secular pluralistic and spiritually thirsty population base most churches face with fear yet are called to reach and disciple Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched who are seeking grounding and meaning in this rapidly changing world **Timothy Keller** Collin Hansen, 2023-02-07 The untold story of the people the books the lectures and ultimately the God who formed and shaped the life of the late Timothy Keller Millions have read books and listened to sermons by Timothy Keller But who impacted his own thinking and what shaped his spiritual growth and ministry priorities With access to Keller s personal notes and sermons as well as interviews with family members and longtime friends Collin Hansen takes readers behind the scenes of one of the 21st century s most influential church leaders For the first time Hansen introduces readers to Keller s early years the home where he learned to tell stories from the trees the church where he learned to care for souls and the city that lifted him to the international fame he never wanted This unique biography will allow you to Understand the principles and practices that allowed Keller to synthesize so many different influences in a coherent ministry Take the best of Keller s preaching and teaching to meet emerging challenges in the 21st century Develop your own historical theological and cultural perspectives to shape your leadership The story of Timothy Keller is the story of his spiritual and intellectual influences from the woman who taught him how to read the Bible to the professor who taught him to preach Jesus from every text to the philosopher who taught him to see beneath society s surface Reading the Bible Missionally Goheen, 2016 Over the past half century it has become clear that mission is a central theme in the Bible s narrative and moreover is central to the very identity of the church This book significantly widens and deepens the emerging conversation on missional hermeneutics Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks like Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education Publisher *Ezekiel* Iain M. Duguid, 2011-01-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and

cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

Shaped by the Gospel Timothy Keller, 2016-03-15 It is easy to assume that if we understand the gospel and preach it faithfully our ministry will necessarily be shaped by it but this is not true Many churches claim to be gospel centered but do not have a ministry that is shaped by centered on and empowered through the gospel The implications of the gospel have not yet worked their way into the fabric of how that church does ministry Gospel centered ministry is more theologically driven than
