Lippy,Peter W. lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members From the author The purpose of this book is to equip you Christian warrior of the Gospel of peace to stand against those who use the Bible to resist change even that change of which our Lord would approve In one sense there is nothing revolutionary about this book It is a book that respects tradition but only up to a point that point where tradition has to change to give way to what the Holy Spirit is showing us in our day of the mind of Christ And this is not revolutionary because tradition has had to change before it is a developing truth born of the corporate experience of the children of God and open to our claiming the exercise of our God given gift of reason A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author to developing grounding in Scripture and experience to appealing to the reader to act as an ally of gay and lesbian Christians The letters include Dear Christian Believer which aims for the bull's eye of the reader's faith Dear Sexual Being which offers a fresh look at a sensitive topic Dear Confused Church Member which discusses what gay people are really like Dear Concerned Church Member which discusses what gay people really want Dear Bible Explorer which discusses what the Bible really says Dear Person Trying to Do the Right Thing from being to doing and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings encouraging the acceptance of gay and lesbian people as fully moral and fully Christian **Coming In** Urs Mattmann, 2006-12-03 The author explores a mystic Christian spirituality and describes numerous practical steps that gay men and women can take in order to connect with and express their innate spiritual nature **Freedom Glorious Freedom** John J. McNeill, 2009 In Freedom Glorious Freedom acclaimed author John J McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self acceptance McNeill discusses freedom of conscience and discernment of spirits ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis The liberating process of coming out of the closet is seen as a spirit filled effort to achieve the glory of God by becoming fully alive McNeill offers a twelve step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness The epilogue expresses in detail a philosophical vision looking both to the past and to the future of how gay liberation fits into the Spirit directed evolution of human history and its role in the ongoing struggle for human liberation For more than thirty five years John J McNeill an ordained priest and psychotherapist has been devoting his life to spreading the good news of God's love for lesbian and gay Christians **Sex and the Sacred** Daniel A Helminiak, 2012-12-06 A down to earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of

religious affiliation but still open to traditional religion and belief in God Dr Daniel Helminiak author of the best selling *What the Bible Really Says about Homosexuality* looks at the relationship between sexuality and spirituality first from a humanistic perspective and then a more familiar Christian point of view In particular he encourages LGBTI people to reclaim their spiritual heritage without apology This unique book emphasizes spiritual commitment as an essential facet of LGBTI queer consciousness and addresses such burning themes as coming out the importance of self acceptance gay marriage gay bashing and the ethics of gay sex *Sex and the Sacred* combines a psychological approach to spirituality with common sense and compassion inspiring a break from moralistic religion and an understanding of what true spirituality means The book applies this understanding to Christian topics such as the Bible Fundamentalism and the future of Christianity and shows how coming out was an issue for Jesus how homosexual experience relates to the Christian Trinity and how Western Civilization became so sex negative *Sex and the Sacred* presents in the end a radical vision of Christianity open to all people Religious leaders of all denominations educators counselors members of the gay lesbian bisexual transgender community non religious spiritual seekers and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting *Sex and the Sacred* examines the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sexqueer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community

Gifted by Otherness L. William Countryman, M. R. Ritley, 2001-09 As outsiders gay men and lesbians challenge the church to be inclusive of all God's children the central message of the gospel God has drawn us to this difficult place they write in order to reveal God's grace to us and in us and through us Basing their book on retreats they have presented to churches and seminaries Countryman and Ritley explore what it means to affirm not merely accept being gay or lesbian as well as Christian Written primarily for the lesbian gay community and for their families and communities they explore the ways in which the gay and lesbian community can appropriate and re tell the biblical story and find confidence in their unique spiritual journey and gifts This pro active and self affirming book provides new hope for those who feel that it is impossible to be gay or lesbian as well as Christian

Outside the City Gate Dr. Selma, 2014-03-24 Outside the City Gate the second book by Dr Selma is a powerful account of what happened to the lesbian gay bisexual and transgender Christian community in Michigan during the mid 1990s and the early 21st century The book describes what occurred after lesbian and gay church members were excluded from their home churches After being expelled excommunicated tossed out and isolated from their early childhood places of worship many chose to remain true to their Christianity and their gender identities

Despite the rumblings of rejection in Michigan there are those in the LGBTQ Christian society that want to worship God The question is whether God is with lesbian and gay Christians Is God Spirit and power present with them in their churches and in their personal lives Does God move in the lesbian and gay community This is the story of Whosoever Ministry its founder and the struggle to find a safe place for Christian worship free from spiritual abuse and condemnation **Reclaiming the Spirit** David Shallenberger,1998 But once they became comfortable with their new gay identity they began to experience a spiritual hunger and a desire to be part of a religious community Some sought to return to the traditions from which they came others desired membership in new sacred communities *Coming Out Spiritually* Christian de la Huerta,1999-05-24 In these times of dramatic social change when the highly charged issue of homosexuality is undeniably causing controversy in many arenas religion marriage politics education the military Christian de la Huerta founder and director of Q Spirit offers a fresh outlook on gay spirituality and how to assert it A spiritual awakening is occurring in the gay lesbian bisexual and transgendered community as in much of the world In this encompassing guidebook de la Huerta looks at Buddhism Christianity Judaism Hinduism Taoism Sufism New Thought New Age and Earth based religions including Native American Cogently investigating these traditions attitudes teachings and policies toward homosexuality the author gives the queer reader a foundation from which to begin building a spiritual connection *Coming Out Spiritually* also synthesizes ten spiritual roles or archetypes people we now call gay or queer have often assumed and continue to enact today creators of beauty consciousness scouts mediators shamans and healers among others Drawing on these models while acting as a guide to the queer community the author shows how to look deeper inside to reach higher than ever before to step forth more fully into a rightful self An impassioned call to action *Coming Out Spiritually* alternatively touches challenges encourages and supports the queer community to fully reclaim its spiritual heritage
