*Legends, Monsters, or Serial Murderers?* Dirk C. Gibson,2012-02-14 Covering figures ranging from Catherine Monvoisin to Vlad the Impaler and describing murders committed in ancient aristocracies to those attributed to vampires witches and werewolves this book documents the historic reality of serial murder The majority of serial murder studies support the consensus that serial murder is essentially an American crime a flawed assumption as the United States has existed for less than 250 years What is far more likely is that the perverse urge to repeatedly and intentionally kill has existed throughout human history and that a substantial percentage of serial murders throughout ancient times the middle ages and the pre modern era were attributed to imaginative surrogate explanations dragons demons vampires werewolves and witches *Legends Monsters or Serial Murderers The Real Story Behind an Ancient Crime* dispels the interrelated misconceptions that serial murder is an American crime and a relatively recent phenomenon making the novel argument that serial murder is a historic reality an unrecognized fact in ancient times Noted serial murderers such as the Roman Locuta The Poisoner Gilles De Rais of France a prolific serial killer of children Andres Bichel of Bavaria and Chinese aristocratic serial killer T zu Hsi are spotlighted This book provides a unique perspective that integrates supernatural interpretations of serial killing with the history of true crime reanimating mythic entities of horror stories and presenting them as real criminals      The Complete Home Learning Sourcebook Rebecca Rupp,1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level      *Women Healers of the World* Holly Bellebuono,2014-09-09 A celebration of the healing traditions that made yoga acupuncture and aromatherapy popular The recent trend toward holistic living has heightened our national fascination with herbal remedies and less conventional therapies such as acupuncture yoga aromatherapy and ethnobotany Now this intimate and inspiring book opens up the world of herbal medicine to those interested in learning about the history of these techniques and approaches *Women Healers of the World* shares with readers an extraordinary variety of healing plants from around the world that have inspired today s alternative medicine as well as the stories challenges and triumphs of remarkable women healers from past and present all of whom promote the use of medicinal herbs Through this book herbalist and author Holly Bellebuono aims to educate readers about sixteen plant based world healing traditions and thirty women who have practiced them Bellebuono also explores the geography history and medical heritage of twenty countries where these traditions originated With thorough knowledge of the uses and effects of these healing traditions readers can then move on to featured recipes for herbal remedies they can make in their home kitchens Following Bellebuono s instructions readers will produce remedies such as soothing lip balms wound pastes face

masks arthritis oils relaxing bath salts and revitalizing teas      *Guide to Collective Biographies for Children and Young Adults* Sue Barancik, 2005 Help middle and high school students find the books they need for school reports quickly and easily The author has indexed the lives and accomplishments of more than 5 700 notable men and women from ancient through modern times in this tool that will aid librarians media specialists and teachers with a student's search to find biographies written especially for their age group      *Serial and Mass Murder* Elizabeth A. Gurian, 2021-09-30 This book reframes the study of multicide that is serial and mass murder to use objective measures and aims to expand our understanding of multicide offending through descriptive and inferential statistical analyses of different homicide patterns of the offenders Criminal homicide and multiple murders are rare occurrences that typically account for a very small percentage of all violent crimes in most countries Despite this low occurrence homicide continues to be an area of intense study with a focus on subjective measures and classifications The research and analysis based on a database of over 1 300 cases contributes to the criminological study of violence and draws distinctions between the types of offenders partnered and solo serial and mass male and female etc from a range of different countries and across decades Traditionally studies of homicide focus on male offenders and theories of offending are then applied to females and co offenders The research presented in this book reveals that women and partnered offenders have very different homicide patterns from men Looking at the history of multicide offending this book uses descriptive and inferential statistical analyses to directly compare differences in offending and outcome patterns across multicide offender types This exploration of the multidimensionality of homicide at an international level is useful for scholars and students interested in criminal justice criminology psychology sociology or law      *From Girl to Goddess* Valerie Estelle Frankel, 2014-01-10 Many are familiar with Joseph Campbell's theory of the hero's journey the idea that every man from Moses to Hercules grows to adulthood while battling his alter ego This book explores the universal heroine's journey as she quests through world myth Numerous stories from cultures as varied as Chile and Vietnam reveal heroines who battle for safety and identity thereby upsetting popular notions of the passive gentle heroine Only after she has defeated her dark side and reintegrated can the heroine become the bestower of wisdom the protecting queen and arch crone Instructors considering this book for use in a course may request an examination copy here      **Serial Killers Around the World** Dirk C. Gibson, 2014-11-28 *Serial Killers Around the World The Global Dimensions of Serial Murder* compiles serial murder case studies from several countries from Australia to Great Britain and from Japan to Pakistan The author has covered accounts on a wide array of serial killers including some well known felons namely Jack the Ripper The Butcher of Mons Martin Marie Dumollard as well as some of the lesser known serial slayers such as Daisy DeMelker Yoshio Kodaira Javed Iqbal and many more The book highlights six dimensions of each case the killer's the serial murders other crimes communication the investigation and trial and punishment of the accused Readers both general and aspiring criminologists alike will find *Serial Killers Around the World* an interesting resource for

critical information on serial murders committed in nations around the world      Strategies that Work Stephanie Harvey, Anne Goudvis, 2007 Describes strategies teachers can use to promote reading comprehension in students from kindergarten through eighth grade and includes examples of student work illustrations and other reference tools      *Serial Killers - Philosophy for Everyone* S. Waller, 2011-01-13 Serial Killers Philosophy for Everyone investigates our profound intrigue with mass murderers Exploring existential ethical and political questions through an examination of real and fictional serial killers philosophy comes alive via an exploration of grisly death Presents new philosophical theories about serial killing and relates new research in cognitive science to the minds of serial killers Includes a philosophical look at real serial killers such as Ian Brady Ted Bundy John Wayne Gacy Jeffrey Dahmer and the Zodiac killer as well as fictional serial killers such as Dexter and Hannibal Lecter Offers a new phenomenological examination of the writings of the Zodiac Killer Contains an account of the disappearance of one of Ted Bundy's victims submitted by the organization Families and Friends of Missing Persons and Violent Crime Victims Integrates the insights of philosophers academics crime writers and police officers      *The Human Predator* Katherine Ramsland, 2013-02-05 When we think of serial killing we tend to think of it as a perversion of contemporary society The Human Predator makes an eye opening case for the existence of serial killers throughout time the motives and methods the societies that spawned them and the historical periods in which they lived and killed From Ancient Rome and the Dark Ages to the open roads of America from the exploits of French religious zealot Gilles de Rais to such high profile monsters as Jeffrey Dahmer and Aileen Wuornos Katherine Ramsland offers a complete chronological record of the serial killer phenomenon and the parallel development of psychology forensic science and FBI profiling in the serial killer's evolving manifestation throughout human history INCLUDES PHOTOGRAPHS      *Social Studies Review*, 2005      **Sources of East Asian Tradition: The modern period** Wm. Theodore De Bary, William Theodore De Bary, 2008 Wm Theodore de Bary offers a selection of essential readings from his immensely popular anthologies Sources of Chinese Tradition Sources of Korean Tradition and Sources of Japanese Tradition so readers can experience a concise but no less comprehensive portrait of the social intellectual and religious traditions of East Asia      **Give Us This Day Devotionals** Charles Erlandson, 2021-05-28 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he's not afraid to use his sense of humor and he carefully relates the Bible not only to the individual's life but also to the life of the Church At the end of each day's devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day's lesson Each devotional concludes with a suggested
