Outside The Lines Talking With Contemporary Gay Poets:

Outside the Lines Christopher Hennessy, 2005-06-22 The first book to collect the voices of our foremost and most promising gay poets

Outside the Lines Christopher Matthew Hennessy, 2010-02-22 Outside the Lines explores the personal and historical forces that have shaped the work of a dozen gifted poets The answers given to Hennessy's astute perfectly tailored questions remind a reader how exciting poetry can be and how writers create through language the world as we have never known it These adventuresome interviews will stir anyone who cares about the making of art Bernard Cooper author of Maps to Anywhere Editor Christopher Hennessy gathers interviews with some of the most significant figures in contemporary American poetry While each poet is gay these encompassing craft centered interviews reflect the diversity of their respective arts and serve as a testament to the impact gay poets have had and will continue to have on contemporary poetics The book includes twelve frank intense interviews with some of America's best known and loved poets who have not only enjoyed wide critical acclaim but who have had lasting impact on both the gay tradition and the contemporary canon writ large for example Frank Bidart the late Thom Gunn and J D McClatchy Some of the most honored and respected poets still in the middle of their careers are also included for example Mark Doty Carl Phillips and Reginald Shepherd Each interview explores the poet's complete work to date often illuminating the poet's technical evolution and emotional growth probing shifts in theme and even investigating links between verse and sexuality In addition to a selected bibliography of works by established poets the book also includes a list of works by newer and emerging poets who are well on their way to becoming important voices of the new millennium

Encyclopedia of Contemporary LGBTQ Literature of the United States Emmanuel S. Nelson, 2009-07-14 In this two volume work hundreds of alphabetically arranged entries survey contemporary lesbian gay bisexual transgendered and queer American literature and its social contexts Comprehensive in scope and accessible to students and general readers Encyclopedia of Contemporary LGBTQ Literature of the United States explores contemporary American LGBTQ literature and its social political cultural and historical contexts Included are several hundred alphabetically arranged entries written by expert contributors Students of literature and popular culture will appreciate the encyclopedia's insightful survey and discussion of LGBTQ authors and their works while students of history and social issues will value the encyclopedia's use of literature to explore LGBTQ American society Each entry is written by an expert contributor and lists additional sources of information To further enhance study and understanding the encyclopedia closes with a selected general bibliography of print and electronic resources for student research

James Merrill and W.H. Auden P. Gwiazda, 2007-10-01 James Merrill and W H Auden offers a substantial analysis of the literary and personal relationship between two major twentieth century poets As Gwiazda argues Auden's prominence in the post World War II American poetry scene as a homosexual poet and critic makes his impact on Merrill particularly noteworthy Merrill's imaginary recreation of Auden in his occult verse trilogy The Changing Light at Sandover 1982 offers a powerful

statement about the dynamics of poetic influence between gay male poets Combining archival research textual analysis and aspects of queer theory James Merrill and W H Auden examines Sandover s implications to the contentious issues of homosexual identity and self representation

New Selected Poems Thom Gunn,2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there s nothing archaic quaint or sepia toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn s dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This New Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn s inimitable career

Male Poets and the Agon of the Mother Hannah Baker Saltmarsh,2019-04-23 A thoughtful exploration of male poets contributions to the literature of motherhood In the late 1950s the notion of a mother poem emerged during a confessional literary movement that freed poets to use personal psychosexual material about intimate topics such as parents childhood failed marriages children infidelity and mental illness In Male Poets and the Agon of the Mother Hannah Baker Saltmarsh argues that male poets have contributed to what we think of as the literature of motherhood that confessional and postconfessional modes have been formative in the way male poets have grappled with the stories of their mothers and how those stories reflect on the writers and their artistic identities Through careful readings of formative elegies and homages written by male poets of this time Saltmarsh explores how they engaged with femininity and feminine voices in the 1950s and 60s and sheds light on the inheritance of confessional motifs of gender and language as demonstrated by postconfessional writers responding to the rich subject matter of motherhood within the contexts of history myth and literature A foreword is provided by Jo Gill professor of twentieth century and American literature in the Department of English and associate dean for education at the University of Exeter

Approaches to Teaching the Works of C. P. Cavafy Peter Jeffreys, Demetres P. Tryphonopoulos,2025-04-26 Known as a preeminent poet of queer male desire C P Cavafy lived most of his life as part of the Greek minority community in Alexandria Egypt He was inspired by the possibilities offered by peripheries whether sexual geographic or historical Volumes of his poems widely translated into English give anglophone readers access to his distinctive mixture of irony and tenderness directness and subtlety This volume will help instructors introduce students to Cavafy s works and explore them from many angles with the help of the extensive archives now available Essays address teaching Cavafy both as a poetic historian of the Hellenistic Roman and Byzantine worlds and through the lens of postcoloniality They also explore how he interpreted classical Greek works and how his work has been interpreted by

composers poets and readers within and beyond Greece and the Greek diaspora *Our Deep Gossip* Christopher Hennessy, 2013-11-29 This book presents interviews with eight gay men who are celebrated American poets and writers discussing their early lives friends and communities that shaped their work histories of gay writers before them how sex and desire connect with artistic production and what coming out means to a writer **The Movement Reconsidered** Zachary Leader, 2009-05-07 The Movement was the preeminent poetical grouping of post war Britain This collection of original essays by distinguished poets critics and scholars from Britain and America provides new accounts not only of the best known of Movement writers Philip Larkin Kingsley Amis Thom Gunn and Donald Davie but of less familiar contemporaries

Selected Poems of Thom Gunn Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from *The Sense of Movement* 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the Aids epidemic which claimed the lives of a number of Gunn's friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize winning *The Man With the Night Sweats* and *Boss Cupid* Gunn's last collection published in 2000 This *Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill seeker in the language and to exhibit the best of Thom Gunn's electric powerful intensely joyful poems **Thom Gunn** Michael Nott, 2024-06-18 A no holds barred biography of the great poet and sexual rebel who could give the dead a voice make them sing Hilton Als *The New Yorker* Thom Gunn was not a confessional poet and he withheld much but inseparable from his rigorous formal poetry was a ravenous acute experience of life and death Raised in Kent England and educated at Cambridge Gunn found a home in San Francisco where he documented the city's queerness the hippie mentality and drug use of the sixties and the tragedy and catastrophic impact of the AIDS crisis in the eighties and beyond As Jeremy Lybarger wrote in *The New Republic* the author of *Moly* and *The Man with Night Sweats* was an agile poet who renovated tradition to accommodate the rude litter of modernity Thom Gunn *A Cool Queer Life* chronicles for the first time the largely undocumented life of this revolutionary poet Michael Nott a coeditor of *The Letters of Thom Gunn* draws on letters diaries notebooks interviews and Gunn's poetry to create a portrait as vital as the man himself Nott writes with insight and intimacy about the great sweep of Gunn's life his traditional childhood in England his mother's suicide the mind opening education he received at Cambridge reading Shakespeare and John Donne his decades in San Francisco and with his life partner Mike Kitay and his visceral experience of sex drugs and loss Thom Gunn *A Cool Queer Life* is a long awaited landmark study of one of England and America's most innovative poets **LGBTQ America**

Today John Charles Hawley, 2008-11-30 Lesbian gay bisexual transgender and queer culture is a vibrant and rapidly evolving segment of the American mosaic This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America Included are more than 600 alphabetically arranged entries on literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual issues and numerous other topics Entries are written by distinguished authorities and cite works for further reading and the encyclopedia closes with a selected general bibliography Students in social studies history and literature classes will welcome this book's illumination of American cultural diversity LGBTQ Americans have endured many struggles and during the last decade in particular they have made tremendous contributions to our multicultural society Drawing on the expertise of numerous expert contributors this book gives students and general readers a current overview of contemporary LGBTQ American culture Sweeping in scope the encyclopedia looks at literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual practices and various other areas Entries cite works for further reading and the encyclopedia closes with a selected general bibliography While extensive biographical entries give readers a sense of the lives of prominent lesbian gay bisexual transgender and queer Americans the many topical entries provide full coverage of the challenges and contributions for which these people are known The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity and it supports the literature curriculum by helping students learn about LGBTQ writers and their works

Love-in-idleness Christopher Hennessy, 2011 Poetry LGBT Studies If I were to reduce this book to a single letter it would be O Opulence obsession orgasm and opera all start with an open throat a gape a release of pent up desire So too does Christopher Hennessy's LOVE IN IDLENESS emanate from the opening of the throat to the shudder and release of the last and final word Oh I thought reading these urgent physical dangerously beautiful poems with the terror ripping open my mouth at the corners Yes and Oh yes and O D A Powell

At the Barriers Joshua Weiner, 2009-08-01 Maverick gay poetic icon Thom Gunn 1929 2004 and his body of work have long dared the British and American poetry establishments either to claim or disavow him To critics in the UK and US alike Gunn demonstrated that formal poetry could successfully include new speech rhythms and open forms and that experimental styles could still maintain technical and intellectual rigor Along the way Gunn's verse captured the social upheavals of the 1960s the existential possibilities of the late twentieth century and the tumult of post Stonewall gay culture The first book length study of this major poet At the Barriers surveys Gunn's career from his youth in 1930s Britain to his final years in California from his earliest publications to his later unpublished notebooks bringing together some of the most important poet critics from both sides of the Atlantic to assess his oeuvre This landmark volume traces how Gunn in both his life and his writings pushed at boundaries of different kinds be they geographic sexual or poetic At the Barriers will solidify Gunn's rightful place in the pantheon of Anglo American letters

C.P. Cavafy in the English and American Literary

Scenes Foteini Dimirouli, 2025-08-05 C P Cavafy in the English and American Literary Scenes Authorizing the Other traces how the Greek Alexandrian poet C P Cavafy achieved global recognition through the writings and advocacy of E M Forster Lawrence Durrell W H Auden Joseph Brodsky Stephen Spender and James Merrill writers who helped shape the 20th century English language literary scene Moving beyond conventional reception studies the book introduces a model of reciprocal authorization these influential writers propelled the steady rise of Cavafy s fame in England and America and in the process reinforced their own identities as authors and cultural arbiters Cavafy s poetry intersected with Forster s modernist life writing Durrell s cosmopolitanism Auden s and Spender s post war explorations Brodsky s meditations on exile and Merrill s queer aesthetics Drawing on published works correspondence and previously unseen archival material this book reveals so far unexplored aspects of the texts and personalities involved in Cavafy s legitimation across languages genres and historical contexts It also presents these literary exchanges as a case study through which to rethink canon formation and transnational cultural validation

A Study Guide for Frank Bidart's "Curse" Gale, Cengage Learning, 2016 A Study Guide for Frank Bidart s Curse excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs

Divining Divas Michael Montlack, 2012 Editor Michael Montlack has assembled an anthology of a hundred gay poets award winners and fresh voices in thrall with female icons throughout the ages ranging from Gloria Swanson to Mary J Blige from Edith Piaf to Joni Mitchell Bette Midler to Lady Gaga These are not merely appreciations of the gorgeous and daring but poems that are confessional to bittersweet to witty

LGBTQ America Today [3 volumes] John Charles Hawley, 2008-11-30 Hundreds of alphabetically arranged biographical and topical entries survey the current state of lesbian gay bisexual transgender and queer American culture

Travels in a Gay Nation Philip Gambone, 2010-06-30 For two years Philip Gambone traveled the length and breadth of the United States talking candidly with LGBTQ people about their lives In addition to interviews from David Sedaris George Takei Barney Frank and Tammy Baldwin Travels in a Gay Nation brings us lesser known voices a retired Naval officer a transgender scholar and drag king a Princeton philosopher two opera sopranos who happen to be lovers an indie rock musician the founder of a gay frat house and a pair of Vermont garden designers In this age when contemporary gay America is still coming under attack Gambone captures the humanity of each individual For some their identity as a sexual minority is crucial to their life s work for others it has been less so perhaps even irrelevant But whether splashy or quiet center stage or behind the scenes Gambone s subjects have managed despite facing ignorance fear hatred intolerance injustice violence ridicule or just plain indifference to construct passionate inspiring lives

Finalist Foreword Magazine s Anthology of the Year Outstanding Book in the High School Category selected by the American Association of School Libraries Best Book in Special Interest Category selected by the Public Library Association
