Outsiders In A Hearing World:

Outsiders in a Hearing World Paul C. Higgins, 1980-06 The deaf are outsiders in a world largely created and controlled by those who hear Based on intensive interviewing observation and the personal experience of the author whose parents are deaf *Outsiders in a Hearing World* examines the lives of deaf people within a social and historical context It examines the communities created by deaf people and the identities of their members and describes and analyzes the everyday interactions between the deaf and the hearing Drawing on the works concerning other outsiders this book not only increases our understanding of deafness and the deaf but of outsiders in general *Between Worlds* Cheryl G. Najarian, 2013-10-14

The purpose of this book is to illustrate the struggles of Deaf women as they negotiate their family educational and work lives This study demonstrates how these women resist and overcome the various obstacles that are put before them as well as how they work to negotiate their identities as Deaf women in the Deaf community hearing world and the places in between The scope of the book traces these women's lives in these three major sectors of their lives and provides a discussion of the implications for other linguistic minorities Cultural and Language Diversity and the Deaf Experience Ila

Parasnis, 1998-08-28 The perspective that deaf people should be regarded as a cultural and language minority group rather than individuals with an audiological disability is gathering support among educators linguists and researchers involved in the education of deaf people across America This book explores the notion that deaf people are members of a bilingual bicultural minority group whose experiences often overlap with the those of hearing minority group members but at other times are unique Contributors to this book include prominent deaf and hearing researchers educators and deaf community members The three sections review research on bilingualism and biculturalism the impact of cultural and language diversity on the deaf experience and offer rich experiential evidence from deaf community members which highlights the emotional impact of living in the deaf and hearing worlds **Psychological Perspectives on Deafness** Marc Marschark, M. Diane Clark, 2014-04-08

Deviance Earl Rubington,2015-10-30 This highly successful reader presents the interactionist approach to the study of deviance examining deviance as a phenomenon that is constituted through social interpretations and the reactions of persons caught up in this social process This book focuses on issues such as how individuals interpret and label people how people relate to one another based on these interpretations and the consequences of these social processes This perspective helps students understand both social process in general and the sociology of deviance in particular

An Outline of Sociology as Applied to Medicine David L. Armstrong,2015-06-02 An Outline of Sociology as Applied to Medicine Third Edition provides an understanding of the origins nature and context of illness in society This book discusses the relationship between health care and the society in which it occurs Organized into 15 chapters this edition begins with an overview of some deficiencies of the

biomedical model of illness This text then explores the traditional medical model which holds that disease is a lesion inside the human body that produces two types of indicator of its presence namely the signs and symptoms Other chapters consider the difference of perspectives between doctor and patients This book discusses as well the presence of various biological causes of illness that is strongly influenced by social factors The final chapter deals with the social significance of medicine This book is a valuable resource for sociologists Primary care physicians and specialists will also find this book extremely useful

Deaf Liberation Theology Revd Dr Hannah Lewis,2013-05-28 Following years of theology of deafness based on the premise that Deaf people are simply people who cannot hear this book breaks new ground Presenting a new approach to Deaf people theology and the Church this book enables Deaf people who see themselves as members of a minority group to formulate their own theology rooted in their own history and culture Deconstructing the theology and practice of the Church Hannah Lewis shows how the Church unconsciously oppresses Deaf people through its view of them as people who cannot hear Lewis reclaims Deaf perspectives on Church history examines how an essentially visual Deaf culture can relate to the written text of the Bible and asks Can Jesus sign This book pulls together all these strands to consider how worship can be truly liberating truly a place for Deaf people to celebrate who they are before God

Building Community Engagement and Outreach in Libraries Kathryn Moore Crowe,Joanne H  louvry,2022-07-07 An important addition to the research on how libraries can work with their communities to provide critical services and resources Providing valuable insights about the diverse ways that outreach can be accomplished within and through communities this volume serves as a significant resource for library managers staff and their partners

Encyclopedia of Social Work ,1965 Introduction to Deaf Culture Thomas K. Holcomb,2023 You are about to enter the realm of Deaf culture a world that may be completely new to you Intriguingly insiders and outsiders to this world may regard it in two completely different fashions Let us examine this contradiction with the proverbial glass of water that can be viewed as either half full or half empty

Deaf Peddler Dennis S. Buck,2000 Having panhandled as a deaf man for 11 years the author has written a book exposing all the ins and outs of his life exploiting a disability to earn hundreds of dollars a day and sheds light on the cultural phenomenon of deaf peddling that thrives today Illustrations

In Silent Prayer Anthony Russo,2013-10-31 Written by Father Anthony Russo who has devoted himself to the deaf community for over forty years In Silent Prayer traces the history of the special deaf ministry in the Roman Catholic Archdiocese of Philadelphia Through insightful text as well as historical documents and photographs Father Russo not only tells the story of the great men and women who have provided this important service but also looks forward to the coming years and considers how this service can be further shaped and improved n

Russian History through the Senses Matthew P. Romaniello,Tricia Starks,2016-09-22 Bringing together an impressive cast of well respected scholars in the field of modern Russian studies Russian History through the Senses investigates life in Russia from 1700 to the present day via the senses It examines past experiences of taste touch smell sight and sound to capture a vivid impression of what it

was to have lived in the Russian world so uniquely placed as it is between East and West during the last three hundred years The book discusses the significance of sensory history in relation to modern Russia and covers a range of exciting case studies rich with primary source material that provide a stimulating way of understanding modern Russia at a visceral level Russian History through the Senses is a novel text that is of great value to scholars and students interested in modern Russian studies *Constructing (in)competence* Dana Kovarsky, Madeline Maxwell, Judith F. Duchan, 2013-06-17

Competence and incompetence are constructs that emerge in the social milieu of everyday life Individuals are continually making and revising judgments about each other's abilities as they interact The flexible situated view of competence conveyed by the research of the authors in this volume is a departure from the way that competence is usually thought about in the fields of communication disabilities and education In the social constructivist view competence is not a fixed mass residing within an individual or a fixed judgment defined externally Rather it is variable sensitive to what is going on in the here and now and coconstructed by those present Constructions of competence are tied to evaluations implicit in the communication of the participants as well as to explicit evaluations of how things are going The authors address the social construction of competence in a variety of situations engaging in therapy for communication and other disorders working and living with people with disabilities speaking a second language living with deafness and giving and receiving instruction Their studies focus on adults and children including those with disabilities aphasia traumatic brain injury augmentative systems users as they go about managing their lives and identities They examine the all important context in which participants make competence judgments assess the impact of implicit judgments and formal diagnoses and look at the types of evaluations made during interaction This book makes an argument all helping professionals need to hear institutional clinical and social practices promoting judgments must be changed to practices that are more positive and empowering

Seeing Language in Sign Jane Maher, 1996 Seeing Language in Sign traces the process that Stokoe followed to prove scientifically and unequivocally that American Sign Language ASL met the full criteria of linguistics phonology morphology syntax semantics and use of language to be classified a fully developed language *Worlds of Sense* Constance Classen, 2023-02-28 First published in 1993 Worlds of Sense is an exploration of the historical and cultural formation of the senses As the author demonstrates different cultures have strikingly different ways of making sense of the world In the modern urban West we are accustomed to thinking in terms of visual models such as world view whereas the Onge of the Andaman Islands for example live in a world ordered by smell and the Tzotzil of Mexico hold that temperature is the basic force of the cosmos In a fascinating examination of the role of the senses in diverse societies and eras Constance Classen shows the extent to which perception is shaped by and expressive of cultural values This book will be of interest to students of cultural studies sociology anthropology and philosophy Gallaudet Encyclopedia of Deaf People and Deafness John V. Van Cleve, Gallaudet College, 1987 Contains 273 entries to information derived from the sciences the social sciences and the
