Adventures in Solitude David Grayson, 1990-03-01 Through the pain and depression of a long hospitalisation Grayson discovers the inner strengths and resources that man possesses Celebrating Shakespeare Clara Calvo, Coppélia Kahn, 2015-11-19 On the 400th anniversary of Shakespeare's death this collection opens up the social practices of commemoration to new research and analysis An international team of leading scholars explores a broad spectrum of celebrations showing how key events such as the Easter Rising in Ireland the Second Vatican Council of 1964 and the Great Exhibition of 1851 drew on Shakespeare to express political agendas In the USA commemoration in 1864 counted on him to symbolise unity transcending the Civil War while the First World War pulled the 1916 anniversary celebration into the war effort enlisting Shakespeare as patriotic poet The essays also consider how the dream of Shakespeare as a rural poet took shape in gardens how cartoons challenged the poet s lite status and how statues of him mutated into advertisements for gin and Disney cartoons Richly varied illustrations supplement these case studies of the diverse complex and contradictory aims of memorialising Shakespeare Blue Remembered Earth Alastair Reynolds, 2012-06-05 The first novel in the Poseidon s Children series from the acclaimed author of the Revelation Space series One hundred and fifty years from now Africa has become the world's dominant technological and economic power Crime war disease and poverty have been practically eliminated The Moon and Mars are settled and colonies stretch all the way out to the edge of the solar system And Ocular the largest scientific instrument in history is about to make an epochal discovery Geoffrey Akinya wants only one thing to be left in peace so that he can continue his long running studies into the elephants of the Amboseli basin But Geoffrey's family which controls the vast Akinya business empire has other plans for him After the death of his grandmother Eunice the erstwhile space explorer and entrepreneur something awkward has come to light on the Moon so Geoffrey is dispatched there to ensure the family name remains untarnished But the secrets Eunice died with are about to be revealed secrets that could change everything or tear this near utopia apart Infinity's End Stephen Baxter, Hannu Rajaniemi, Kristine Kathryn Rusch.2018-07-10 Pandora's Star Peter F.
