**Gender, Sexuality, and the Cold War** Philip E. Muehlenbeck, 2021-04-30 As Marko Duman i writes in his introduction to Gender Sexuality and the Cold War despite the centrality of gender and sexuality in human relations their scholarly study has played a secondary role in the history of the Cold War It is not an exaggeration to say that few were left unaffected by Cold War gender politics even those who were in charge of producing disseminating and enforcing cultural norms were called on to live by the gender and sexuality models into which they breathed life This underscores the importance of this volume as here scholars tackle issues ranging from depictions of masculinity during the all consuming space race to the vibrant activism of Indian peasant women during this period to the policing of sexuality inside the militaries of the world Gender Sexuality and the Cold War brings together a diverse group of scholars whose combined research spans fifteen countries across five continents claiming a place as the first volume to examine how issues of gender and sexuality impacted both the domestic and foreign policies of states far beyond the borders of the United States during the tumult of the Cold War Table of Contents Preface Introduction Hidden in Plain Sight The Histories of Gender and Sexuality during the Cold War Marko Duman i Part I Sexuality Faceless and Stateless French Occupation Policy toward Women and Children in Postwar Germany 1945 1949 Katherine Rossy Patriarchy and Segregation Policing Sexuality in US Icelandic Military Relations Valur Ingimundarson Queering Subversives in Cold War Canada Patrizia Gentile Nonreligious Activities Sex Anticommunism and Progressive Christianity in Late Cold War Brazil Benjamin A Cowan Manning the Enemy US Perspectives on International Birthrates during the Cold War Kathleen A Tobin Part II Femininities Indian Peasant Women s Activism in a Hot Cold War Elisabeth Armstrong The Medicalization of Childhood in Mexico during the Early Cold War 1945 1960 Nichole Sanders Africa s Kitchen Debate Ghanaian Domestic Space in the Age of the Cold War Jeffrey S Ahlman

 This interdisciplinary volume examines intersecting journeys of women from around the globe on their pilgrimages to peace  
 It consists of twelve chapters that discuss theoretical and practical issues related to the study of peace The focus of this  
 volume is the successful movement from war to building peace through nonviolent means It is a study of how and why  
 contemporary tactics of a nonviolent approach have proved effective International scholars from Ukraine India Lebanon and  
 the US amongst others explore the ways in which journeys towards peace have evolved amid the twenty first century s  
 growing social changes in their respective countries This collection will provide a valuable resource for those researching  
 and practising peace and conflict resolution studies sociology comparative cultural studies history and international  
 development studies      **Global Issues** Shirley A. Fedorak, 2013-11-29 Global Issues is a pedagogically rich text that offers a  
 unique way of looking at contemporary issues such as food security and global conflict from a cross cultural and  
 multidisciplinary perspective By exploring each issue in depth students gain an applied understanding of more abstract  
 concepts like conflict globalization culture imperialism human rights and gender while the cross cultural approach  
 encourages students to view the world from outside the Western box Designed for introductory level students in global and  
 international studies human geography anthropology sociology and development studies this highly accessible text offers  
 instructors and students a unique way of matching the concepts they learn in the classroom with important issues in the  
 world in which they live and work      **Human Security** Benny Teh Cheng Guan, 2012-01-02 Human security is becoming  
 increasingly pronounced in recent years due to changes in the security landscape of world politics Yet inter state relations  
 have continued to dominate security concerns in East Asia This has unfortunately eluded the broader understanding of issues  
 and challenges facing the peoples of East Asia Home to nations with rapid economic growth and development East Asia is at  
 the core of what some individuals have termed as the coming Asian Century Years of economic liberalization and exposure to  
 globalization have permitted the region to achieve high levels of interconnectedness from within and without in  
 unprecedented ways This has certainly reduced state control and opened up spaces for cross border human activities While  
 economic wealth have increased substantially over the years it has also brought about bigger income disparities  
 unsustainable safety nets and a surge in social problems from health issues to migratory concerns that threaten the safety  
 and well being of individuals Human Security Securing East Asia s Future timely examines the fundamental issues causing  
 human insecurities and evaluates the extent of which human security plays a role at the state and regional levels Covering

the different areas of threats to humans and applying case study materials this volume provides an intellectual mix of perspectives that captures the relationship between people state and region This book will be of interest to those studying traditional and non traditional security threats Asian human development and critical policy analysis     **Energy in American History** Jeffrey B. Webb, Christopher R. Fee, 2024 Contextualizes and analyzes the key energy transitions in U S history and the central importance of energy production and consumption on the American environment and in American culture and politics     **Victorian Literature, Energy, and the Ecological Imagination** Allen MacDuffie, 2014-05-29 Reading Victorian literature and science in tandem Victorian Literature Energy and the Ecological Imagination investigates how the concept of energy was fictionalized both mystified and demystified during the rise of a new resource intensive industrial and economic order The first extended study of a burgeoning area of critical interest of increasing importance to twenty first century scholarship it anchors its investigation at the very roots of the energy problem in a period that first articulated questions about sustainability the limits to growth and the implications of energy pollution for the entire global environment With chapters on Charles Dickens John Ruskin Robert Louis Stevenson Joseph Conrad and H G Wells Allen MacDuffie discusses the representation of urban environments in the literary imaginary and how those texts helped reveal the gap between cultural fantasies of unbounded energy generation and the material limits imposed by nature     **Red Army Faction, A Documentary History** J. Smith, André Moncourt, 2009-02-01 The first in a two volume series this is by far the most in depth political history of the Red Army Faction ever made available in English Projectiles for the People starts its story in the days following World War II showing how American imperialism worked hand in glove with the old pro Nazi ruling class shaping West Germany into an authoritarian anti communist bulwark and launching pad for its aggression against Third World nations The volume also recounts the opposition that emerged from intellectuals communists independent leftists and then explosively the radical student movement and countercultural revolt of the 1960s It was from this revolt that the Red Army Faction emerged an underground organization devoted to carrying out armed attacks within the Federal Republic of Germany in the view of establishing a tradition of illegal guerilla resistance to imperialism and state repression Through its bombs and manifestos the RAF confronted the state with opposition at a level many activists today might find difficult to imagine For the first time ever in English this volume presents all of the manifestos and communiqu s issued by the RAF between 1970 and 1977 from Andreas Baader s prison break through the 1972 May Offensive and the 1975 hostage taking in Stockholm to the desperate and tragic events of the German Autumn of 1977 The RAF s three main manifestos The Urban Guerilla Concept Serve the People and Black September are included as are important interviews with Spiegel and le Monde Diplomatique and a number of communiqu s and court statements explaining their actions Providing the background information that readers will require to understand the context in which these events occurred separate thematic sections deal with the 1976 murder of Ulrike Meinhof in prison the 1977 Stammheim murders the extensive use of psychological

operations and false flag attacks to discredit the guerilla the state s use of sensory deprivation torture and isolation wings and the prisoners resistance to this through which they inspired their own supporters and others on the left to take the plunge into revolutionary action Drawing on both mainstream and movement sources this book is intended as a contribution to the comrades of today and to the comrades of tomorrow both as testimony to those who struggled before and as an explanation as to how they saw the world why they made the choices they made and the price they were made to pay for having done so     *A Documentary History of Unitarian Universalism, Volume Two* Dan McKanan,2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history This critical resource covers the long histories of Unitarianism Universalism and Unitarian Universalism in the United States and around the world and offers a wealth of sources from the first fifty five years of the Unitarian Universalist Association From Arius and Origen to Peter Morales and Rebecca Parker this two volume anthology features leaders thinkers and ordinary participants in the ever changing tradition of liberal religion Each volume contains more than a hundred distinct selections with scholarly introductions by leading experts in Unitarian Universalist history The selections include sermons theologies denominational statements hymns autobiographies and manifestos with special attention to class cultural gender and sexual diversity Primary sources are the building blocks of history and *A Documentary History of Unitarian Universalism* presents the sources we need for understanding this denomination s past and for shaping its future     **Choice** ,2004     **Liberty and Sexuality** David J. Garrow,2015-07-07 Pulitzer Prize winning author David J Garrow s stirring and essential history of the politics of abortion and America s battle for the right to choose In 1973 the Supreme Court handed down its landmark Roe v Wade decision legalizing abortion and more than forty years later the issue continues to spark controversy and divisiveness But behind this historic legal case lie the battles women fought to establish their rights to use contraceptives and choose to have an abortion *Liberty and Sexuality* traces these political and legal struggles in the decades leading up to Roe v Wade including the momentous 1965 Supreme Court ruling in *Griswold v Connecticut* that established a constitutional right to privacy Garrow personalizes the struggles by detailing the vital contributions made by dozens of crusaders who tirelessly paved the way This expansive and substantial work also addresses the threats to sexual privacy and the legality of abortion that have risen since Roe v Wade With abortion still a contentious subject on the national political landscape *Liberty and Sexuality* is not just a historical account of the right to choose but an indispensable read about preserving a freedom that continues to divide America     **Controlling Reproduction** Andrea Tone,1997 This title discusses the history of reproduction in the USA As reproduction has been construed chiefly as a female responsibility the volume stresses the centrality of gender to its history examining why reproduction as a biological social and economic function became a gendered construct     *American Reference Books Annual* Bohdan S. *Liberation* Elina Vuola, 2002-09-19 How far are the real lives of millions of poor women really catered for in liberation and feminist theologies Vuola argues here that traditional liberation theology's notion of praxis as in L Boff and E Dussel is limited by its essentialist notion of poor and its neglect of the issue of poor women's reproductive rights Classical feminist theologies on the other hand are fraught with their own essentialist notions women's experience Both discourses are inadequate to deal with poor women's suffering widespread maternal mortality high rates of botched illegal abortions and an overall lack of reproductive rights As a response to this lack Vuola nurtures a form of Latin American feminist liberation theology that addresses directly the suffering and death of these millions of women      Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2020-07-16 Sociology of Sexualities takes a unique sociological approach to the study of sexualities and explores the ways sexuality operates in and through institutions Drawing on the most up to date scientific research on sexuality as well as the latest political developments on the issues this core text helps students connect knowledge about sexuality with their broader understanding of society The thoroughly revised Second Edition includes updated and expanded discussions of the latest sociological research and social justice movements regarding gender and sexuality as well as a new chapter exploring sexuality and social class space and place Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank      Surviving Slavery in the British Caribbean Randy M. Browne, 2017-08-16 Surviving Slavery in the British Caribbean depicts the human drama in which enslaved Africans struggled against their enslavers and environment and one another The book reorients Atlantic slavery studies by revealing how social relationships cultural practices and political strategies reflected an unrelenting fight to survive      **Justice and Gender** Deborah L. RHODE, Deborah L Rhode, 2009-06-30 This is the first book to provide a comprehensive investigation of gender and the law in the United States Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women's activities and attitudes toward these new developments She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change Table of Contents Introduction Part One Historical Frameworks 1 Natural Rights and Natural Roles Domesticity as Destiny The Emergence of a Feminist Movement Nineteenth Century Legal Ideology Separate and Unequal 2 The Fragmentation of Feminism and the Legalization of Difference The Postsuffrage Women's Movement Separate Spheres and Legal Thought Part Two Equal Rights in Retrospect 3 Feminist Challenges and Legal Responses The Growth of the Contemporary Women's Movement Governmental Rejoinders Liberalism and Liberation 4 The Equal Rights Campaign Instrumental Claims Symbolic Underpinnings Political Strategies Requiem and Revivals 5 The Evolution of Discrimination Doctrine The Search for Standards Separate Spheres Revisited Bona Fide Occupational Qualifications Definitions of Difference Part Three Contemporary Issues 6 False Dichotomies Benign and Invidious Discrimination in

**State Crime, Women and Gender** Victoria E. Collins, 2015-10-05 The United Nations has called violence against women the most pervasive yet least recognized human rights abuse in the world and there is a long established history of the systematic victimization of women by the state during times of peace and conflict This book contributes to the established literature on women gender and crime and the growing research on state crime and extends the discussion of violence against women to include the role and extent of crime and violence perpetrated by the state State Crime Women and Gender examines state perpetrated violence against women in all its various forms Drawing on case studies from around the world patterns of state perpetrated violence are examined as it relates to women's victimization their role as perpetrators resistors of state violence as well as their engagement as professionals in the international criminal justice system From the direct involvement of Condaleeza

Rice in the United States led war on terror to the women of Egypt's Arab Spring Uprising to Afghani poetry as a means to resist state sanctioned patriarchal control case examples are used to highlight the pervasive and enduring problem of state perpetrated violence against women The exploration of topics that have not previously been addressed in the criminological literature such as women as perpetrators of state violence and their role as willing consumers who reinforce and replicate the existing state sanctioned patriarchal status quo makes *State Crime Women and Gender* a must read for students and scholars engaged in the study of state crime victimology and feminist criminology

**The Oxford Handbook of American Women's and Gender History** Ellen Hartigan-O'Connor, Lisa G. Materson, 2018-09-04 From the first European encounters with Native American women to today's crisis of sexual assault The Oxford Handbook of American Women's and Gender History boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women's and gender history can shape how we view the past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women's opinions to the suppression of Indian women's involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women's lives to all dimensions of the American past even as they show that the boundaries of women's American and history have shifted across the centuries

Sacred Rights Daniel C. Maguire, 2003 Contains twelve essays in which religious scholars examine the issues of contraception and abortion as seen from various faith traditions and present alternative interpretations of restrictive views on family planning
