Scriptures Of Venus:

Venus: Don'T Go There Michael T. Santini, 2014-11-20 Where do the unrighteous go after death What is the plight of the guilty after the Day of Judgment Are places like heaven hell and the lake of fire physical locations in the universe Biblically based and scientifically reasoned answers to these questions and more lead to locating the planet Venus as one possible place for perdition The book *Venus Don t Go There* What Science and Religion Reveal about Life after Death reviews past and present discoveries and provides future evidence for alliance between the physical sciences and the Bible God ordained the sciences and religion to work together for the common good and to lead toward a comprehensive understanding of the future Correlation between the Holy Scriptures and the sciences can work together to provide reasonable and meaningful truths Through interdisciplinary study the author deduces the ultimate destiny for unsaved humanity could be within the solar system while providing a unique perspective to life after death **Scripture of Venus** Robert Bensen, 1999-11-01 **A**

Commentary on the Holy Scriptures Johann Peter Lange, 1870 [Index to the Heavenly Arcana Contained in the Sacred Scriptures](#) Emanuel Swedenborg, 1848 *A Bible-Based Chronology from the Creation to the Second Advent of Jesus Christ* Jim Dodge, 2018-11-09 The Scriptures reveal that when we enter the latter days we ll find ourselves in an increasingly chaotic world where godlessness and lawlessness rule the day During this time God s word will be neglected and twisted for self serving agendas truth will become subjective and relative and entertainment idolatry liturgy and rituals will replace the Lord Jesus from being the central focus of worship in mainline churches In this Bible based chronology the author examines where we are on God s timeline and more importantly why it s not too late to benefit from God s incredible message of creation redemption and eternal life Importantly for these end times the Bible contains an amazingly accurate timeline dating from the Creation to the Second Coming It s been intentionally hidden but specific windows of time highlight the latter days Celebrate God s imminent return and learn about the specific generation that will see all these things before it passes away so that we as children of light should not let the day of the Lord s return overtake us as a thief in the night **A**

The Celestial Code of Scripture John McHugh,2021-12-14 While researching celestial mythology at Brigham Young University John McHugh stumbled upon the arcane code that is the template for the legends and miracles in all Mesopotamian Greek Roman Jewish Christian and Islamic scriptures This code was embedded in the archaic Mesopotamian belief system that conceptualized the astral sky as the heavens and its constellations and planets as deities inhabiting this divine realm Celestial tableaux were understood as historical scenes that had once taken place on earth Mesopotamian astronomers were regarded as magicians the magi whose task was to interpret and elaborate secretly on this Heavenly Writing the literal writing of the gods The Celestial Code of Scriptures is the first book to present and explain this secret Mesopotamian cipher
