Living Materials Oliver Andrews, 1988-09-23 Every material has an active presence and every material is susceptible to change The task of the sculptor is to understand the natural properties of a chosen material to know in the process of creation how best to work with or against its characteristics In this generously illustrated studio manual sculptor Oliver Andrews takes a new approach to sculpture focusing on how the innate assertiveness of materials affects the complex act of making a sculpture

Plastics Anne Gunnison, David Joselit, 2025-11-11 Why modern and contemporary art and art conservation can t be understood without taking account of the revolutionary impact of plastics Modern and contemporary art wouldn t exist without the invention of plastics From sculpture to paint and photography to film plastics have shaped every major medium of art In turn plastics have revolutionized art conservation transforming the possibilities of preservation but also producing new challenges

for conservators struggling to preserve toxic and degrading material Hailed as utopian in the twentieth century plastics today are often understood as pollution and waste a central cause of ecological crisis Plastics is the first book to address the multifaceted history of plastics from the perspective of artists art historians conservators and environmental scientists Plastics demonstrates that this material cannot easily be summarized as toxic or utopian catastrophic or necessary Instead plastics define the modern world in both its possibility and failures The book also reveals how artists have been a critical overlooked voice in debates about plastics and how they have offered theories of the material through works that explore its potential and harmfulness Presenting a variety of perspectives on the world of plastics through the lens of art artmaking art history and art conservation Plastics shows why and how coming to terms with this material is critical to understanding not only modern and contemporary art and art conservation but also the crises of the twenty first century **Art Plastic** Andrea DiNoto,1984 Ranging from Art Deco to Pop this collection of illustrations of plastic items contains everything from jewelry to furniture and provides information for collectors and designers From amazon com Plastics for Kinetic Art Nicholas Roukes,1974 How to use moire mirrors reflective shapes lenses light polarizers prisms and magnetic force to make constructions lamps color guns sculpture flat surface kinetics light boxes lumia photomontages Cover subtitle **Plastics in Sculpture** Alexine Lena Henny Rice,1970
