

golf's new wave

BY
MARK STEWART

A full-page photograph of golfer Se Ri Pak in the middle of a celebratory golf swing. She is wearing a white cap with a blue and red logo, a black short-sleeved polo shirt with a small white logo on the left chest, and white pants. She has a joyful expression, with her mouth open in a smile. The background is a blurred green field.

Cressman,2023-11-14 *Seoul Ambition* is the remarkable story of how the nation of South Korea despite its infamous obsession with academics focuses feverishly on sports in ways much different than what we're used to in the West South Korean athletes dominate leaderboards in international golf events and have won the most Olympic medals of all time in archery and short track speed skating The country has produced transcendent talents in figure skating and the budding arena of esports creating a seemingly never ending pipeline of children who want to emulate their success Yet the talent development process in Korea presents an interesting conundrum Though all young athletes pour in hours of practice Korean athletes traditionally only become world class in a select few niche sports One victory from a 20 year old golfer caused one of the greatest talent rushes in modern sports but a captivating World Cup run in men's soccer did not In fact Son Heung-min the most dynamic Korean soccer player of all time actually had to rebel against the system to become a creative genius What is happening behind the scenes After spending years as a coach and physical education teacher in Seoul author Joel Cressman set out to answer that question *Seoul Ambition* explores the amazing stories of A young baseball prodigy who taught himself how to throw left handed to become one of the most accurate Major League pitchers of all time How South Korea intentionally used East Germany as a model to win more medals and the ideological battle over North Korea An educational system that pushes athletes to focus full time on their sports while ignoring academics to get into top universities Why the Korean Basketball League banned tall players to help save the sport The story and the surprising neuroscience behind how Korea became the global hotbed of professional video gaming The misconceptions of Tiger Parenting and how a hands on parenting style is viewed differently by East Asian children than Western kids Why the country's best speed skater was forced to defect to Russia How the national men's and women's hockey teams willed themselves from obscurity to compete with the world's best at the 2018 Olympics Full of extraordinary stories of athletes and their dedicated parents the book explores the science and history behind one of the most interesting sports cultures in the world *Seoul Ambition* will change the way you think about talent and creativity the power of community and national identity and the fascinating process of creating world class athletes **The Fictions that Shape Men's Lives** Christopher Kilmartin,2021-04-21 *The Fictions that Shape Men's Lives* is structured around a number of key fictions of masculinity such as beliefs in biological

determinism the inevitability of men's violence and the opposition of the sexes and proceeds to expose them to be wholly or partially unfounded Examining the social pressure to behave and experience the self in ways that culture prescribes for the bodies we are perceived as having this book provides an awareness of widely held but distorted assumptions of gender It also seeks to put men into the position to resist masculine social pressures when conforming to it conflicts with important life goals or values and or causes harm Making use of an informal storytelling style provides an accessibility to those interested in breaking down their preconceptions of gender and masculinity as well making links to key theories and concepts This is a lively and engaging book for undergraduates studying introduction to Gender Sexuality and Masculinity courses *Great Athletes*, 2010

Sports Leaders & Success Investor's Business Daily, 2004-06-07 Sports Leaders Success chronicles how 55 celebrated athletes and coaches rose to the top of their games uncovering methods that can be adapted to any competitive environment and translated into success Building on the popular and respected Investor's Business Daily Leaders Success section this inspirational results focused book examines How basketball legend John Wooden won an unsurpassed 10 of 12 NCAA Championship titles How Mia Hamm's commitment made her the all time leading scorer in women's soccer How Michael Jordan's dedication won him the NBA scoring title a record 10 times *School Library Journal*, 2000

Driving Myself Crazy Jessica Maxwell, 2001-02-27 Adventure writer Jessica Maxwell loves a challenge and decided to tackle golf the way she had tackled skiing and fly fishing two demanding sports she took up in her early thirties after a life as a confirmed non jockette Surely golf couldn't be that much more difficult could it In this irreverent memoir we have a front row seat as Jessica struggles to learn golf's etiquette traditions and complex rules from her first comical attempts to coax practice balls out of a golf ball machine to just hitting the damn ball to acquiring her own set of Nancy Lopez clubs Among her coaches are Peter Croker a revolutionary Australian teaching pro Cindy Swift Jones his partner and putting guru and Al Mundle the Harvey Penick of the Northwest as well as seventy eight year old American women's golf legend Peggy Kirk Bell and the queen of golf herself Nancy Lopez A willful celebration of what one golf coach called the atrocious first year *Driving Myself Crazy* is an often hilarious always inspiring tale of one woman's obsession with proving to herself that golf played right is a beautiful game at least for that moment *The New York Times Biographical Service*, 1999 A compilation of current biographical information of general interest *Seoul*, 1998
