Harvey, Norman Hapgood, 1906 **Queen of Camelot** Nancy McKenzie, 2002-04-09 Return to a time of legend the days of Guinevere and Arthur and the glory that was to become Camelot On the night of Guinevere's birth a wise woman declares a prophecy of doom for the child She will be gwenhwyfar the white shadow destined to betray her king and be herself betrayed Years pass and Guinevere becomes a great beauty riding free across Northern Wales on her beloved horse She is entranced by the tales of the valorous Arthur a courageous warrior who seems to Guinevere no mere man but a legend Then she finds herself betrothed to that same famous king a hero who commands her willing devotion Just as his knights and all his subjects

she falls under Arthur's spell At the side of King Arthur Guinevere reigns strong and true Yet she soon learns how the dark prophecy will reveal itself She is unable to conceive Arthur's only true heir is Mordred offspring of a cursed encounter with the witch Morgause Now Guinevere must make a fateful choice She decides to raise Mordred teaching him to be a ruler and to honor Camelot She will love him like a mother Mordred will be her greatest joy and the key to her ultimate downfall Guinevere comes alive a strong resourceful and compassionate woman accessible to modern folk The Arthur Guinevere Lancelot triangle comes alive as well believable poignant and bearing the seeds of tragedy Katherine Kurtz *Collier's*, 1906 **Travel Magazine**, 1907 **Man of Salt: The Story of Marcus Livius Salinator and the Battle of the**

Metaurus In Hannibal's War With Rome Frank Gugino, 2019-08-29 Marcus Livius last year's war hero is angry at the ungrateful Romans for convicting him on phony charges Disgraced in exile he vows never to return to Rome Then tragedy strikes home after the disaster at Cannae A grieving Marcus plunges into depression blaming his hubris for losing his mind career and family Hannibal defeats one Roman army after another poised to conquer Rome itself Marcus's countrymen turn to him as their last hope to avert destruction Can Marcus overcome his anger and bitterness especially when the other consul Nero is the man responsible for his unjust conviction The fate of Rome hinges on his ability to recover his senses and defeat the enemy at the Battle of the Metaurus The author states have endeavored to tell the story of a man whose life seemed most unusual to me In the process I've attempted to synthesize the historical narrative of the War with Hannibal around Livius's imagined life maintaining a healthy respect for the actual characters and events as gleaned from the pages of Livy and Polybius my primary sources A work of Historical Fiction from Merriam Press Steven Manchester 1 Best Selling author The Rockin Chair said In Gugino's epic novel characters are real and relatable scenes are vivid plot is a true page turner Gugino's writing is powerful invoking a constant state of intrigue I highly recommend this book *Human Geography* Joseph Russell Smith, 1922 **Journal of Reconstructives, Dietetics and Alimentation**, 1905 *The Seabrooks* Peter V.

Speziale, 2014-10-07 *The Seabrooks* is the first book in a three part saga that I am writing This three part saga chronicles and depicts the Seabrook family as they struggle to maintain their position of neutrality in the Revolutionary War The entire family which consists of Betty Henry and John is convicted to their well entrenched views toward the war that is that they wish for the war to end as quickly and peacefully as possible and with the least amount of bloodshed and property damage as possible And most important of all they want to stay completely out of the entire affair But they are tested by loyalists and patriots alike and they have to resist temptations pressures and other factors that attempt to sway their opinions and ideologies That is to say both loyalists as well as the British and patriots want the neutralists to join their side because they both knew that it was the neutralists that held the balance of power and thus they held the key to victory The Seabrooks are subjected to a series of events that test the integrity of their neutrality and their resolve to stay neutral But eventually a very significant event impacts the entire family and causes them to reassess their ideologies and political views in regards to the

war The saga focuses on the life of John Seabrook who is the only son and child of Henry and Betty Seabrook They are a strong and morally upright family and they portray a typical and traditional family that was common during the Revolutionary War era They are members of the roughly one third of the colonial Americans who wished to remain neutral in the war These neutralists as I call them took on a political view that emphasized not only staying uninvolved throughout the war but they also desired a swift bloodless and peaceful resolution to the conflict perhaps nowadays one might refer to them as pacifists

Saving the Georgia Coast Paul Bolster, 2020-03-15 Fifty years ago Georgia chose how it would use the natural environment of its coast The General Assembly passed the Coastal Marshlands Protection Act in 1970 and surprisingly Lester Maddox a governor who had built a conservative reputation by defending segregation signed it into law With this book Paul Bolster narrates the politics of the times and brings to life the political leaders and the coalition of advocates who led Georgia to pass the most comprehensive protection of marshlands along the Atlantic seaboard *Saving the Georgia Coast* brings to light the intriguing and colorful characters who formed that coalition wealthy island owners hunters and fishermen people who made their home on the coast courageous political leaders garden club members clean water protectors and journalists It explores how that political coalition came together behind governmental leaders and traces the origins of environmental organizations that continue to impact policy today *Saving the Georgia Coast* enhances the reader's understanding of the many steps it takes for a bill to become a law Bolster's account reviews state policy toward the coast today giving the reader an opportunity to compare yesterday to the present Current demands on the coastal environment are different including spaceports and sea rise from climate change but the political pressures to generate new wealth and new jobs or to perch a home on the edge of the sea are no different than fifty years ago *Saving the Georgia Coast* spotlights the past and present decisions needed to balance human desires with the limits of what nature has to offer
