Frank Baum, 2017-05-17 I am told that some very learned people deny that mermaids or sea serpents have ever inhabited the oceans but it would be very difficult for them to prove such an assertion unless they had lived under the water as Trot and

Cap'n Bill did in this story I hope my readers who have so long followed Dorothy's adventures in the Land of Oz will be interested in Trot's equally strange experiences. The ocean has always appealed to me as a veritable wonderland and this story has been suggested to me many times by my young correspondents in their letters. Indeed a good many children have implored me to write something about the mermaids and I have willingly granted the request.
