Sudski's Ainu related materials for their most part previously unpublished. In addition it comprises Pi. Sudski's research reports on his expeditions, a superb collection of fifty prayers in Ainu as well as texts and melodies recovered from Pi. Sudski's famous wax cylinder recordings of Ainu folklore of 1902-1903. The bibliographies printed in volume 1 are extensively enhanced. Abundant illustrative material is included. Folk Literature of the Yamana Indians Johannes Wilbert, 2023-11-15 In my opinion this project of publications devoted to folk literature of South America is of paramount importance. South American mythology belongs to the spiritual inheritance of mankind on par with the great masterpieces of Greek and Roman antiquity and of the Near and Far East. At the present time this material is scattered in numerous publications most of which are not easy to locate. It would do a great service to scholars all over the world and to the general public to have them collected in a series of volumes. Claude Lévi-Strauss: It is time we had a set of volumes containing good source material for those who wish to study South American indigenous narratives. I am also quite certain that many nonspecialists would be interested in original documents of this kind. Gerardo Reichel Dolmatoff: In my opinion this project of publications devoted to folk literature of South America is of paramount importance. South American mythology belongs to the spiritual inheritance of mankind on par with the great masterpieces of Greek and Roman antiquity and

British authority over the Falkland Islands Las Malvinas in Spanish a commercial fishing boom and offshore oil discoveries
have intensified the sovereignty dispute over the South Atlantic archipelago Scholarly literature on the South Atlantic focuses

primarily on military history of the 1982 conflict However contested claims over natural resources have now made this disputed territory a critical site for examining the wider relationship between imperial sovereignty and environmental governance James J A Blair argues that by claiming self determination and consenting to British sovereignty the Falkland Islanders have crafted a settler colonial protectorate to extract resources and extend empire in the South Atlantic Responding to current debates in environmental anthropology critical geography Atlantic history political ecology and science and technology studies Blair describes how settlers have asserted indigeneity in dynamic relation with the environment Salvaging Empire uncovers the South Atlantic s outsized importance for understanding the broader implications of resource management and environmental science for the geopolitics of empire

A Way of Seeing John Allison,2003 We usually think of imagination as a fanciful whimsical faculty that has little to do with reality and truth This beautifully written book by the Australian poet John Allison shows how ordinary imagination can be intensified to become an organ of cognition a path of development to real knowing Allison shows how poetry poetic knowing and seeing can reveal aspects of the world invisible to science Three lucid chapters describe the path to true imagination where attention is the key First we must practice it then we must become aware of the processes involved in it Learning to experience poise we must come to terms with the shadow or all that says No in us The combination of attention equanimity and assent opens the world in a new way Allison then examines how poets have actually developed and practiced the kind of deep seeing that image work involves For this he draws on William Shakespeare William Blake Samuel Taylor Coleridge John Keats Johann Wolfgang von Goethe Novalis John Ruskin Gerard Manley Hopkins Rainer Maria Rilke and Octavio Paz The author concludes with a sequence of his own poems that exemplify the philosophy and practice he has developed Contents Preface A Way of Seeing One Developing Imagination Attending to Attentiveness Experiencing Poise Developing Imagination Owning the Shadow Getting It Two Poets and Imagination Freeing Imagination from Fancy Negative Capability Deep Seeing Instress and Inscape Heartwork Three The Poetic Image Another Way of Seeing Things Four Seeing Things Living in the World Connections Three Portals of Imagination Otanerito Triptych Crossings Indwelling the Overlap Catlins Gateway Reflected Light Seeing Things II
