Blackburn, 2016-04-08 Across the country museums and historic sites welcome visitors into a world long gone but fundamental to America today Military history in particular is etched into our country s culture and the public s imagination The trouble though for museums and historical sites lies in continuing to make it both accessible and relevant to today s audiences Through *Interpreting American Military History at Museums and Historic Sites* Marc K Blackburn tackles the difficult task of helping those institutions charged with

Allies in Air Power Steven Paget,2021-01-04 In the past century multinational military operations have become the norm but while contributions from different nations provide many benefits from expanded capability to political credibility they also present a number of challenges Issues such as command and control communications equipment standardization intelligence logistics planning tactics and training all require consideration Cultural factors present challenges as well particularly when language barriers are involved In Allies in Air Power experts from around the world survey these operations from the birth of aviation to the present day Chapters cover conflicts including World War I multiple theaters of World War II the Korean War the Vietnam War the Gulf War Kosovo the Iraq War and various United Nations peacekeeping missions Contributors also analyze the role of organizations such as the UN NATO and so called coalitions of the willing in laying the groundwork for multinational air operations While multinational military action has become commonplace there have been few detailed studies of air power cooperation over a prolonged period or across multiple conflicts The case studies in this volume not only assess the effectiveness of multinational operations over time but also provide vital insights into how they may be improved in the future

Desert Storm Air Power Roy Braybrook,1991-05-23 When Iraq invaded the sovereign state of Kuwait in the early hours of 2 August 1990 the United Nations immediately condemned the invasion and sanctioned the use of force to remove the Iraqis from Kuwait At the time of the invasion the Iraqi Air Force was a large force though without the tactical capabilities possessed by the Western forces On 17 January 1991 Operation Desert Shield was initiated targeting enemy airfields and air defence The threat of the IAF was largely negated in the face of the overwhelming air superiority provided by the coalition forces
