to some extent by writing down his experiences In 1922 encouraged by his friend George Bernard Shaw Cherry Garrard wrote *The Worst Journey in the World* his memoir of the incredible 3 years he spent in Antarctica Over 80 years later this book is still in print and is often cited as a classic of travel literature having been acclaimed as the greatest true adventure story ever written **The War at Sea, 1939-1945** Stephen Wentworth Roskill,1954 The Publishers Weekly ,1902

**Index to the World Great Classics** ,1902 *The Complete History of Cross-Country Running* Andrew Boyd Hutchinson,2018-01-16 In *The Complete History of Cross Country Running* author Andrew Boyd Hutchinson captures the full history of cross country running from the early 1800s to the present day on both a national and international scale It includes chronicles of legendary teams inspirational tales of achievement controversies and interviews with record breaking runners past and present From Walter George and Alfred Shrubbs to Steve Prefontaine Bill Rogers and Galen Rupp and everyone in between Hutchinson uncovers all angles via training logs discussions with coaches and the review of newspaper archives for race results and forgotten storylines He offers commentary from Olympians such as David Torrence and Shannon Rowbury amongst others Along the way the book addresses the following topics How cross country began in England How the sport found its way to American colleges and universities The birth of the International Cross Country Championships All the close events including the 2012 race between Molly Huddle and Sara Hall at the US National Cross Country Championship And so much more A Pilgrimage Through Universities Charles E. Odegaard,1999 President of the University of Washington from 1958 to 1973 a time of tremendous change Charles Odegaard has written an absorbing memoir of his personal and institutional background and his development as a scholar and university administrator President Richard L McCormick and Professor of Biomedical Ethics Keith R Benson further discuss Odegaard's lasting contributions to the University of Washington Beginning with his own undergraduate experience Odegaard came to recognize the importance of the humanities as the vital center of the university tradition Throughout his career he emphasized that education concerned with the quality of life should be foremost in the minds of university administrators and faculty After retirement he continued this mission in his book *Dear Doctor A Personal Letter to a Physician* focusing on the need to train physicians in the humanities in order to strengthen the doctor patient relationship Growing up in Chicago Odegaard attended Dartmouth College and then Harvard University where he studied medieval history and received his doctorate in 1937 He then joined the history department faculty at the University of Illinois A four year tour of duty as an officer in the U S Navy during World War II deeply influenced his comprehension of how people are motivated to work toward a common goal under difficult conditions In 1948 he was persuaded to move to Washington D C to head the American Council of Learned Societies In 1952 he accepted the position of Dean of Arts and Sciences at the University of Michigan and he moved to the presidency of the University of Washington in the fall of 1958 Under Odegaard's strong leadership the University of Washington grew into a major institution of higher learning and research Among his primary concerns were finding superior academic administrators

accommodating rapid growth in enrollment encouraging interdisciplinary cooperation fostering greater communication between students and faculty working to establish a realistic system linking state universities and colleges and dealing with student discontent during the Vietnam War years and the periods of minority student protests In *A Pilgrimage through Universities* Charles Odegaard conveys his perspective on the role a major university should play in the modern world
