Dahlstrand Rivadeneira while she was crying on the kitchen floor that she could find a way to praise God in this situation she wouldn't have believed you. In fact she might have thrown something at you. Looking around at a life that was disappointingly different from what she'd dreamed she couldn't imagine honestly singing out a hallelujah. But then it occurred to her that well maybe she could manage to grumble one. Have you been there? During life's lowest moments it is so tempting to blame ourselves, our circumstances or God. But what would happen if we turned to God and managed to praise him instead in whatever way we could? Might he show up and help us find the things in our lives that he made to be loved? Grumble. Hallelujah offers humor, candid stories and solid scriptural backing that will help you see clearly just how your life is meant to be lived and loved.

Scottish Voices From the Great War Derek Young, 2016-07-11 Scotland's response to the Great War has up until now largely been marginalized or ignored. With a proportionally higher number of volunteers than any other home nation, Scotland's youth played a significant part in Britain's war effort. Here is the first study of Scotland's response to the call to arms, the true story behind the raising, the training, life in the trenches and the sacrifices faced by those battalions raised in Scotland. This book focuses on the experiences of those who served in the Scottish divisions. Charting the course of emotions from initial enthusiasm in August 1914 through to outright disillusionment with the continuation of the war in 1917, the author clearly shows how life at the front line produced both physical and emotional changes in those caught up in the horrors of trench warfare.

Country Life in the War, 1919 **Fire Brand** Val St. Crowe, I'm Penny Caspian and my life is damned near perfect. I have a beautiful new baby who I love so much it hurts and his dad Detective Lachlan Flint is still as wonderful as he's ever been. We never thought we'd ever be this lucky but here we are. Of course the Eaglelinx corporation is still using their candies to create rogue dragons. I swore I'd stop them but I've been a bit busy changing diapers and doing night feedings the past nine months. When Eaglelinx threatens to use their influence to take my hotel, I realize my time is running out. I have to stop them now. But we've just taken on a new murder case. Beckett James Stanley, a figure from the early days of gargoyle rights, has been killed while he lay in his hospital bed. We've got to find the murderer and bring him or her to justice. It's fine though, I've got this. I can do it all and still be home in time to put my son to bed.
