This text explores truth lies fear populism politics faith the environment post modernity and our shared public life Jasper F. White, 2022-07-29 Tending the Fire at the Center of the World engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church's most native theological way of knowing and being which participates with God's own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church's teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ's body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God's gifts and inviting our worship Polish Countryside in Transition Wioletta Knapik, Tomasz Masłyk, Katarzyna Zajda, Łukasz Trembaczowski, 2025-07-14 Today s quality of life in the Polish countryside is intertwined with residents social capital resources To describe the matter comprehensively and suggest potential trends the authors examine in four chapters critical socioeconomic issues that have shaped selected dimensions of the rural quality of life in Poland In addition to the description of Polish rural areas before and after accession to the European Union 1 the level and standards of living in the countryside identified in the study is presented 2 The social capital of the Polish rural population 3 and the changes in the quality of life in the Polish countryside from the perspective as perceived by local leaders are also described in detail 4 Post Celtic Tiger Landscapes in Irish Fiction Marie Mianowski, 2016-11-03 This volume discusses place and landscape in Irish fiction since 2008 including work by
