*The Quest* Lyman C.D. Kulathungam,2012-04-25 The human spirit seems incapable of being stagnant ever pushing the boundaries of knowledge and experience We try to understand life through questions regarding our own existence the nature of the universe and the nature of God The question of our collective heart is the external manifestation of an internal longing a quest if you will This thirst to understand reality can be seen in superstructures that are scientific social political and especially religious When considering the doctrines institutions and rituals of religions we observe certain core aspirations expressed by the people of these communities These aspirations generate from an underlying quest which seeks a way out of our perceived predicament a salvific quest Regardless of whether we view ourselves as religious pre religious post religious or non religious we find ourselves involved in such a quest it seems to be an integral part of our human personhood Using a unique framework of analysis this book explores Christ s relevance to the quest expressed by the communities of eight major living religions a relevance that neither degrades Christ nor demeans other saviors Christ is not part of the human quest but is well equipped to satisfy that quest      25 Icons of Peace in the Qur'an Mary Saad Assel,2010-03-19 The prophets in the Quran condemn war hatred and disparity and advocate the belief in Gods oneness and His call for peace among mankind Assel successfully captures the minds of readers by giving them the opportunity to analyze and compare the stories of the prophets in the Quran with those of the prophets from the Old and New Testaments She brings together the validated

interpretations of both Sunni and Shia schools of thought in order to sustain objectivity and allow room for comparison and interpretation Islam is an important force of solidarity and unity among mankind It is the ultimate triumph to Muslims who perceive it to be the final test to a peace seeking democratic society that denounces the dominant forces that are conspiring against it This book is a valuable reference and text for students professionals scholars and all who are interested in learning about Islam without having to read the entire Quran It brings to the forefront the belief that Islam is truly a religion of peace It was the death of her thirty three year old son Mazen and her search for spiritual and emotional peace that inspired her to write this book

The Life Codes Patty Harpenau,2010-05-27 In the tradition of *The Alchemist* comes an internationally bestselling novel based on the author's own mystical journey to discover the seven secrets to creativity abundance healing and love Unsatisfied and unfulfilled by her understanding of life after the death of her father Michal journeys to Jerusalem to see if the great mystic rabbis hold any answers What she discovers and what Patty Harpenau learned were the seven secret codes to live by *The Life Codes* embodies the mystical essence of Judaism Christianity and Islam that have been locked in secret texts and whispered in private ritual only to men of a certain age Patty Harpenau broke down barriers when she was given these codes and in this novel based on her own spiritual journey she shows the process of discovery and how to apply these seven secrets to our lives in order to fulfill our purpose and our potential Each of the seven codes is revealed as part of Michal's narrative Each of the seven chapters ends in questions that help readers integrate the code into their lives and develop their own spiritual paths to peace creativity abundance self acceptance love and happiness It is a heart wrenching story of love of relationships that transcend time life and death and of a woman breaking through barriers to achieve her greatest aspiration
