Description

In this meditative spiritual memoir, Judith Valente, celebrated PBS religion journalist and celebrated poet, invites readers along on her transformative pilgrimages to Mount St. Scholastica monastery in Atchison, Kansas. The Benedictine sisters who invited Valente presented her with a view of monastic life and wisdom that brought spiritual healing to her fast-paced life—and promises to do the same for her readers. The first time Judith Valente arrived at Mount St. Scholastica monastery, she came prepared to teach a course on poetry and the soul. Instead, she found herself the student, taking lessons from the Benedictine sisters in the healing nature of silence, how to cultivate habits of mindful living, and the freeing reality that conversion is a lifelong process. With the heart of a poet and the eye of a journalist, she tells how her many visits and interviews with the Benedictine sisters forced her to confront aspects of her own life that needed healing—a journey that will invite readers to healing of their own. A beautiful and heartfelt work that crosses The Cloister Walk with Tuesdays with Morrie, Atchison Blue will resonate with readers of Thomas Merton, Henri Nouwen, Mary Gordon, and Anne Lamott.

Don't Laugh, It'll Only Encourage Her Daisy May Cooper, 2021-10-28 THE SUNDAY TIMES NO 1 BESTSELLER Discover the hilarious memoir written by the most relatable woman in the world Daisy May Cooper creator and star of BBC's award winning comedy *This Country* Thank goodness for gloriously silly Daisy May Cooper Joyful irreverent and totally uplifting THE TIMES Hilarious A riot from start to finish DAILY EXPRESS Bloody brilliant like the woman herself HEAT _____ I've always had an over active imagination and felt the urge to be a massive f king show off so acting seemed like the obvious choice of career There was never anything else I wanted to do more But fulfilling my ambition wasn't going to be easy I grew up battling rural poverty which was a struggle enough but my family were completely insane to boot Together with my brother Charlie I staggered my way through adolescence from one drama to the next until finally after years of trying we had *This Country* commissioned by the BBC By sharing tales of how I accidentally auditioned to be a pole dancer to being catfished by a one armed internet boyfriend I answer all of life's great mysteries Could I count wall plaster as one of my five a day Would I find the afterlife in the back of a shitty pub Who dropped the monster turd at the fake audition And just how much of a humiliating ridiculous screw up of a s t storm life did I need to lead before I could finally realise my dream

The Thebaid Publius Papinius Statius, 2004 A classical epic of fratricide and war the *Thebaid* retells the legendary conflict between the sons of Oedipus Polynices and Eteocles for control of the city of Thebes The Latin poet Statius reworks a familiar story from Greek myth dramatized long before by Aeschylus in his tragedy *Seven against Thebes* Statius chose his subject well the Rome of his day ruled by the emperor Domitian was not too distant from the civil wars that had threatened the survival of the empire Published in 92 A D the *Thebaid* was an immediate success and its fame grew in succeeding centuries It reached its peak of popularity in the later Middle Ages and Renaissance influencing Dante Chaucer and perhaps Shakespeare In recent times however it has received perhaps less attention than it deserves in large part because there has been no accessible dynamic translation of the work into English Charles Stanley Ross offers a compelling version of the *Thebaid* rendered into forceful modern English Casting Statius's Latin hexameter into a lively iambic pentameter more natural to the modern ear Ross frees the work from the archaic formality that has marred previous translations His translation reinvigorates the *Thebaid* as a whole its meditative first half and its violent second half its intimate portrayal of defeat and retribution and the need to seek justice at any cost In a wide ranging introduction Ross

provides an overview of the poem its composition reception and legacy its major themes and literary influences and its place in Statius life And in a helpful series of notes he offers background information on the major characters and incidents

Small Things With Great Love Donna-Marie Cooper O'Boyle,2019-01-01 This collection draws heavily from the core devotional strain in Miller s poetry offering what novelist Fenton Johnson described in his review of *Iron Wheel* as the vision and experience of that place where dark merges seamlessly into light the house and home of grace unasked for and perhaps undeserved but transformative all the same Framed by meditations on the beginnings and possible post human ends of culture the new poems reflect on the callings and limits of art in responding to desire history mortality and injustice Set in the American South Wales France the Czech Republic and Sudan the poems address and invoke the divine **Soul**

Transformation Donald W Ekstrand,2012-09 The three steps of salvation in a nutshell are these becoming a Christian living the Christian life and going to heaven Theologians refer to these three steps as Justification Sanctification and Glorification The first and third steps are instantaneous experiences but the second step sanctification is a life long process whereby the Holy Spirit works in the believer s life to bring about practical holiness and transform his character into the likeness of Christ It is this second step of salvation with which the believer struggles because it requires putting to death the deeds of the body saying no to our sin nature and obeying the promptings of the Holy Spirit saying yes to God this is the essence of spiritual warfare Sadly most churches in the West today pretty much ignore the issue of Sanctification and just focus on Justification either out of ignorance about what Scripture teaches or out of fear that living a holy life is essentially legalism But living a life of obedience to Christ in the power of the Holy Spirit has nothing to do with legalism legalists think they gain favor with God by being good but believers obey Christ out of gratitude because they already have favor with God The key to sanctified living is gratitude The Bible emphatically describes God as being both loving and holy yet western Christianity primarily focuses on God s love and says almost nothing at all about His holiness As such the central message of most churches is one of love and forgiveness with scarcely a word being said about holiness and death to sin and self Satan is thrilled with our one dimensional Christianity because it essentially leaves believers lukewarm impotent and ineffectual This book presents God s blueprint for spiritual development and portrays the transformational experiences every believer goes through in life they include ups and downs highs and lows peaks and valleys joy and suffering victory and defeat these experiences are the norm for every believer none of us get a painless trouble free road to glory Incidentally the material presented in this book reflects the teachings of the most respected Christian theologians since the reformation individuals the evangelical community has long recognized as being pillars of the faith To our lamentable regret however these teachings no longer have a prominent place in the vast majority of churches in the West It is time for believers in America today to reconsider the fullness of God s call upon their lives Donald W Ekstrand is a retired pastor adjunct professor and author Dr Ekstrand holds degrees in finance business education theology and divinity and is a graduate of Arizona State University Talbot School of Theology and

Western Seminary He has served as pastor teacher ministry consultant and executive administrator for more than 40 years Don and his wife Barbara have two grown daughters and reside in Phoenix Arizona **A Compilation of Ron S King's Poetry** Margaret COX,2010-03-26 This is the first volume of poems by Ron S King a collection to enjoy **J. Krishnamurti** Pupul Jayakar,2000-10-14 A classic biography of one of the greatest spiritual teachers of our times In 1909 when he was just fourteen Krishnamurti was proclaimed the world teacher in whom Maitreya the Bodhisattva of compassion would manifest The proclamation was made by Annie Besant then president of the Theosophical Society a movement that combined Western occult philosophy with Buddhist and Hindu teachings Besant trained Krishnamurti in his role as the chosen one but twenty years later he chose to disband the order he was head of and set out alone on his endless journey As a contemporary of Krishnamurti and one of his closest associates Pupul Jayakar offers an insider s view of the fascinating life and thought of an extraordinary individual
