faith above all else and God hears your cry He will fight your battles and lead you to your destined blessings You've been made for so much more and the devaluing of accepting crumbs ends today God will fight for you every step of the way

Paradigm Shift: Why International Students Are so Strategic to Global Missions Jack D. Burke PhD M.Div., 2019-03-15 It is of strategic importance for international students and scholars to come under the umbrella of global missions The author is convinced there is need for a paradigm shift in global missions With over one million international students from practically every country on the face of the earth many being Christian having come to the U S for their higher education we cannot afford to waste this golden opportunity Reasons will be provided why this is our divine moment in history for Christian leadership to rise up and take action The potential is there for us to create a tremendous impact for Christ on nations which in the past have been difficult to reach God works in mysterious ways and this has to be one of them It is imperative that we get with God's program and focus on identifying Christian international students soon after their arrival on campus training them Biblically and theologically equipping them for their return home following them up after their return with support Documentation is provided some from missionaries themselves showing that properly trained Christian international students after returning home are much more effective than traditional foreign missionaries Reasons why are clearly and with great conviction provided However we still need traditional foreign missionaries because of the fields being white unto harvest but the laborers are few The reader will be fascinated by the illustrations of those Christian international students who returned home to accomplish feats for God on a scale that never before had been thought possible Unlocking the Scriptures Hans Finzel, 2003 This updated classic leads the reader through the inductive Bible study process showing practically how to study the Bible for one's self With this tool Christians can learn to relevantly apply God's Word to their lives as His Spirit leads them personally rather than as some other leader might direct Originally published in 1986 Finzel's style remains very accessible providing practical examples that walk the reader through the steps of unpacking Scripture using actual passages to practice Free downloadable study guide and activities
