## **Search For Faith:**

*Finding Faith---A Search for What Makes Sense* Brian D. McLaren, 2009-07-13 Does having faith mean abandoning reason It s easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can t help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they re your answers conclusions you ve arrived at personally without manipulation coercion or game playing For faith to exist and grow it s got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul

*Finding Faith---A Search for What Is Real* Brian D. McLaren, 2009-07-13 There have been times when you ve felt that if there isn t a God there ought to be Swept up in the mystery of the night sky you ve felt the closeness of its designer Nature s extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you re not even sure exists Religious jargon and games can t satisfy such a longing It s got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul

**Searching Issues** Nicky Gumbel, 2011 Offers carefully reasoned answers to the seven questions most commonly raised in the search for faith

*Finding Faith* Brian D. McLaren, 2000-06-27 Is there a God What might God be like What is the relationship between faith and certainty Can intelligent people believe in spiritual realities Why are there so many religions Is it possible to experience a relationship with God and if so how If you ve asked questions like these you re in good company From songwriters such as Bob Dylan and Jewel Kilcher to TV shows such as The X Files and Touched by an Angel the media and the arts reflect postmodern men and women s search for a living faith and a spiritually oriented life Real faith isn t blind believism It is a process that engages your intellect as well as your emotions If you think faith requires turning your back on truth and

intellectual honesty then *Finding Faith* is one book you really ought to read With logic passion and even handedness that the thinking person will appreciate this book helps you face your obstacles to faith by focusing not on what to believe but on how to believe Whether you want to strengthen the faith you have renew the faith you lost or discover faith for the first time *Finding Faith* can coach inspire encourage and guide you and help you discover more in life than you d ever imagined or hoped for      *Seeking & Finding God (B)* Dave Hunt,2021-04-02 It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low carb food item yet the belief of so many particularly in the area of religion has no rational or factual foundation With well researched arguments and compelling proof this book demonstrates that the issue of where one will spend eternity is not a matter of preference like joining the Elks instead of the Lions In fact there is overwhelming evidence that we are eternal beings who will spend eternity somewhere But where will it be And how can we know There is no more important question to be faced and answered      **Searching for Faith** W. Ross Winterowd,2004 Winterowd explores timely questions that must concern anyone who thinks about faith particularly insofar as faith is based on the Bible Written in a graceful accessible style this is an introduction to faith that rational people can embrace      [The Search for Miri: A Profound Adventure of Faith](#) Frank D. Ringwald,2007 The Sabbath is the original feast day a day of joy and freedom from work a holy day that allows us to reconnect with God our fellows and nature Now in a compelling blend of journalism scholarship and personal memoir Christopher D Ringwald examines the Sabbath from Creation to the present weaving together the stories of three families three religions and three thousand years of history A Day Apart is the first book to examine the Sabbath in Judaism Christianity and Islam A marvelously readable book it offers a fascinating portrait of the basics of the three Sabbaths the Muslim Juma on Friday the Jewish Shabbat on Saturday and the Christian Lord's Day on Sunday and introduces us to three families including Ringwald's own and shows how they observe the holy day and what it means to them The heart of the book recounts the history of the Sabbath ranging from the Creation story and Moses on Mount Sinai to the teachings of Jesus and Muhammad the impact of the Protestant Reformation and the Industrial Revolution and the rise of the modern weekend Ringwald shows that the Sabbath instinct to observe a special day of withdrawal and repose is universal Indeed all religions and philosophies teach that life is more than toil that time should be set aside for contemplation enjoyment and culture In today's frantic 24/7 world the Sabbath a day devoted to rest and contemplation has never been more necessary A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives *The Search for Faith and Character in Our Time* Jeff Caples,2025-07-16 There are many things we seek in life some are important and most are not This book gives insight into our search for faith and the character we develop when we pursue it Different qualities of faith and character are examined in detail Current events are discussed and analyzed from the viewpoint of faith in our time The reader is asked What do you believe in and is encouraged to find out **NIV, Find Faith: VerseLight Bible, eBook**

H. Spurgeon, Volume 33** Spurgeon, Charles,2015-03-26 Volume 33 Sermons 1938 2000 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor

homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon     **Hollywood Worldviews** Brian Godawa,2002-01-01 Award winning screenwriter Brian Godawa guides you through the place of redemption in film the tricks screenwriters use to communicate their messages and the mental and spiritual discipline required for watching movies     **Faith Hill** James Dickerson,2001-06-23 From humble beginnings in Star Mississippi Faith Hill has soared to the top of the country and pop charts becoming one of the most successful female recording artists in history she has had eight number one singles and ten number one videos and her albums have sold millions She is country music s hottest star and America s newest sweetheart Everything she touches turns to gold Faith Hill Piece of My Heart tells the inspirational story of the Grammy winning singer s rise to stardom Drawing on interviews with Faith Hill her childhood friends and teachers music professionals and fans James L Dickerson chronicles her storybook life from birth to the present This intimate portrait of Faith Hill examines her Huck Finn like childhood her first marriage and divorce her hardscrabble years as a struggling artist in Nashville her love affair with the man who became her husband country superstar Tim McGraw her thoughts on marriage and motherhood and heartbreaking search for her birth mother Complete with photographs and insider information here at last is the whole story behind the life and music of Faith Hill country music s darling and pop superstar     *Faith and Philosophy* Jerry H.
