Summary of Robert S. McGee's *The Search for Significance* Everest Media, 2022-06-13T22:59:00Z Please note: This is a companion version, not the original book. **Sample Book Insights:** 1. We all have emotions, but some of us lack objectivity. We fail to see the reality of our lives because we are unaware of the extent of our wounds. We feel that our situations are normal, and we deny the existence of our emotions. 2. We all develop elaborate defense mechanisms to block pain and gain significance. We suppress emotions, are compulsive perfectionists, and drive ourselves to succeed. We attack people who hurt us, and we punish ourselves when we fail. 3. The purpose of this book is to help you understand the basis of your self-worth. You will learn how to identify and understand the nature of man's search for significance and how to recognize and challenge inadequate answers. 4. The second way we know if something is critical to our lives is to see if God gives much emphasis in His Word regarding a particular need. We find that God constantly tells us that we are so important to Him that He always keeps an eye on us. *The Search for Significance Devotional Journal* Robert McGee, 2003-07-15 In Robert McGee's best-selling book *The Search for Significance*, he helps readers realize the fact that they will never be content if they search for their significance in accomplishments or the opinions of others. In the Bible, Satan is described as a liar. Christians need to be aware of Satan's lies in order to recognize God's truth. Once aware of that truth, believers can then build a healthy view of themselves as they renew their minds. Participants will learn to recognize Satan's lies, rely on God's truth, and avoid the need for approval and performance-based traps as they build a healthy biblical perspective on self-worth. McGee,1994 **A Search for Significance** Vern Westfall,2017-03-27 Humanity's search for significance has been ongoing since the earliest humans asked the first questions. Answers have come from the arrangements of stars, from nature, and from many gods. The changing perspectives created by myth, religion, and science have molded our social and spiritual relationships and our perceived place in the natural world. The process forms our core beliefs, gives us direction, outlines our history, and determines our future. Understanding how our differing perspectives both join and separate us is essential if we are to survive our current dominance over natural processes. **The Search for Significance** Robert S.
