LeBlanc, 2023-02-21 What is the likelihood that common chemicals such as bisphenol A which is found in plastic water bottles are harming us Should shoppers be concerned about pesticide residues on fruits and vegetables in the supermarket produce aisle Are we risking adverse health effects when we use insect repellent that contains DEET or slather on sunscreen Modern life requires us to navigate an endless sea of chemicals How do we know whether we need to worry about them This book is a layperson's guide to understanding chemical risk The toxicologist Gerald A LeBlanc offers a nontechnical overview of the key factors in evaluating whether exposure to chemicals in our daily lives could be harmful He leads readers through the basic concepts of risk assessment using real world examples LeBlanc emphasizes that chemical hazard depends on the level of exposure and provides practical strategies for sensible decision making The book features a series of accessible case studies describing

how we all can reach rational conclusions about the danger of typical chemical exposures we experience every day Giving nonexpert readers the tools to understand chemical risks this book shows how critical thinking and science literacy can help us live with less fear and anxiety and make reasonable choices when confronted with potential hazards *Fear at the Ferris Wheel* Mel McCoy,2019-09-03 The season is in full swing in Cascade Cove Florida and a third body has been found this time behind the Ferris wheel at the town s amusement park A collage of suspects quickly pops up after an artist is found dead but what motive could one have for murdering the local talent With the authorities unable to paint a clear picture as to who was behind the esteemed artist s death it s up to Sarah to track down the culprit and keep the Cove from erupting into panic Soon Sarah realizes there is more to this mystery than meets the eye and she ponders the possibility that her top suspect has been framed Drawing on her past experiences will Sarah use her avant garde approach to curate the ever growing pile of clues and bring the killer to the foreground Or will she be brushed into a precarious situation becoming yet another casualty who is cropped out of the picture Join Sarah and the rest of the gang at Larry s Pawfect Boutique in this exciting Whodunit Pet Cozy Mystery Series Get nestled in your favorite chair put on a pot of tea and escape into the cozy beachside town of Cascade Cove Lost Contact Found Aiden Feynman,AI,2025-02-17 Lost Contact Found explores the increasingly common experience of losing touch with family and loved ones and how technology now offers unprecedented ways to reconnect It delves into the psychology of estrangement highlighting how factors like global mobility and the rise of digital communication contribute to these separations Interestingly while search technologies and social media can facilitate reunions lasting reconnection hinges on genuine human effort and empathy The book adopts a three part structure starting with the social and historical context of familial separation It then transitions into case studies detailing how individuals successfully used social media search DNA ancestry services and other tools to find lost relatives For instance the algorithms behind search engines and the functionalities of social media platforms have reshaped human connection though the emotional work of rebuilding relationships remains paramount Finally the book addresses the ethical implications of using technology in family search emphasizing the need for sensitivity and respect Ultimately Lost Contact Found provides solace strategies and hope for those seeking to bridge the gaps in their lives blending practical guidance with a nuanced understanding of human relationships **The Twins in Search of Bigfoot** Wanda Gardner,2012-05-17 After their parents were killed in an automobile accident when the twins were two Sarah Fay and Shannon Ray are twins being raised by their grandmother on a small farm on the edge of a wooded area in the beautiful Ozarks area of Missouri Sarah loves to eat and sleep so Shannon has his job cut out for him on weekends when he tries to get her out of bed early and down to the fishpond Sarahs love of Grams delicious blueberry pancakes often helps Shannon get her to the pond Saturday mornings This sunny Spring Saturday seemed a normal day as the twins made their usual bet about who caught the biggest fish so the loser would have to make the other twins bed all next week The day turned out to be anything but normal When their German Shepard

dog Rex joined them at the pond they decide to play their usual hide from Rex game while he was splashing in the pond Rex quickly finds them and on the way back to the pond Rex senses danger Seeing his strange behavior and realizing there is an even stranger creepy silence in the woods they stand quietly on the path where Rex with the hair on his back raised stopped suddenly A huge hairy creature slowly stepped around a tree into the clearing not twenty five feet from where Sarah and Shannon stand frozen with fear behind their trembling dog The creature was so close they could smell him His stench was so bad it almost made them cough The creature roared then stepped back where he stood near a tree watching them before he disappeared into the woods Rex no longer sensing danger led the twins safely to the pond While jogging back to the house Shannon informed Sarah he could hardly wait to tell his friends at school Monday about seeing a Bigfoot Monday brought great disappointment to Shannon when his friends wouldnt believe him Sarah seeing how crushed Shannon was by his buds nonbelief helped him come up with the plan to get solid proof of Bigfoot The plan had been perfected put in place and was proving successful when suddenly Bigfoot needs help Could the twins come up with a rescue plan in time to prevent a Bigfoot from drowning in an abandoned well Thanks to Shannons strength and Saras bravery they are successful in helping Bigfoot save his child When the Bigfoot family is safely united and has gone back in the woods Shannon realizes the family could be in serious danger if they present their proof Shannon has learned some things are far more important than having friends believe you Knowing hunters might shoot them he decides to keep quiet about Bigfoot and his family to protect them After all the woods is their home
