Searching For Truth Confessing Christ In An Uncertain World:

Searching for Truth Thomas W. Currie,2001-01-01 How can we speak the truth as truth yet speak it in love How can we avoid the temptation either to think that we alone possess the truth or to trim the truth to make it less offensive to the world These are some of the questions that this clearly written book attempts to answer questions about the challenge of claiming and trusting the truthfulness of gospel in a time when all such truth claims are suspect The Foundations of Christian Faith series consists of twelve volumes on major theological themes such as the Trinity the Holy Spirit and the person and work of Jesus Christ This series enables readers to learn about contemporary theology in ways that are clear enjoyable and meaningful It examines the doctrines of the Christian faith and stimulates readers not only to think more deeply about their faith but also to understand their faith in relationship to contemporary challenges and questions Individuals and study groups alike will find these guides invaluable in their search for depth and integrity in their Christian faith Star Man Second Edition Gary Combs,2012-07 Are you ready to Man Up According to national statistics over fifty percent of you working men are unhappy in your jobs In Star Man author Gary Combs asks Is it your work that really bothers you Or could you be wrestling with a mixed sense of purpose or conflicting priorities that keep boiling inside If you are among the men who tend to barricade themselves in their man caves turning inward and seeking their own solutions then what is really holding you back Star Man tackles these questions head on from a uniquely male perspective Tracing five major areas of a man s daily life love relationships family focus work life community involvement and health issues Combs develops a balanced approach to ensuring that all five areas are given their rightful place In each aspect he moves you quickly to a self assessment of your everyday questions 1 My days are so full of busyness Who has time to think anymore 2 I keep saying Someday I ll ____ Will that day ever come 3 How can I make sure it does Filling each area of daily concern with personal anecdotes and humorous man talk often poking fun at the way men speak and the way women hear Star Man concludes with the thought provoking point that every man is looking for some greater meaning With conviction Combs suggests that God is acting at the center of all that a man does whether or not he realizes it Star man concludes with the encouraging reminder and personal witness that every man is sustained by God s strength and His grace It is in recognizing His divine influence and following His will that you find the answers you seek Star Man can help any man especially those in their thirties forties and fifties take the steps necessary to regain balance Don t hesitate let Gary s messages help you forge your path to a more balanced life today Floyd Gilbert President National PresbyterianMen PCUSA Star Man will hit home for lots of men especially those who feel uncertain about their priorities and need to get centered again Don Douglas Vice President of Church Growth International Cooperating Ministries The Joy of Ministry Thomas W., III Currie,2008 **Mentoring** Dean K. descriptive writing as well as various and sundry speeches is in reality on shaky ground when taken apart The truth has been the object of the search of man since he became serious with his ontology from earliest recorded history and finds its way in most academic institutions with each Latin phrase in its logo Matter has always been taken for granted but until recently 1939 with the declaration of the Physicists community in Copenhagen Denmark has acknowledged that indeed there is no final field theory for locating reality In this book I will attempt to speak to this lack of reality by delving into the state of being or lack thereof I will refer to as spirituality and the Native American priority given to the Great Spirit and the answer they give to one s ontology why one is here known as their vision quest We will investigate spirituality as that encounter we all must deal with in our religious medium for finding some sense of meaning and its answer to our need for respect I ll look at the Judeo Christian offering of the image of God and the spooky goings on at a distance stipulated by Albert Einstein as well as the implications of Galileo s insightful declaration in the 17th century that all meaning begins with experience spirituality and ends with experience that spirituality is all that there is and to offer proposals based upon purely logic alone is meaningless as regards reality Spirituality in the best sense of the word is your taking serious your honor as well as that of others This could be seen as the First and Greatest Commandment and the Second like unto it Thy neighbor as thyself This work is the culmination of 15 years of writing and a lifetime of seeking first the kingdom of God and his righteousness having all these things being added unto me Matthew 6 33 Now to have all these things added unto you is to be quickened with eyes to see and ears to hear things matter as they are and not from the might makes right syndrome or the what s in it for me modus operandi This quickening power is the mighty hand of God as opposed to the hand of God revealing the nature of truth God s righteousness as being no respecter of persons time place or thing and doing so unconditionally This is indeed the Final Field or the Truth of the Matter C.F.W.
