**Boss, Your Movie Queen Runs Away Again** Chao Zui,2020-09-30 A year ago in order to inherit the family business the tame boring little rabbit that was chosen turned into a fanged kitten after the expiration of the contract On the screen she was calm and confident unparalleled in the world Privately she was ruthless and swift Only then did Leng Liang know that he had been deceived by her acting skills for a year So the little white rabbit of the past year is fake and the little white wolf with sharp teeth is your real face right His eyes were dark and unreadable There seems to be no clause in our contract that states that we can t act right He raised his chin arrogantly He suddenly wanted to see what this woman really looked like Finally when he had won her over he realized that he was the one who had truly fallen However a lie would eventually unravel one day When Wen Wen realized that the truth had suddenly disappeared into his life he regretted it and started a long journey to catch up with his wife
