Eden's Return Duncan McGeary, 2020-07-20 Three hundred years ago a mysterious zone called the Stasis appeared covering hundreds of square miles of the Pacific Northwest The area's human inhabitants suddenly found themselves outside the barrier inside was a primeval unspoiled world that proved to be hostile to technology and most manmade things Over the years those who were idealistic or deluded enough to shed all trappings of civilization were able to cross into this new Eden though few survived for long But now the barrier has weakened just enough for a squad of soldiers to be flown in to investigate Meanwhile inside the Stasis Shani has been living alone with her mother
