challenged issues around contemporary politics heteronormativity violence on the screen and disability to name but a few This new collection of essays approaches the AHS anthology series from a variety of critical perspectives within the broader field of television studies and its transections with other disciplines The Rise and Fall of Kansas Wesleyan University Basketball Jerry J. Jones,2017-06-21 One hundred and sixteen years have passed since Kansas Wesleyan University KWU formed basketball teams known as the Wesleyans the Methodists the Preachers and now the Coyotes Fathers sons and grandsons have worn the purple and gold colors winning and losing but always striving to represent the university in a most positive manner Head coaches had been students middle school high school and college teachers Like the players themselves the coaches had come from different states scattered in all directions But they were here in Salina back in 1901 and continuing on in 2017 as teammates and brothers of the basketball bound together by the mutual story that is Kansas Wesleyan basketball *In Service of Self* Rebecca Berryman,2006-08 When was the last time you inserted yourself into the equation life health wealth and happiness Does the idea of putting your needs before the wants and desires of others make you feel guilty Many of us pretend we are too busy for self inspection and introspection And we certainly don t want to be considered selfish Here comes *In Service of Self* another book in the Boundless Living series to expose how the self propagated trials and tests of everyday life can effectively encourage monumental change and unlimited transformation for each one of us Sex beliefs and what s next are some of the issues up for inventory as the stand alone chapters reveal new views on old worn out ways of thinking All subjects are fair game in this telling as even marriage vows are brought to light for possible modification and the offering on fear becomes fear less laying bare our ultimate need to be loved Author Rebecca Berryman writes with a light heart gliding from theme to theme concept to concept bringing fresh insights to every page Both humorous and moving *In Service of Self* is a picturesque backroads route to the truth you already know and the faith you yearn to rediscover **Naked and Unashamed** Matthew Everard Thomas,2024-06-27 At times most of us would have felt that there is something not quite right with our soul Our life may be meandering along without too many bumps on the road We may be content with how our life is panning out Our relationships may be stable and our physical health is relatively good And yet the rich and satisfying life that could potentially be ours seems to illude us We may sense that there could be so much more to life than what we are currently experiencing But we don t quite know what to do or how to get there As a result of past experiences of rejection and abandonment we may crave acceptance and significance from our relationships and our work and yet we find the craving to never be satisfied We may attempt to fill that void in our souls through other means such as status and outward achievements But those too never seem to be able to deliver what they promise When we remain disconnected from our true selves we will never be able to identify the root cause of our shame We may never even be aware that shame has pervaded our souls As our eyes begin to see ourselves for who we really are it requires humility and courage to step out into the light and cultivate intimacy with our Creator who can begin to cleanse us of the deep pain that

shame has caused us Healing from shame is never complete without immersing ourselves in genuinely caring and compassionate communities who are willing to love and accept us just as we are Finding true acceptance and significance in such communities go a long way towards uprooting the pervasiveness nature of shame and reinstating the God given value dignity and worth we possess
