pick it up It did receive some positive reviews in alternative press venues had a wide library circulation here and in Canada and was taught in college and university courses on both coasts Before I too turn to dust I feel it necessary not only to complete the record but to complete the story of my friends fellow prisoners of war who took their stand against the war to prison Now for all the victims of our war without end NSA surveillance the fascist Homeland Security apparatus and the unconscionable strip searches of the rights and bodies of old and young I feel the need to throw yet another book to the barricade
