Shirley G. Webb, Janet Moreland

Seasons Of Love A Journey Of Faith Family And Community:

Seasons of Love Eleanor Sampeck, 2004 Twenty five years ago an extended family made a return to nature move to the country This magical book is the record of their struggles and growth The book achieves its vividly realistic tone by covering the family s lived experience from joy to sorrow life and death and lofty to such mundane details as manure for the garden Its pages are populated by four generations unusual in a time when the nuclear family is everything Although the work is supported by sound theological and psychological theory it never lingers too long in these realms but continues to continue the daily drama of one family s risky living of the gospel

Dance in the Rain Shirley G. Webb, 2005 Deborah Howell s daughter and granddaughter continue the saga of the Howell women and their quest for true love while they discover at last the cause of the family torment for three generations How do you describe a story that is poignant and romantic yet laced with intrigue and tragedy Dance in the Rain is truly written from the heart the stuff of classics woven from the threads of myth into a gripping and powerful love story with a lesson for us all John Prophet Author Casey Miller Mystery Series Dance in the Rain is a well woven scenario of human passions set against the fascinating backdrop of Cherokee culture Victoria Hawk Olivia and Brad their tragedies romances and joys catch the cadence and power of the story and teach us lessons it s never too late to learn Eleanor Sampeck author of Seasons of Love A Journey of Faith Family and Community

Song of Love Shirley G. Webb, Janet Moreland, 2006-09 Was there a curse on the Howell women They all seemed to have been tragically hurt by love Could Olivia s courage overcome the curse She had heard the phrase song of love all her life She was supposed to hear it in her heart but could a song save her from the curse Travel with her from her Virginia ranch to Europe and back as she searches for the answers to these questions Olivia a successful artist grieves when her husband Brad leaves for war Later she fears losing her son Will to a young Cherokee woman then to the Navy and another war Throughout the mystical presence of a Cherokee ancestor guides Olivia s and Will s destinies helping them see that the longest most winding journeys begin and end with a song of love The Publishers Weekly , 1911 **American Book Publishing Record** , 2007

parent household who stepped up to the plate to vividly reveal their early daily lives farming that never yielded any financial benefits Revealed in each child s account is their personal relationship with each other their parents and those family members who lived in proximity Also there are stories of their reluctance to perform slave type labor disdain for their living conditions dismay from the older siblings of having to raise the seemingly unending stream of newborns the unrelenting weather conditions and their father s inability to manage the financial business of renting and sharecropping what little of it that he could control In the middle of all the strife of living in the South at this time and dreaming huge dreams for herself and her family was a woman of great wisdom and acumen the matriarch who saw fit to encourage her older children to move north and prepare a place for the rest who would come when it was fitting to do so The children never dwelled on the thought that they deserved better just dreamed that they could do better And better they did They set out to find their places in the world by venturing into another surrounding Their dream had a plan and that plan was for one or two of the siblings to go North and be path blazers for the others to follow The main idea was that their mother was on board with the hope of her children going North to find their places on the world s stage No sibling wanted to disappoint her So the entire family made the migration North leaving the former slave quarters behind Each day with the thought of Southern decay not far from their minds each of the fourteen siblings became their own individual self with ten of them earning college degrees and five of them earning graduate degrees

Watani-Simiyu, 2021-07-30 Lucy Watani Simiyu walks you through the raw and ugly moments in parenting that come when tragedy first strikes She wrote this book after a season when nothing made sense and it felt like she d been abandoned by God It was a time filled with anxiety and heartbreak and with many questions unanswered As she shares her story she gives you permission to not be a hero or be an unobtainable version of someone s faithful Christian highlight reel You can be right where you are moving toward freedom As you read In her parental journey and counselling sessions the experiential learning from thousands of parents raised many questions and gives answers to questions such as How can parents connect themselves to the very heart of God What message does God have for you as a parent Can children question their faith in God in a nerve wracking way to parents and yet continue to function sanely How can parents equip themselves with the truth of God s Word to keep sane and fulfill their ambassadorial calling What does it mean for a parent to have a well planned journey for a child You ask what do I do when my child makes the wrong choices How do I deal with contrary or counterculture What about parenting guilt Where is God in all this Filled with verses from Scripture examples from the Bible and practical insights from the author s own life experiences this book will help you combine grace truth and God s Word to find strength and help children overcome obstacles This book points you to the source of joy in your journey by pointing you to God s Word the truth that sets you free when the journey gets weary The blueprint still works not to make you guilty but to liberate you Maybe you are a parent who is paralyzed by fear of your child s choices You may be anxious hopeless and helpless about your child s

future Perhaps you are weighed down by guilt and shame caught in a slump overwhelmed with regret trapped in a dead end parenting and numb from a child's choice You may be drowning in disappointment anger shame and unfilled spiritually so that God and his promises do not make sense Instead of tying our hope to specific outcomes let us connect ourselves to the very heart of God With compelling storytelling and sound scriptural backup this book gives you the biblical pathway to help you as a parent move beyond the pain of the present to a hope filled future
