

Seasons Of My Heart

Once I was young and thought I was cool
A song of love I learned to write
Played my guitar as they taught in school
Thought I sang every line just right
I thought I knew everything about love
After all it was all about you and me
I sang it slow just to let you know
That I would love you for eternity

But the years have erased I love you
From the seasons of my heart
And it's too late, the time too great
For another love song to start
I wasn't cool, just young and dumb
I can see back at the start
Time has erased I love you from
The seasons of my heart

I was true and always around
But time itself led you astray
Tears I've shed without a sound
Have long washed the song away
I'm through with tears and the years
Won't let me write that song again
I'll just dream about the theme
Of a love song that might have been

But the years have erased I love you
From the seasons of my heart
And it's too late, the time too great
For another love song to start
I wasn't cool, just young and dumb
I can see back at the start
Time has erased I love you from
The seasons of my heart

Song/poem by Larry W. Jones.

Seasons Of Lovelove Poetry Of The Tudor

A.C. Hamilton

Seasons Of Lovelove Poetry Of The Tudor:

The Tudors in Love Sarah Gristwood, 2022-12-13 Sarah Gristwood's *The Tudors in Love* offers a brilliant history of the Tudor dynasty showing how the rules of romantic courtly love irrevocably shaped the politics and international diplomacy of the period. Why did Henry VIII marry six times? Why did Anne Boleyn have to die? Why did Elizabeth I's courtiers hail her as a goddess come to earth? The dramas of courtly love have captivated centuries of readers and dreamers. Yet too often they're dismissed as something existing only in books and song, those old legends of King Arthur and chivalric fantasy. Not so. In this ground-breaking history, Sarah Gristwood reveals the way courtly love made and marred the Tudor dynasty. From Henry VIII declaring himself as the loyal and most assured servant of Anne Boleyn to the poems lavished on Elizabeth I by her suitors, the Tudors re-enacted the roles of the devoted lovers and capricious mistresses first laid out in the romances of medieval literature. *The Tudors in Love* dissects the codes of love, desire, and power, unveiling romantic obsessions that have shaped the history of the world.

Latin Love Poetry Denise Eileen McCoskey, Zara M. Torlone, 2013-12-17 I hate and I love. The Roman poet Catullus expressed the disorienting experience of being in love in a stark contradiction that has resonated across the centuries. While his description might seem to modern readers natural and spontaneous, it is actually a response planned with great care and artistry. It is that artistry and the way in which Roman love poetry works that this book explores. Focusing on Catullus and on the later genre of elegy, so-called for its metre and a form of poetry practiced by Tibullus, Propertius, and Ovid, Denise Eileen McCoskey and Zara Martirosova Torlone discuss the devices used by the major Roman love poets as well as the literary and historical contexts that helped shape their work. Setting poets and their writings especially against the turbulent backdrop of the Augustan Age (31 BCE–14 CE), the book examines the origins of Latin elegy, highlights the poets' key themes, and traces their reception by later writers and readers.

Writing on the Wall Tom Standage, 2013-10-15 From the bestselling author of *A History of the World in 6 Glasses*, the story of social media from ancient Rome to the Arab Spring and beyond. Social media is anything but a new phenomenon. From the papyrus letters that Cicero and other Roman statesmen used to exchange news to the hand-printed tracts of the Reformation and the pamphlets that spread propaganda during the American and French revolutions, the ways people shared information with their peers in the past are echoed in the present. Standage reminds us how historical social networks have much in common with modern social media. The Catholic Church's dilemmas in responding to Martin Luther's attacks are similar to those of today's large institutions in responding to criticism on the Internet, for example, and seventeenth-century complaints about the distractions of coffeehouses mirror modern concerns about social media. Invoking figures from Thomas Paine to Vinton Cerf, co-inventor of the Internet, Standage explores themes that have long been debated: from the tension between freedom of expression and censorship to social media's role in spurring innovation and fomenting revolution. *Writing on the Wall* draws on history to cast provocative new light on today's social media and encourages debate and discussion about how we'll communicate in the future.

Rethinking

Chivalry and Courtly Love Jennifer G. Wollock,2011-04-07 This book offers an overview of the origins growth and influence of chivalry and courtly love casting new light on the importance of these medieval ideals for understanding world history and culture to the present day Rethinking Chivalry and Courtly Love shows that these two interlinked medieval era concepts are best understood in light of each other It is the first book to explore the multicultural origins of chivalry and courtly love in tandem tracing their sources back to the ancient world then follow their development separately and together through medieval life and literature In addition to examining the history of chivalry and courtly love this remarkable volume looks at their enduring legacy not just in popular media but in molding our present day concepts of human rights professional ethics military conduct and gender relations Readers will see how understanding the tenets of the chivalrous life helps us understand our own world today

Love, Poetry, and Immortality: Luminous Insights of the World's Great Thinkers William Gerber,2022-07-11 This book explores and illustrates the individuating characteristics and the interrelationships of love poetry and literary immortality such immortality that is as writers may win in the sense of being long remembered and appreciated by future readers From the book s numerous quotations of glittering literary passages it is evident that love is often expressed in poetry and that many authors especially those writing about love have expressed the winsome hope that their works would be greatly cherished by later generations Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal

The United States Catalog ,1904
The Columbia Guide to the Literatures of Eastern Europe Since 1945 Harold B. Segel,2003 The Iron Curtain concealed from western eyes a vital group of national and regional writers Marked by not only geographical proximity but also by the shared experience of communism and its collapse the countries of Eastern Europe Poland Hungary Albania Romania Bulgaria and the former states of Yugoslavia Czechoslovakia and East Germany share literatures that reveal many common themes when examined together Compiled by a leading scholar the guide includes an overview of literary trends in historical context a listing of some 700 authors by country and an A to Z section of articles on the most influential writers
