Seasons of the Spirit Clyde Crews, 1992 **The Modern Witch's Curriculum A guide to spiritual exploration, discovery, and magickal practices** E. Massey, 2018-05-30 There comes a time in every Witch's life when they feel there is nothing left to learn When all the classes and all the books just cannot satisfy our want to learn more What if there was a book for all magickal practitioners that went beyond Witchcraft magick 101 and 102 What if there was a resource that allowed a Witch to grow and learn without the constraints of tradition and at their own pace The Modern Witch's Curriculum is that resource Combining history science and hands on activities in an easy to follow calendar format that can be started at any time of the year and on any day of the week There is no beginning or ending to this book It can be used over and over again This curriculum is relevant to anyone of any magickal tradition or spiritual background Created to guide the reader to areas of study and spiritual knowledge by using any resources that are accessible to them There are no boundaries or requirements on how the reader can collect the information it's all individual choice **Spirituality in Season** Ross Thompson, 2008-12-04 We are used to making Lent a special time for renewal but much less has been written on the other seasons of the year This resource explores the traditions that have shaped each season the lectionary readings and the liturgies observed across the ecumenical spectrum **Paperbound Books in Print 1995** Reed Reference Publishing, Reference Reed, 1995-12 **Beyond Religion: Discovering Authentic Christianity in a World of Rituals (Matthew 15:8)** Pastor Yves Gerard, These people honor me with their lips but their hearts are far from me Matthew 15:8 In a world overflowing with rituals traditions and religious performance many are left wondering Is this all there is to Christianity Beyond Religion Discovering Authentic Christianity in a World of Rituals takes a courageous and thought provoking look at the difference between outward religiosity and inward transformation Drawing from the words of Jesus and the witness of Scripture this book explores the heart of faith a living vibrant relationship with God as distinct from the hollow routines that can often dominate religious life From majestic cathedrals now reduced to tourist attractions to modern churches wrestling with cultural compromise this book confronts the spiritual crisis of our time the disconnect between religious form and authentic spiritual encounter Inside you will explore The biblical contrast between religion and relationship How religious systems throughout history have shaped and sometimes distorted Christian faith The psychological and spiritual dynamics of ritualism The hidden cost of religious performance on personal faith The challenges facing the modern church including the influence of Freemasonry Practical steps to move beyond hollow rituals to genuine relationship with Christ Global perspectives on cultural Christianity vs kingdom living Whether you're a pastor a lifelong churchgoer a disillusioned believer or a curious seeker this book offers a roadmap toward deeper more authentic faith With a rich blend of theology history and pastoral insight Beyond Religion challenges readers to examine their own spiritual lives and invites them into a more intimate walk with the living God Authentic Christianity isn't about appearances it's about
