Every year since 1961, football and basketball players at Middlebury College in Vermont pick up their wheelchair-bound fan Butch and bring him to the stadium sidelines to watch their games. At John Brown University, the volleyball team distributes candy to fans before each match. For years, fans attending a University of Maryland football game rubbed the bronze statue of their terrapin mascot Testudo. Traditions like these are visible statements of school loyalty and they are part of why college sports are unforgettable. *College Sports Traditions: Picking Up Butch*, Silent Night and Hundreds of Others details not only the well-known traditions of major universities but also the obscure customs of smaller schools. Approximately 1,200 traditions are captured, covering almost every college sport. It depicts such traditions as The Ohio State University's Script, Ohio University of Kansas's Waving the Wheat, Linfield College's End Zone Couches, and even a list of traditions that involve streaking. The wide variety of traditions covered in this book are grouped thematically, including Before the game, During the game, After a score, After the game, Mascot traditions, Preseason traditions, Traditions probably not university-sanctioned, Rivalries, Yells, cheers, and chants. From the crazy and eccentric to the touching and meaningful, these traditions connect fans and athletes across generations. The first of its kind, this comprehensive volume encompasses hundreds of universities and colleges throughout the U.S. Featuring 75 photos that bring many of these events to life, *College Sports Traditions* will be an entertaining read for every sports fan. **Congressional Record**, United States Congress, 2017.

The New Encyclopedia of Southern Culture, Harvey H. Jackson III, Charles Reagan Wilson, 2014-02-01. What southerners do, where they go, and what they expect to accomplish in their spare time: their leisure reveals much about their cultural values, class, and racial similarities and differences and historical perspectives. This volume of *The New Encyclopedia of Southern Culture* offers an authoritative and readable reference to the culture of sports and recreation in the American South, surveying the various activities in which southerners engage in their nonwork hours as well as attitudes surrounding those activities. Seventy-four thematic essays explore activities from the familiar porch sitting and fairs to the essential football and stock car racing to the unusual pool checkers and a sport called fireballing. In seventy-seven topical entries, contributors profile major sites associated with recreational activities such as Dollywood drive-ins and the Appalachian Trail and prominent sports figures including Althea Gibson, Michael Jordan, Mia Hamm, and Hank Aaron. Taken together, the entries provide an engaging look at the ways southerners relax, pass time, celebrate, let loose, and have fun. **Basketball on Campus: A Comprehensive Guide to the College Game**, Pasquale De Marco, 2025-05-12. Sport and the Color Line Patrick B. Miller,David K. Wiggins,2004-06-01 The year 2003 marks the one hundredth anniversary of W E B Du Bois Souls of Black Folk in which he declared that the color line would be the problem of the twentieth century Half a century later Jackie Robinson would display his remarkable athletic skills in baseball s great experiment Now Sport and the Color Line takes a look at the last century through the lens of sports and race drawing together articles by many of the leading figures in Sport Studies to address the African American experience and the history of race relations The history of African Americans in sport is not simple and it certainly did not begin in 1947 when Jackie

Robinson first donned a Brooklyn Dodgers uniform The essays presented here examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis to the challenges faced by black women in sports What are today s black athletes doing in the aftermath of desegregation or with the legacy of Muhammad Ali s political stance The essays gathered here engage such issues as well as the paradoxes of corporate sport and the persistence of scientific racism in the athletic realm
