Longman Dictionary Of English Idioms

Karen Stern, Della Summers

Longman Dictionary Of English Idioms:

Longman Dictionary of English Idioms Thomas Hill Long, 1979-01 A complete and easy to use guide to English idioms With its detailed analysis of over 4500 idioms the Longman Dictionary of English Idioms provides the advanced learner with an indispensable reference tool Longman Dictionary of English Idioms ,1989 Longman Dictionary of English Idioms ,1984 *The Longman Dictionary of English Idioms* Thomas Hill Long, 1979 **Longman Idioms Dictionary** Karen Stern, Della Summers, 1998 Tearing your hair out over idioms Feel like you're always in the dark Don't worry you can't go wrong with the Longman Idioms Dictionary English Dictionaries for Foreign Learners Anthony Paul Cowie, 2002 This is the first history of dictionaries of English for foreign learners from their origins in Japan and East Asia in the 1920s to the computerized compilations of the present Monolingual dictionaries for foreign speakers were a revolutionary development at their outset and now represent a coming together of intellectual technological and commercial forces almost unequalled in book publishing As the author shows the early history of EFL dictionaries was research driven arising directly from research in linguistic theory and language pedagogy now it is user driven determined by what users require or are thought to require The pioneering dictionaries were the work of individuals Current dictionaries are the products of huge databases manipulated by sophisticated processing as publishers strive to share an immense and ever growing global market The book has both a thematic and a chronological structure Three chapters describe the historical sequence over a period of some sixty years These alternate with chapters dealing with phraseology computers and corpus linguistics and research into dictionary users and uses three subjects central to the development of ELT dictionaries over the last thirty years Anthony Cowie examines the way in which availability of massive computing power has transformed the recording and analysis of current speech and shows how the growth of research into the users and uses of dictionaries has led to developments both in ELT lexicography and method This readable and non technical account is directed at professionals in applied linguistics and English language teaching and at lexicographers but it will fascinate everyone concerned with the analysis of English and faced with the challenge of recording the subtleties of its grammar and meaning **Idioms in English** Jürg Strässler, 1982

Dictionary of Americanisms, Britishisms, Canadianisms and Australianisms V.S. Matyushenkov, 2010-01-30 The Dictionary Of Americanisms Canadianisms Britishisms and Australianisms is a complete modern and comprehensive dictionary featuring a large word list of more than 20000 entries The purpose of this book is to provide a generous sampling of words and expressions of the various spheres of life in the USA Great Britain Australia and Canada during the last centuries The dictionary also features a collection of slang and colloquial expressions in these four countries in the twentieth century It has a clear easy to use format and is ideal for students schools libraries tourists and anyone who is interested in varieties of English spoken in major English speaking countries **Bilingual Lexicography from a Communicative Perspective** Heming Yong, Jing Peng, 2007 This stimulating new book as the premier work introducing bilingual lexicography from a

communicative perspective is launched to represent original thinking and innovative theorization in the field of bilingual lexicography. It treats the bilingual dictionary as a system of intercultural communication and bilingual dictionary making as a dynamic process realized by sets of choices characterizing the overall nature of the dictionary. It examines the dictionary and dictionary making by using a model of lexicography which stresses the three-way relationship of compiler, dictionary context and user and incorporates them into a unified coherent framework. Throughout the study, special focus is on English and Chinese bilingual lexicography. It will serve not only as a valuable guide to those interested in dictionary compilation and theoretical inquiries but also as a textbook for undergraduate and postgraduate courses in bilingual lexicography. **A**

Syntactic Study of Idioms Anna Dąbrowska, 2018-09-30. Since the general tendencies of present-day English focus more on idiomatic usage, it seems to be worth paying attention to the role phraseological units play in a language. In the field of English phraseology, linguists have shown a constant interest in idioms. Undoubtedly, not only are idioms an important part of the language and culture of the society but they also carry more impact than non-idiomatic expressions because of their close identification with a particular language and culture. It is difficult to speak or write English without using idioms, especially while describing one's emotional or mental condition. Therefore, it is interesting and worthwhile to analyse both the language of phraseological units and emotions. In other words, this book focuses not only on idioms but also on one's psychological condition. However, its purpose is neither to discuss the issues of idioms and emotions from the psychological point of view nor to provide a conceptual analysis of emotional metaphors. Instead, the book analyses idioms referring to psychological states in English from the perspective of syntax, focusing particularly both on the syntactic structure of this specific set of verbal psych-idioms and on the constraints on the way they are built. Therefore, the most current studies performed within the scope of the Phase Theory and the Idioms as Phases Hypothesis are chosen to address certain syntactic problems that idioms pose. **A Dictionary of Confusable Phrases** Yuri Dolgoplov, 2016-02-01. Covering over 10 000

idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings, this dictionary presents a unique cross-section of the English language. Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases, the book can also be used as a regular phraseological dictionary providing definitions to individual idioms, clichés and set expressions. Most phrases included in the dictionary are in active current use, making information about their meanings and usage essential to language learners at all levels of proficiency. Longman Pocket Idioms Dictionary Longman, 2001. *Unlocking the English Language* Robert

Burchfield, 1992-12. As we grapple with an English language adapting and expanding faster than ever, Robert Burchfield offers a sane, humanistic and historically illuminating account of how words enter our official vocabulary. In this lively collection of essays, he shows us that dictionaries far from being static are hotly contested social documents resulting from the interaction of the language, the lexicographer and his times. Drawing on the author's thirty years' experience as the editor

of the Supplement to the Oxford English Dictionary this book gives us a firsthand account of the sorts of decisions lexicographers have confronted since Samuel Johnson's great dictionary such as the uses of literary authority the inclusion of ethnic vocabulary the establishment of standard usage as well as more contemporary issues including the implications of compiling dictionaries in the computer age There is also a wealth of insights into the history of our language its rich past and its potential future From publisher description *Know it All, Find it Fast* Robert John Duckett, Bob Duckett, Peter Walker, Christina Donnelly, 2008 There is a queue the phone is ringing the photocopier has jammed and your enquirer is waiting for a response You are stressed and you can feel the panic rising Where do you go to find the information you need to answer the question promptly and accurately Answering queries from users is one of the most important services undertaken by library and information staff Yet it is also one of the most difficult least understood subjects There are still very few materials available to help frontline staff often paraprofessional develop their reader enquiry skills This award winning sourcebook is an essential guide to where to look to find the answers quickly It is designed as a first point of reference for library and information practitioners to be depended upon if they are unfamiliar with the subject of an enquiry or wish to find out more It is arranged in an easily searchable fully cross referenced A Z list of around 150 of the subject areas most frequently handled at enquiry desks Each subject entry lists the most important information sources and where to locate them including printed and electronic sources relevant websites and useful contacts for referral purposes The authors use their extensive experience in reference work to offer useful tips warn of potential pitfalls and spotlight typical queries and how to tackle them This new edition has been brought right up to date with all sources checked for currency and many new ones added The searchability is enhanced by a comprehensive index to make those essential sources even easier to find saving you valuable minutes Readership Offering quick and easy pointers to a multitude of information sources this is an invaluable reference deskbook for all library and information staff in need of a speedy answer in reference libraries subject departments and other information units **Phraseology in Multilingual Society** Elena Arsenteva, 2014-03-17 This unique volume showcases the best presentations of the international conference Phraseology in Multilingual Society held at Kazan Federal University Russia in August 2013 The twenty seven essays included here represent different research efforts by specialists in phraseology from around the world The book reflects numerous different aspects of phraseological research including those from semantic pragmatic and comparative fields of study Furthermore the volume also presents an investigation of some practical problems of paremiology and phraseography **Idioms** Cristina Cacciari, Patrizia Tabossi, 2014-02-25 The book draws on a lot of research is friendly to the reader and will be of good value to teachers Paul Nation Victoria University of Wellington Australia This comprehensive up to date and accessible text on idiom use learning and teaching approaches the topic with a balance of sound theory and extensive research in cognitive linguistics psycholinguistics corpus linguistics and sociolinguistics combined with informed teaching practices Idioms is organized in

three parts Part I includes discussion of idiom definition classification usage patterns and functions Part II investigates the process involved in the comprehension of idioms and the factors that influence individuals understanding and use of idioms in both L1 and L2 Part III explores idiom acquisition and the teaching and learning of idioms focusing especially on the strategies and techniques used to help students learn idioms To assist the reader in grasping the key issues study questions are provided at the end of each chapter The text also includes a glossary of special terms and an annotated list of selective idiom reference books and student textbooks Idioms is designed to serve either as a textbook for ESL applied linguistics teacher education courses or as a reference book No matter how the book is used it will equip an ESL applied linguistics students and professionals with a solid understanding of various issues related to idioms and the learning of them

Aspects of Modern Language Teaching in Europe Wolf Gewehr,2002-03-11 From the teaching of grammar to the teaching of literature from classroom teaching to independent learning from role playing to CAL few books on teaching languages cover such a wide field In this book teaching experience and research from practitioners in four European countries throw new light on old problems faced every day while others reveal innovative teaching methods and new insights into how teachers and learners interact Sections include language learning strategies and computer assisted language learning facilitating individual progress through autonomous learning how to bring a foreign country alive in the classroom de mythologising grammar teaching how different types of dictionaries can make valuable contributions to language teaching teaching and using idiomatic phrases Meaning and Grammar Michel Kefer,Johan van der Auwera,2013-07-31 No detailed description available for Meaning and Grammar *The Cambridge Encyclopedia of the English Language* David Crystal,2018-11-29 Now in its third edition The Cambridge Encyclopedia of the English Language provides the most comprehensive coverage of the history structure and worldwide use of English Fully updated and expanded with a fresh redesigned layout and over sixty audio resources to bring language extracts to life it covers all aspects of the English language including the history of English with new pages on Shakespeare s vocabulary and pronunciation updated statistics on global English use that now cover all countries and the future of English in a post Brexit Europe regional and social variations with fresh insights into the growing cultural identities of new Englishes English in everyday use with new sections on gender identities forensic studies and big data in corpus linguistics and digital developments including the emergence of new online varieties in social media platforms such as Facebook Twitter and WhatsApp Packed with brand new colour illustrations photographs maps tables and graphs this new edition is an essential tool for a new generation of twenty first century English language enthusiasts **The Handbook of Technical Writing, Sixth Edition** Gerald J. Alred,Charles T. Brusaw,Walter E. Oliu,2000-03-02 The definitive technical writing reference in an updated sixth edition This comprehensive resource alphabetically arranged for quick reference provides guidance on the writing process in depth treatment of grammar and usage abundant real world examples of technical writing and up to date coverage of technology

The Enigmatic Realm of **Longman Dictionary Of English Idioms**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Longman Dictionary Of English Idioms** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

Longman Dictionary Of English Idioms Introduction

In today's digital age, the availability of Longman Dictionary Of English Idioms books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Longman Dictionary Of English Idioms books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Longman Dictionary Of English Idioms books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Longman Dictionary Of English Idioms versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Longman Dictionary Of English Idioms books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Longman Dictionary Of English Idioms books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Longman Dictionary Of English Idioms books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Longman Dictionary Of English Idioms books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Longman Dictionary Of English Idioms books and manuals for download and embark on your journey of knowledge?

FAQs About Longman Dictionary Of English Idioms Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Longman Dictionary Of English Idioms is one of the best book in our library for free trial. We provide copy of Longman Dictionary Of English Idioms in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Longman Dictionary Of English Idioms. Where to download Longman Dictionary Of English Idioms online for free? Are you looking for Longman Dictionary Of English Idioms PDF? This is definitely going to save you time and cash in something you should think about.
