Lookalike Love Nancy John, 1986 **Look-Alike-Man** T. F. Huene, 2013-02-05 Read then to see a greater God than you now see Read to see truth that will take you closer to God Read to gain your own personal joy and peace Read to see more clearly the incredible relationship you most certainly have with an even more incredible loving God The most original Christian writing since Augustine and Aquinas author Tom Huene's *Look Alike Man* answers long standing questions about God and Satan yet in an easy to read style In this book you will see why God could not possibly have created Satan and how the Bible does not say that He did Huene's purpose is the following 1 To magnify and put into its proper and lofty perspective the powerful and loving nature of the one and only God 2 To show the Images of God why they all 100 percent of them can be absolutely certain of spending eternity with their magnificent Creator in heaven He addresses age old assumptions about God Satan and man that need to be freshly reviewed with an open mind as well as with an open Bible If you have as many questions about your Christian faith as Huene had this is a must read Have you ever felt like there are actually two of you inside that body of yours Well you are correct Read *Look Alike Man* to see who you really are *The Mysterious Secret of the Valuable Treasure* Jack Pendarvis, 2011-07-27 This debut collection of stories holds a fun house mirror to the everyday lives of characters as empathetic as they are absurd You've met the characters in *The Mysterious Secret of the Valuable Treasure* They're the quirky visionaries and misguided dreamers we all know and might even be These characters are absurd hilarious and completely believable From the self appointed historian of the title piece to the frustrated wage slaves of *Our Spring Catalog* and *The Pipe* these are individualists who don't quite adhere to mainstream ideals Pendarvis draws his humor from the world of high school ambitions and misunderstood intentions allowed to breathe and take shape Always original but somehow familiar these are stories plugged into the collective unconscious of our imaginary lives Jack Pendarvis's work is difficult to describe but a pleasure to experience infused with humanity and laugh out loud funny Comedic literary talent of this caliber is rare **Look Alikes** J.R. Poulter, Barb Dragony, Takara Beech, 2016-05-31 Do I look like you Do You look like Me Are we so different Let's look and see A story for little ones showing same and different it identifies human and animal body parts and also demonstrates how even though our skin colour might be different all of us are basically alike *Look Alikes* is a wonderful way to teach children the delightful differences between humans and the wildlife that share our planet Through rhyme they are able to appreciate the beauty and uniqueness that exists with every species It is a fantastic way to introduce children to the early stages of comparison a common curriculum element taught in Australian schools Adrienne T O Connell B A Grad Dip Ed taught children from indigenous classrooms in the outback to multicultural classrooms in the city Toddlers love rhyming books and they love a giggle This clever rhyming book with a surprise at each page turning will produce lots of giggles as well as a reminder that we are all different and yet intrinsically the same The invitation to Look in the mirror gives every reader their own unique image to end the story There is potential for extending the story with mask

making and role play Maureen O Shea Young People s Services Librarian Noosa Library ServiceGreat concept and I love the simplicity of the illustrations and the message The animal comparisons add a delightful sense of humour and the subtle change of skin colour for the key character emphasises how inconsequential this should be Kerry Griffith Children s Librarian Moreton Bay RegLook Alikes by JR Poulter engages the toddler with a question at the end of each page It s clever input of a range of animals allows the toddler to differentiate between animals as well as liken themselves to each animal With JR Poulter s use of rhyme and Barb Dragony s simplistic illustrations toddlers will delight in learning same and different through Look Alikes Dr Gail Crossley Craven author of Poppy s Walk educator and consultant at CC Education Business Services
