Silent Endurance Kerri Thomas, 2024-09-12 The hauntings happened to my own family members

Many of these things happened to the kids the old lady in the closet being chased in the middle of the night or the red eyes Yes they really happened to the kids including the hooded figure In spite of my own experiences I cannot imagine the terror the children went through growing up I realize that I had no idea to the extent of things until one day we the children and I started talking about it It was terrifying and had a lifelong effect on them Being a writer though I naturally thought great book idea So with their consent and armed with our stories I have penned *Silent Endurance* *Me, My Man, My Lord* Andrea Tootle, 2015-12-30 In writing this book I found direction and guidance from God in the name of Jesus by the Holy Spirit of God I always knew there was someone watching over me It wasn't until my then spouse gave me the Bible to read that I gained understanding about life through reading God's Word God drew me in quietly and with a loving heart He spoke to me through the words written in His Will the Holy Bible It is my hope this book will be a guidepost in the maturation of God's children Throughout life the enemy comes to kill steal and destroy but Jesus came that we might have life life more abundantly God is love and self love is very important because hurt people hurt people Romans 8 helps God's children walk in the Spirit of God and I hope this manuscript will offer a framework for our new nature in Christ Jesus for Believers Ephesians 4:11 It was He who gave some to be apostles some to be prophets some to be evangelists and some to be pastors and teachers 12 to prepare God's people for works of service so that the body of Christ may be built up 13 until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ *Your Life as Story* Tristine Rainer, 1998-04-13 In *Your Life as Story* autobiography expert Tristine Rainer explains how we can all find the important messages in our lives Like Mary Karr or Frank McCourt we can shape those stories into dramatic narratives that are compelling to others Blending literary scholarship with practical coaching Rainer shares her remarkable techniques for finding the essentials of story structure within your life's scattered experiences Most important she explains how to treasure the struggles in your past and discover the meaning within those experiences to capture the unique myth at work in your life *Of Time and Spirit* Maurice W. Dorsey, 2020-09-21 *Of Time and Spirit* is a tribute to my father James Roswell Dorsey Sr 1919-2000 His story is told from my perspective as a son and traces his journey to inner peace and the struggles of a father and his son to communicate Further it is a historical chronology compiled from my dad's personal papers military records civilian personnel records notes jotted down on scraps of paper and the many conversations we've had over my lifetime Especially those conversations we had toward the end of his life when I had become a man and could understand some of his innermost feelings thoughts and wisdom This is a project he wanted to undertake prior to his death however age and poor health prevented his version of his life My account of his life is a small fraction of the man he truly was but he wanted his life recorded in history and now it is My father remains in this book *Of Time and Spirit* *Derek Mahon: A Retrospective* Nicholas Grene, Tom Walker, 2024-09-17 Derek Mahon 1941-2020 is widely recognized as one of the most important Irish poets of his generation This collection of new critical essays offers an important retrospective

assessment of the nature of his poetic achievement Bringing together many leading scholars of modern and contemporary Irish poetry including a notable number of accomplished poet critics its contributors range widely across Mahon s body of work Their essays offer fresh considerations of the biographical geographical and literary contexts that shaped his poetic voice This includes paying attention not only to more familiar influences but also to previously little considered interlocutors The stylistic and formal achievement of his voice is re evaluated in ways that range from attentive close readings to considerations of his controversial practice of self revision and his engagements with music and experiments in translation The politics of a poet often misleadingly considered apolitical are also reframed to take in the engagements of his early work through to the ecocritical commitment of his later poetry Indeed a notable aspect of this book is the consideration it gives to all the phases of Mahon s career As a whole the collection opens up many new ways of reading and understanding Mahon s important body of work
