Madonna J. Randy Taraborrelli, 2001-09-27 Madonna Megastar Lover Mother Opportunist Chameleon Role model She is all of these things and more Yet who is she really In *Madonna An Intimate Biography* author J Randy Taraborrelli's scrupulously researched and completely balanced unauthorized biography of one of the world's most celebrated entertainers the reader is allowed to draw his or her own conclusions Indeed the portrait bestselling author Taraborrelli paints here is of a truly complex woman one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart It is significant that *Madonna An Intimate Biography* is the first such book written about the star in over a decade because in the past ten years the ever changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously published material *Madonna An Intimate Biography* is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time including close friends business associates and even family members Since Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a sensation seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as great strengths and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother's reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her *Madonna An Intimate Biography* is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli's latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirring told [Video Hound's Golden Movie Retriever, 1991](#) David J Weiner, Thomson Gale, 1991 [Queer Tracks: Subversive Strategies in Rock and Pop Music](#) Doris Leibetseder, 2016-05-23 *Queer Tracks* describes motifs in popular music that deviate from heterosexual orientation the binary gender system and fixed identities This exciting cutting edge work deals with the key concepts of current gender politics and queer theory in rock and pop music including irony parody camp mask masquerade mimesis mimicry cyborg transsexuality and dildo Based on a constructivist concept of gender Leibetseder asks Which queer feminist strategies are used in rock and

pop music How do they function Where do they occur Leibetseder s methodological process is to discover subversive strategies in queer theory which are also used in rock and pop music without assuming that these tactics were first invented in theory Furthermore this book explains where exactly the subversiveness is situated in those strategies and in popular music With the help of a new kind of knowledge transfer the author combines sociological and cultural theories with practical examples of rock and pop music The subversive character of these queer motifs is shown in the work of contemporary popular musicians and is at the same time related to classical discourses of the humanities Queer Tracks is a revised translation of Queere Tracks Subversive Strategien in Rock und Popmusik originally published in German From Abba to Zoom David Mansour,2005-06 American pop culture aficionado Mansour offers this wide ranging volume of Boomer and Generation X treasures In page after page more than 3 000 references make this a true trip through the Boom Times *The Madonna Connection* Ramona Liera Schwichtenberg,Deidre Pribram,Dave Tetzlaff,Ron Scott,2019-07-09 Various cultural theories foremost among them postmodernism have figured in the debate over the politics of representation These theories have tended to look at representation in the context of either audience enablement or commercial constraint that is do the images empower the public or inhibit it One key area consistently overlooked has been the study of subcultural or subordinate groups who appropriate what is traditionally considered mainstream The Madonna Connection is the first book to address the complexities of race gender and sexuality in popular culture by using the influence of a cultural heroine to advance cultural theory Madonna s use of various media music concert tour film and video serves as a paradigm by which the authors study how images and symbols associated with subcultural groups multiracial gay and lesbian feminist are smuggled into the mainstream Using a range of critical and interpretive approaches to this evolving and lively cultural phenomenon the authors demonstrate the importance of personalities like Madonna to issues of enablement and constraint Are others given voice by political interventions in mass popular culture Or is their voice co opted to provide mere titillation and maximum profit What might the interplay of these views suggest These are some of the questions the authors attempt to answer Some celebrate Madonna s affirmation of cultural diversity Others criticize her flagrant self marketing strategies And still others regard her as only a provisional challenge to the mainstream *Timeshift* Sean Cubitt,2003-09-02 Focusing on the aesthetics of video Timeshift tests current semiotic postmodernist and psychoanalytic approaches in the laboratory of real life video viewing Variety's Complete Home Video Directory ,1989 *Billboard* ,1986-03-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Ideological Octopus* Justin Lewis,2013-06-19 Originally published in 1991 this introduction to studying the television audience discusses developments in semiology and cultural studies and their contribution to our understanding of the power of television How in the most precise and intricate sense does television

influence the way we think about the world What ideological role does it play in contemporary culture Does TV control us or do we control it This insightful book assesses the progress in responding to these questions and offers some answers of its own In the 1980s with the emergence of semiology and cultural studies in particular there were a number of significant theoretical developments in our understanding of television s power of which this book provides an overview while also incorporating traditional approaches It suggests that television influences us ambiguously and unpredictably depending upon who we are and how we think Ambiguity does not blunt television s power it simply diversifies it into a very modern kind of omnipotence Employing two major qualitative audience studies this impressive study illustrates its argument with findings that are both unexpected and disturbing **Audio Video Review Digest** ,1989 **Tourism and Small Business** United States.
