Mountain Voices Warren Moore, 1988 A captivating oral and pictorial history of the mountain people still living in the Blue Ridge and Great Smoky Mountains Color and black and white photos **Mountain Voices** Warren Moore, 1997 Oral histories capture vanishing lifestyles of Appalachian natives Chasing the Rising Sun Ted Anthony, 2007-07-13 Chasing the Rising Sun is the story of an American musical journey told by a prize winning writer who traced one song in its many incarnations as it was carried across the world by some of the most famous singers of the twentieth century Most people know the song House of the Rising Sun as 1960s rock by the British Invasion group the Animals a ballad about a place in New Orleans a whorehouse or a prison or gambling joint that s been the ruin of many poor girls or boys Bob Dylan did a version and Frijid Pink cut a hard rocking rendition But that barely scratches the surface few songs have traveled a journey as intricate as House of the Rising Sun The rise of the song in this country and the launch of its world travels can be traced to Georgia Turner a poor sixteen year old daughter of a miner living in Middlesboro Kentucky in 1937 when the young folk music collector Alan Lomax on a trip collecting field recordings captured her voice singing The Rising Sun Blues Lomax deposited the song in the Library of Congress and included it in the 1941 book *Our Singing Country* In short order Woody Guthrie Pete Seeger Lead Belly and Josh White learned the song and each recorded it From there it began to move to the planet s farthest corners Today hundreds of artists have recorded House of the Rising Sun and it can be heard in the most diverse of places Chinese karaoke bars Gatorade ads and as a ring tone on cell phones Anthony began his search in New Orleans where he met Eric Burdon of the Animals He traveled to the Appalachians to eastern Kentucky eastern Tennessee and western North Carolina to scour the mountains for the song s beginnings He found Homer Callahan who learned it in the mountains during a corn shucking he discovered connections to Clarence Tom Ashley who traveled as a performer in a 1920s medicine show He went to Daisy Kentucky to visit the family of the late high lonesome singer Roscoe Holcomb and finally back to Bourbon Street to see if there really was a House of the Rising Sun He interviewed scores of singers who performed the song Through his own journey he discovered how American traditions survived and prospered and how a piece of culture moves through the modern world propelled by technology and globalization and recorded sound *David Crockett* Michael Wallis, 2011-07-18 Vivid Comprehensible cuts through decades of mythmaking Texas Monthly Popular culture transformed his memory into Davy Crockett and Hollywood gave him a raccoon hat he hardly ever wore In this surprising New York Times bestseller historian Michael Wallis has cast a fresh look at the flesh and blood man behind one of the most celebrated figures in American history More than a riveting story Wallis s *David Crockett* is a revelatory authoritative biography that separates fact from fiction and provides us with an extraordinary evocation of not only a true American hero but also the rough and tumble times in which he lived **Mountain Mysteries** Larry D. Thacker, 2006-11 A near obsessive pursuit of ghost stories and odd superstitions cranks up this serious study of Appalachian tales of the supernatural and their origin in both old world

customs and real historical events An effort to preserve and record one aspect of a dying way of life the book relies on interviews and historic documents to search for the facts behind local lore of murder witchcraft and weird hauntings Several campfire worthy ghost stories are recounted in their entirety including The Swinging Gate of Fern Lake Hollow and an unexpectedly large number of stories about aliens and UFOs provide an interesting comparison of three century old mysteries and those stirred up in comparatively recent times **George Washington & Jefferson National Forest (N.F.), AEP 765kV Transmission Line, American Electric Power Transmission Line Construction, Jacksons Ferry, Virginia to Oceana, West Virginia** ,2002 **APCo 765 KV Transmission Line** ,1996 American Folk Art Kristin G.
