Prayer Samuel Bulgín, 2018-11-26 There is a God who loves you so much that He wants you to grow closer to Him through prayer This is the central theme of Doctor Samuel Bulgín s book Prayer Conversations with God Bulgín points out that prayer which is talking to One we have never seen is foreign to humans Therefore growing through prayer requires pushing ourselves out of our comfort zone by committing ourselves to a regular pattern of communication with God and not just praying on a whim Prayer takes us deeper in our relationship with Him than we would choose to go ourselves Since God already knows everything about us before we pray the benefit to praying is in confessing our thoughts

and feelings to the One who loved us first This thoughtful book also covers Remembering to whom we are praying Finding intimacy with God through prayer Effective patterns for prayer What to pray about The focus of faith in prayer Praying when you don't know whether it is God's will Unleashing supernatural power through prayer What hinders our prayers Why God doesn't answer all our prayers
