This book that now opens to the world. The Joyful Talisman Course Book on Human Values is much more than an educational resource or a course book. It is the living, practical continuation of the profound message that Vedabhyas Kundu and Munazah Shah shared in their first work, *The Joyful Talisman: Conversations on Human Values for a Joyful World*. In that first book, the authors invited us to reflect on the values that sustain life in harmony: truth, nonviolence, compassion, humility, and respect. Through their thoughts and perspectives, culture, and spirituality, they opened a path of awareness for readers around the world to turn inwards, self.

reflect and self introspect As with every meaningful and beautiful seed those ideas began to seek continuity they needed to become tangible proposals ready to be lived out in schools families and communities This course book answers that call with clarity beauty and commitment Here values are not just named and discussed they are practiced They become action dialogue gestures play and collective projects Joy present in both the books is not shown as a fleeting emotion but as an ethical value a vital compass and a powerful driving force for change I am deeply moved to have been named among those who supported and helped bring this new step to life In addition I feel there is an invisible thread connecting all of us who believe in the power of education to transform the world a diverse international and passionate network that plants the seeds of human values where they are needed the most I have had the privilege of witnessing how this JoyfulTalisman has come to life in schools and communities across Africa Asia and the Americas touching the lives of children youth educators parents and community leaders I am certain this new book which has been developed as an accompanying course book will continue its journey sowing peace awareness and commitment in many more hearts My invitation is simple yet profound explore these pages freely adapt each activity to your reality share reflect and transform Because wherever a girl discovers her voice a young person chooses empathy or a teacher educates with kindness the JoyfulTalisman is at work I can definitely tell you that those small acts truly changes and transforms the world Marta Lescano President Fundaci n FEPAIS Executive Director of Education Global Peace Let s Talk International
