New Deal:

The Great Depression and the New Deal Robert F. Himmelberg, 2000-11-30 This essential guide to the Great Depression and the New Deal provides a wealth of information analysis biographical profiles primary documents and current resources that will help students to understand this pivotal era in American history The author an expert on this age of U S history and politics brings to life the traumatic period that began in 1929 and ended only with America s entrance into World War II in 1941 He carefully explains the causes of the Depression the actions taken by Franklin D Roosevelt to lift America out of its economic morass and the economic political social and cultural aspects of the age Following a chronology of events a narrative overview examines the events of the Great Depression and the New Deal Other topical essays address the causes and cure of the Depression America s struggle against the Depression the effect of the Depression on American politics changes in society and culture during the Depression decade and an evaluation of the New Deal from a contemporary perspective Twenty seven biographical profiles of key figures of the era the text of ten important primary documents a glossary of frequently cited terms and an annotated bibliography of print and nonprint materials for student use complete the work This work is an essential source for the most current thinking and resources on the Great Depression and the New Deal

The New Deal Ronald Edsforth, 2000-04-17 In this concise and lively volume Ronald Edsforth presents a fresh synthesis of the most critical years in twentieth century American history The book describes the collapse of American capitalism in the early 1930s and the subsequent remaking of the US economy during Franklin D Roosevelt s presidency It is written for a new generation of readers for whom the Great Depression is a distant historical event **The New Deal** Michael

Hiltzik, 2011-09-13 From first to last the New Deal was a work in progress a patchwork of often contradictory ideas **The New Deal** Paul K. Conkin, 1992 Product Description Demonstrating the intellectual excitement that is the practice of history at its best Paul Conkin s *The New Deal* is still one of the best known titles in the very popular American History Series edited by John Hope Franklin and A S Eisenstadt *The New Deal* Third Edition is still the best succinct and coherent description of a chaotic period It is an account of the major domestic policies adopted during the Roosevelt administration It is also a rich portrait of Roosevelt the man and consummate politician and the satellite figures around him This highly interpretive text with its spirited and often subtle assessments of New Deal personalities and programs will continue to bring the period to life for new generations of students Includes extensive photo essay **New Deal Thought** Howard Zinn, 1966 Covering the entire sweep of American history this unique new series draws its material entirely from primary sources Skillful annotation and interpretive introductions add to the vitality of these works and contribution to the cohesive character of the series which includes more than forty volumes Publisher **The New Deal, what was It?** Morton Keller, 1963 **Dealers and Dreamers: A New Look at the New Deal** Joseph P. Lash, 2020-04-10 Pulitzer Prize winning biographer Joseph Lash s last work is an account of the men and women who helped Roosevelt pull the country out of the Great Depression When FDR took

office in 1933 he set into motion the promise he made when he was first nominated the New Deal also called the Roosevelt Revolution charged the energies and imaginations of some of the most brilliant minds in the country Lash draws heavily on the private and unpublished papers of Thomas Corcoran and Benjamin Cohen the two most influential brain trusters of the time whose policies invigorated the nation and who independently and together were driven to promote the social and economic transformations of the thirties This new look at the New Deal as the book is subtitled is a history of New Deal legislation from the banking bill that recast the Federal Reserve System on through the Public Utility Holding Company Act the Wagner Labor Relations Act the Social Security Bill and the creation of the alphabetocracy that as Mr Lash believes helped to shift control of the American economy from Wall Street to Washington a dual biography of two young New Deal lawyers Benjamin V Cohen and Thomas G Corcoran a roster of New Deal players Adolph A Berle William O Douglas Marriner Eccles Jerome Frank Leon Henderson Alger Hiss Harry Hopkins Harold Ickes Hugh S Johnson James Landis Max Lowenthal Isador Lubin Raymond Moley Frances Perkins Joseph Rauh Samuel I Rosenman and Rexford G Tugwell and Harvard Law professor and later Supreme Court Justice Felix Frankfurter the ideological struggle that went on between people like Tugwell who wanted to plan the economy and those like Frankfurter and Supreme Court Justice Louis D Brandeis who wanted to break up the trusts and restore freedom to the marketplace Dealers and Dreamers will be valuable to any reader with certain specific questions about the New Deal in mind Christopher Lehmann Haupt New York Times Dealers and Dreamers is a fascinating informative book indispensable for students of the Roosevelt presidency Arthur Schlesinger Jr The New York Review of Books The story of how our present day institutions were created Lash s excellent exploitation of the papers of both Cohen and Corcoran plus judicious use of interviews makes this a valuable work Warren F Kimball Los Angeles Times Joseph P Lash s last book is a fitting capstone to a noble career Dealers and Dreamers is a vivid evocation of an era and a fascinating portrait written with the skill of a master of some of the most wonderfully engaging figures of a glorious age in American history But more than that it is like all of Joe Lash s books and like Joe Lash s life itself a work of the most rare sincerity and integrity What shines forth from every page as it shines forth from Mr Lash s life is his unshakable determination to be truthful honest and scrupulously fair Joe has always been the standard of integrity to which I tried to hold fast and this book is a final triumphant example of the fact that he held that standard high to the last Robert Caro I found Dealers and Dreamers a veritable treasure trove of historical information about Roosevelt s Washington For that reason alone it is an important book Thomas Fleming Dealers and Dreamers not only reports the achievements and operations of the New Deal but also the spirit of the participants a spirit which I think was very much like that which must have existed among the persons who drafted the U S Constitution and put it in force in each case reflecting the excitement and satisfaction of participating in a successful revolution not against government but for government Eugene McCarthy By the Pulitzer Prize winning author of Eleanor and Franklin this is a fresh and admiring look at the original brain trusters

Raymond Moley Rexford Tugwell Adolf Berle and others crucial to the legislated social transformation presided over by Franklin D Roosevelt during the Depression years Among the others Lash pays particular attention to are Thomas G Corcoran the unofficial whip of the New Deal and Benjamin V Cohen principal draftsman of several ground breaking bills sent to Congress The author describes Cohen as the intellectual coordinator of the New Deal and the keeper of its conscience Working from Corcoran and Cohen s private papers he sheds light on the significance of the Securities Exchange Act FDR s court packing attempt the 1936 presidential campaign the effect of the New Deal on black Americans and other issues throughout the decade before Pearl Harbor Publishers Weekly Lash focuses on two talented technocrats Benjamin V Cohen and Thomas C Corcoran protégés of Felix Frankfurter then a professor at Harvard Law School Though neither had held high office both played important frequently pivotal roles in drafting and ensuring passage of vital New Deal measures like the Securities Exchange Act of 1934 Pragmatists as well as idealists Cohen and Corcoran viewed politics as the art of the possible With revolution a decided possibility they opted for trial and error reform as the best means to the end of preserving any vestige of a free enterprise constitutional system Kirkus Reviews Lash has written an absorbing narrative that captures the spirit of those yeasty times when a heady generation of young intellectuals was ready to roll up its sleeves to rescue America R Frank Saunders Jr The Georgia Historical Quarterly Dealers and Dreamers conveys an unmistakable sense that there was something special about the experience of the generation of lawyers who entered public service in the 1930 s G Edward White Harvard Law Review

The Diary of Rexford G. Tugwell Rexford Guy Tugwell, 1992-05-30 Rexford G Tugwell s diary of the New Deal era is one of the most important first hand primary accounts of the New Deal available One of FDR s most intimate advisors Tugwell provides an open account of what went on in the New Deal particularly in the early days when programs to address the Great Depression were being devised The diary talks openly about how programs were devised who was involved and how FDR reacted It is very specific about such New Deal Programs as the NRA AAA and the different relief programs including CWA PWA the Resettlement Administration and CCC The diary also discusses individuals such as FDR Henry Wallace Hugh Johnson Donald Richberg Chester Davis Louis Brandeis Felix Frankfurter and fellow Brain Trusters Raymond Moley and Adolf Berle The diary also provides insight into how Tugwell viewed himself and whether or not he agreed with the individuals assigned to run the New Deal programs One of the most used sources at the FDR Library this diary gives a rare glimpse of FDR and how he treated his intimate advisers

Fdr's "New Deal" William N. Spencer, 2019-12-04 History is an account either verbal or written which describes past events good or bad In truth most recorded history is a mostly false narrative of mostly unimportant occurrences which are the doings of czars despots and tyrants and their lackey soldiers For the most part right or wrong history has always been written by the winners of whatever contest And therefore since the losers are irrelevant and meaningless it may then take society many decades or more to finally learn that most things were done not really as the supporters and academics had recorded them for posterity History

is more than just learning names dates and places Real history is knowing why certain events happened at a certain given time in a particular certain place And real history is admitting that the supposedly greatest saviors of humanity were really mankind s greatest purveyors of human misery Fifty Years Later Harvard Sitkoff,1985 The New Deal William Edward Leuchtenburg,1968 The New Deal and American Politics John M. Allswang,1978 *The Great Depression and New Deal* Mario R. DiNunzio,2014-07-23 The political ideas that resulted from confronting the crisis of the Great Depression and the New Deal of the early 20th century reshaped America This documentary history collects a range of primary sources to illuminate this critical period in U S history This accessibly written work provides a wide range of primary documents offering American history students and teachers alike a handy reference volume that examines all important aspects of the Great Depression and New Deal a core curriculum topic By modeling how an expert scholar interacts with primary sources the book enables readers to pick apart and critically evaluate firsthand the key documents chronicling this major American movement The book leads with an introductory essay that outlines the scope of the volume explains how the primary documents were selected and identifies thematic trends and controversies Annotations by scholars translate difficult passages into language that is easily comprehensible to modern readers and compare key passages throughout encouraging the reader to cross reference documents within the volume and connect the dots between them Readers will be able to interpret the flow of events during the Great Depression assess the legislative and executive actions that attempted to deal with the economic crisis and perceive the differences between the fiscal ideas of Presidents Hoover and Roosevelt **The New Deal** Susan E. Hamen,2010-09-01 Explores the background of the New Deal including the events leading up to it its effects on the U S economy and the key people involved **The New Deal** Paul Keith Conkin,1967 *Economic Aspects of New Deal Diplomacy* Lloyd C. Gardner,1964 Bibliographical essay p 389 397 Women and the Spirit of the New Deal Nat'l New Deal Preservation Assn,Frances Perkins Center,Living New Deal,2019-03-15 The book highlights the extensive role of women in the programs and operations of the New Deal under President Franklin D Roosevelt It was prepared for a two day conference Women and the Spirit of the New Deal held in Berkeley California on October 5 6 2018 The conference was jointly sponsored by The Living New Deal The National New Deal Preservation Association and The Frances Perkins Center The brief biographies of approximately 100 women include some individuals who were known to the public and remembered by historians while others operated behind the scenes and have been virtually forgotten Some were prominent during the period 1933 1945 while not formally linked to government programs Most played significant roles in the numerous agencies projects and programs of the federal government during a dozen years when the relationship between the government and American citizens was profoundly reshaped The women include politicians administrators lawyers social workers authors journalists painters sculptors musicians and scientists The book begins a process of identifying hundreds if not thousands of women whose roles during this eventful period were of consequence in contributing to the transformations that took place

through the initiatives of the Roosevelt Administration Our hope is that readers of this book will contribute the names and descriptions of additional women including modifications and or elaborations of the biographies contained herein to the websites of the three sponsoring organizations where they will be available to students scholars and interested citizens The Living New Deal www.livingnewdeal.org The National New Deal Preservation Association www.newdeallegacy.org The Frances Perkins Center www.FrancesPerkinsCenter.org

The New Deal Stephanie Fitzgerald, 2006-07 Discusses America on the brink of economic disaster and how Franklin Roosevelt promised a new deal for America

The Great Depression and the New Deal: A Very Short Introduction Eric Rauchway, 2008-03-10 The New Deal shaped our nation's politics for decades and was seen by many as tantamount to the American Way itself Now in this superb compact history Eric Rauchway offers an informed account of the New Deal and the Great Depression illuminating its successes and failures Rauchway first describes how the roots of the Great Depression lay in America's post war economic policies described as laissez faire with a vengeance which in effect isolated our nation from the world economy just when the world needed the United States most He shows how the magnitude of the resulting economic upheaval and the ineffectiveness of the old ways of dealing with financial hardships set the stage for Roosevelt's vigorous and sometimes unconstitutional Depression fighting policies Indeed Rauchway stresses that the New Deal only makes sense as a response to this global economic disaster The book examines a key sampling of New Deal programs ranging from the National Recovery Agency and the Securities and Exchange Commission to the Public Works Administration and Social Security revealing why some worked and others did not In the end Rauchway concludes it was the coming of World War II that finally generated the political will to spend the massive amounts of public money needed to put Americans back to work And only the Cold War saw the full implementation of New Deal policies abroad including the United Nations the World Bank and the International Monetary Fund Today we can look back at the New Deal and for the first time see its full complexity Rauchway captures this complexity in a remarkably short space making this book an ideal introduction to one of the great policy revolutions in history About the Series Oxford's Very Short Introductions offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics and Literary Theory to History Not simply a textbook of definitions each volume provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given topic Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how it has developed and influenced society Whatever the area of study whatever the topic that fascinates the reader the series has a handy and affordable guide that will likely prove indispensable

The Great Depression and the New Deal Kevin Hillstrom, 2009 Provides a detailed account of the Stock Market Crash of 1929 and the Great Depression as well as President Franklin D Roosevelt's ambitious program of New Deal reforms Includes a narrative overview biographical profiles primary source documents and other helpful features

While this might not be the New Deal full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of New Deal eBooks, including some popular titles.

FAQs About New Deal Books

What is a New Deal PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Deal PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Deal PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Deal PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Deal PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat,

for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
