REAL Volume 8 (1991/1992) ,1992 **The New Encyclopaedia Britannica** ,1985 Holidays or Holy Days: Does It Matter Which Days We Observe? United Church of God,2010-08-20 Many people are shocked to discover the origins of our most popular religious holidays They are also surprised to find that the days God commands us to observe in the Bible the same days Jesus Christ and the apostles kept are almost universally ignored Why Also why are today s supposedly Christian holidays observed with so many rituals and customs that are not sanctioned anywhere in the Bible Here are some questions to think about Does Christmas really honor Jesus and His birth Where did the Christmas holiday come from How did it begin and why Did you realize that historians and the Bible agree that Jesus Christ wasn t born anywhere near December 25 Or that this particular date was well known for its pagan religious celebrations long before Jesus Christ was born Would Jesus Keep Easter Can we find any historical or biblical record of Jesus or His disciples keeping Easter or teaching parents and children to dye eggs and display bunnies on this holiday Did Jesus or His apostles instruct any of His followers to worship His resurrection at sunrise on Easter Sunday or at any other time for that matter If Easter were not sanctioned by Jesus or instituted by His apostles then where did Easter come from In other words if Jesus were living among us today would He keep Easter or encourage others to do so Should you as a Christian celebrate Easter Few people know why they believe or do the things they do especially when it comes to their religious beliefs and practices Inside the Bible study aid ebook Holidays or Holy Days Does It Matter Which Days We Observe discover the shocking truths about several of the world s most popular holidays Perhaps even more surprising is how they came to be connected with Jesus Christ and the Christian religion Chapters in this ebook Crucial Questions Christmas The Untold Story How Christmas Grew Christmas vs the Bible Biblical Evidence Shows Jesus Wasn t Born on December 25 Easter Masking a Biblical Truth The Resurrection Connection Fertility Symbols Beneath the Dignity of God The Chronology of Christ s Crucifixion and Resurrection Halloween A Celebration of Evil What About Thanksgiving Hanukkah and Purim God s Days of Worship God s Festivals in the New Testament Does It Matter to God An Ancient Cultural Clash The Delights of Obedience Inside this Bible Study Aid ebook Did the writers of the four Gospels Matthew Mark Luke and John consider Jesus birth to be one of the most significant events for Christians to acknowledge or celebrate Did Jesus Christ tell us to celebrate His birth No A careful analysis of Scripture however clearly indicates that December 25 is an unlikely date for Christ s birth Here are two primary reasons The word Easter appears once in the King James Version of the Bible in Acts 12 4 where it is a mistranslation The New Testament does not mention an Easter celebration Early Christians had nothing to do with Easter Instead they kept the Passover instituted by God centuries earlier at the time of the Exodus Exodus 12 13 14 Leviticus 23 5 The popular belief is that Christ was crucified on a Friday and rose on a Sunday But neither of these suppositions is supported by the biblical record *Composition Linguistique Des Nations Du Monde* Heinz Kloss,Grant D. Religion in Contemporary Nigeria Y.A. Quadri,2016-04-30 The dynamism of religion all over the world presupposes that discourse on it generally is a continuous exercise As religion influences the environment of its operation so also is the influence of the environment on the practice of religion Nigeria a multi religious nation has experienced and is still experiencing the positive as well the negative aspects of religious practices in her socio political economic and cultural spheres There is no doubt that religion is manipulated by some people which portray it in bad light and makes it vulnerable to criticisms despite the unanimity about its potential to be a force for good in the society Recent developments in Nigeria indicate that religion has a role in the survival or otherwise of the country Such include the re introduction of Sharicah penal code in some states in the northern part of the country the emergence of Islamic banks proliferation of private faith based tertiary institutions emergence of different factions and sects in religions and the challenge of insurgency using religion as camouflage in the name of the Boko Haram This book addresses contemporary issues in the use of religion in Nigeria Its uniqueness lies in the calibre of notable scholars who contributed to it from various ethno religious and geographical backgrounds It contains the views of eminent scholars from Islam and Christianity and is jointly edited by experienced professors in the two faiths The overall aim is to enhance better understanding of religion and to promote peaceful co existence between and among adherents of the two religions Robbing Peter to Pay Paul F. F. Powell,2009-09-24 Robbing Peter to Pay Paul looks at how Jesus teachings were supplanted by St Paul s doctrines Jesus is presented to the reader of the

New Testament with two different personalities He is first described as a Jewish Rabbi recognized by His followers as the promised Hebrew Messiah His second personality stripped of its Jewish ness is somewhat like that of a Greco Roman god His Disciples were Hebrew in the first instance and in the second they were mostly Greco Roman Saint Paul authored most of the Greco Roman tenets in the New Testament of course He became a citizen of Rome as Saul of Tarsus but is now known as Saint Paul For centuries theologians seem to have preferred Paul s doctrines to the teachings of Jesus and have shaped a message over the years that our faith must be placed in Jesus death not in His life As Christianity took shape Paul battled to get his Greco Roman dogma accepted Those persons supporting Paul soon developed a strategy to accomplish that feat Belittling the Disciples was one approach to the problem it appears This is especially true of Peter in some of Paul s Galatians passages
